Public Comment

Billy Carson requests that a letter be written about the side driveway due to the amount of mud from yesterday's rain. It is not an ordinance violation so a letter cannot be written.

Jennifer Fortune reads aloud a letter summarizing the dismissal of her court case and is requesting reimbursement of \$100 plus .67 per mile for a total of 136.85 for her time and expenses. If the village chooses to ignore she will be forced to pursue legal action and is asking for a response within 30 days.

President Marilyn Cousineau will turn Jennifer's letter over to the attorney and we will go forward from there.

Jeremy provided updates related to the Polish Festival still happening but there will not be a carnival this year. More than likely will be this way moving forward.

Planning Committee Update

The planning committee met with politician Fairbairn and filled him in on issues within the Village. He's educated as to what our needs are and understands small town problems. You can watch his meet and greet in Petoskey on Youtube for more information about him. Friske wasn't really forthcoming.

Old Business

Another quote was received for the garage doors, but the original quote was less so we decided to go with Bulldog Garage Doors.

New Business

A discussion regarding the removal of the tree down by the Methodist Church. Robbie Weiss suggests that we get a bid on the removal of the tree. Joann Bell makes a point about planting new trees since we've been cutting so many down. President Marilyn Cousineau is going to add removal of the cemetery trees to the budget.

A motion is made by Robbie Weiss to remove the tree by the Methodist Church, supported by Mike Kondrat Jr. The motion carried to all in favor.
