

Venus Colon & Son's  
2017 to Present  
Worship Leader

What the Branch has done for me and my family? Where do I start? Well here's a list of all of the wonderful ways in which they've shown the love of Jesus throughout the ministry. When I first moved to the state of Maryland they provided my boys with beds to sleep on. They sponsored myself and my boys in order for us to attend the family retreat; which helped us become closer as a family in Christ.

The Ministry provides great programming and support groups which have equipped us to navigate this thing called life. The ministry provides support groups and programming such as "knowing your identity in Christ" for the youth, and parenting classes for the adults.

This ministry has helped me grow as a leader, case in point (The leadership retreat). I would say as a family we've grown in our communication, and love for one another because of the help of the Branch Ministries. To sum it all up, The Branch has definitely stuck to its mission and we are very appreciative and grateful for it. I look forward to all that is in store for the future. I look forward, in faith, to strengthen my christian walk, and just to continue to strengthen our love for one another as brothers and sisters in Christ.

Sincerely,  
Venus Colon
