

SAVE THE DATE!!

Join us September 28, 2024 for Sew Special with Susan Lazear. Susan is the owner of Cochenille Design Studio and Professor of Fashion at Mesa College in San Diego CA. She is a contributor to Threads Magazine and teaches classes at the Sewing Expo in Puyallup, WA.

We have not finalized our class offerings, but Susan would like to talk about something that would inspire us, something that is practical and something that relates to our sewing.

Our Zoom class last year was so successful, we are trying it again. This will be both Zoom from home, or Zoom with the Guild at United Presbyterian Church. We highly recommend Zooming with your Guild if you are able. Why, might you ask? A delicious continental breakfast, catered lunch, and door prizes. If you are not a door prize winner, you will still go home with a sewing gift...no one is left out! Best of all? The camaraderie and fellowship with your fellow sewists....PRICELESS!

Put this on your calendar.....more information to come.
