

Trade?

My name is Tom Lloyd and I am one of the founders and board member of the 45-year-old [Education Funding Foundation](https://photos.app.goo.gl/KB6QR6SWfXBbYciTA). I have a 1989 Cadillac that I would like to have repainted and some minor rear bumper work repaired. I'm not looking for restoration quality, this is my daily driver that I have had since new and I would like to continue driving daily.

As director of the education foundation I serve, I would like to trade the repair and painting of the vehicle in the pictures for a scholarship valued at \$40,000 or more over 4 years in college funding for the education of a student of the owner or operator of a shop that would be willing to trade for our mutual benefit.

If you or someone you know would have interest in this proposition, please contact me immediately to explore the possibilities. Private party OK if they have the skills and tools to complete the project.

Sincerely,

Tom Lloyd
