Following the Pattern

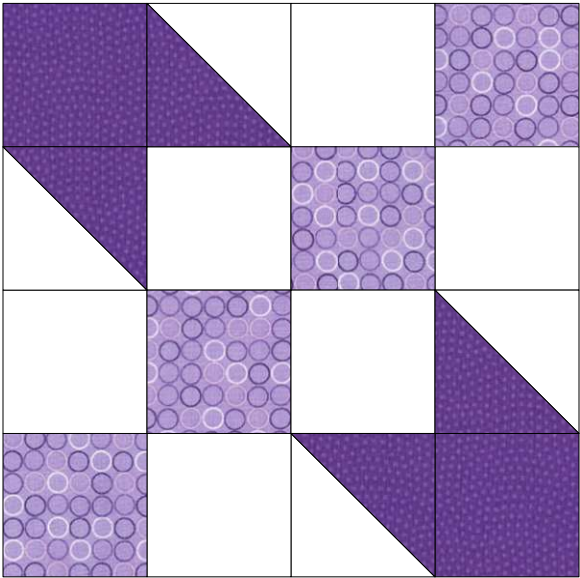

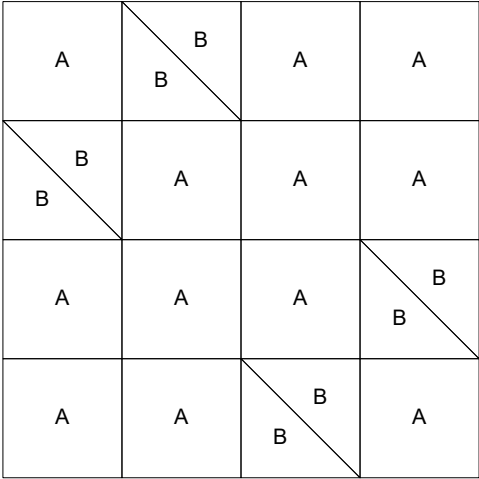

To the left are examples of the cutting instructions within this pattern. All numbers represent inches, unless stated otherwise. In example A, you will cut pieces that are 2 1/2 inches wide and 2 1/2 inches high. The number of pieces needed for each block is placed to the right of each set of cutting directions.

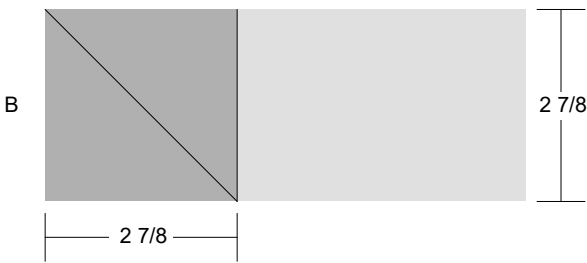

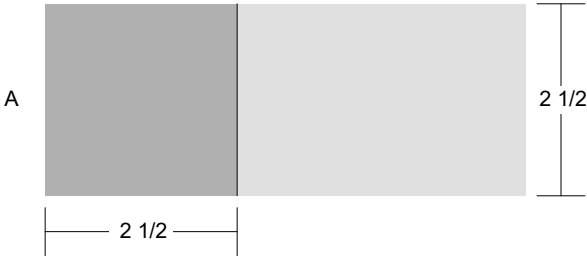

When triangle pieces are needed they will be represented like example B. In this example you would cut triangles from a square that measures 2 7/8 inches by 2 7/8 inches.
