

Our Commitment of Member Services

The Ed Funds Team will provide the following services for enrolled parents and students for the “one time” research fee of (\$1400) and one hundred dollar (\$100) annual Dues, which serves the entire family.

- "Blueprint for Success" guidebook - A step by step guide for success in college.
- Career Planning Information - Refines and narrows the student's career interest through research and analysis of potential occupations.
- College Search guide - We contact colleges which match the student's personality, qualifications and interests on your behalf with letters of introduction requesting college information.
- ACT/SAT Test Preparation - Acquaints the student with the "Achievement Tests" and provides the means to analyze the student's strengths and weaknesses using diagnostic.
- College Visitation Guide - Provides a question and answer checklist for families and students during the college visits. Helps prioritize colleges for your final choice.
- College Admissions Guide - Allows the family to better organize a successful admissions campaign to achieve the student's ultimate goal of being accepted to the college of choice.
- Scholarship Search Guide - Provides the family with the ability to conduct their own local scholarship search and Internet access to a FREE national database through our web site.
- The Expected Family Contribution (EFC) - reduces this number to lowest possible level.
- Financial Aid Form Guide - Assists family with the completion of the Federal and institutional financial aid forms to help make certain they are correct so student qualifies for all available aid.
- Negotiation Strategy Guide - Positions your student for the most financial aid through a series of highly effective strategies and techniques.
- Provide Sources for Gap Funding - Qualified sources for funds, both federally sponsored and private, to fill the gap between what you get and what you need for successful college completion. We are NOT lenders but will refer you to authorized sources for Student Loans if needed.

Our Promise of Value

If after completing all required forms, applications, and strategies outlined in our agreement you do not receive value equal to 5 times your membership commitment per year (*not loans*), we will return all of your membership fees. 1. You must be accepted at 6 or more schools, 2. File the FAFSA and other required school applications and 3. Follow recommended negotiation strategies. Our agreement extends throughout your college career as a current member in good standing.

This membership agreement constitutes the services provided and is designed to meet the financial needs of the member through a combination of one or more of the specific sources and services listed. All strategies and techniques are the property of our organization on behalf of the members and intended for the sole use of the parties named on the face of this membership agreement. Our Team is not in the business of rendering legal or tax advice and will refer you to the appropriate professional as needed. Strategies suggested are based on information provided by the member, which is **confidential** in nature.

“Our Youth are our Future”
Executive Board

Promise is evaluated at 12 months or the start of student's first year of college, whichever is later.

_____ **Member confirms understanding of Promise of Value.**

Your Commitment and Requirements

Student(s): Family Name: Phone:

Address: City: State: Zip:

- 1) The student must be an enrolled student at a post-secondary institution of higher education that meets federal guidelines and qualifies to participate in federal programs including PELL and all Federal Higher Education Act programs. Student must be a U.S citizen or eligible non-citizen with required registration.
- 2) Financial aid funding can only be used for the "Cost of Education" during the academic year. "Cost of Education" is determined by each college and includes tuition and fees, room and board, books, supplies, and an allowance for transportation and personal expenses.
- 3) The student must be enrolled at least halftime as a regular student and meet the Satisfactory Academic Standards set by the school. The student and parent must file all forms required by school, lender, or your coaching team and answer correspondence in a timely manner, dues must remain current. No dues refunds as dues cover expenses of membership and are nonrefundable.

Your support team will assist with financial aid forms, career information, college profiles, financial aid, endowment scholarships, loans, grants and all other items listed in "Member Services". **A minimum of six (6) schools is required for best results and suggested financial strategies must be followed for a successful outcome.** Our services are funded for members, by members, we take no other funding. You choose the school that's best for you.

Annual dues are \$100 per year PLUS a one time FAMILY research fee of \$1400
