Planning Committee Update

Larry Organek read aloud an email from Suzanne of the Army Corp of Engineers. Boyne Falls Village was not selected to receive the \$10 Million grant money. However, we still have other grants totalling a little over \$300,000.

Old Business

The library would like to know if we can come up with a place where they might be able to put a sign directing people to where the library is located. The Village ordinance states no more than two signs on one parcel of land, so President Marilyn Cousineau is leaving it up to the council. The council suggested a sign on Main St and 131 as well as Thumblake and Railroad St. If they can get approval from the state, then the signs can be put up, tabled until the next meeting.

New Business

The Street that runs past Cedar Street, where it goes up the hill, has been renamed by the assessor as Mountain Side Trail. He has changed 69 addresses so far.
