Colleges prefer you **DON'T KNOW** how to apply and succeed!

We have assisted thousands of students from Middle School through College Graduates fund their higher education over the past 4 decades by showing students and parents how to access some \$800 billion dollars colleges never tell you about. They simply offer loans having created nearly \$2 trillion dollars in student loan debt. Hundreds of billions have been given to colleges to help deserving students fund college.

We show you **HOW** to apply the **POWT** way, which gets results every time!

Schedule your **ZOOM** meeting **NOW!**

Billions go unclaimed because few know how to apply and succeed. We do! Both parents (if applicable) and the Student **MUST** attend Via **ZOOM** to receive our offer in writing. **You will receive our offer the next day...**

There are colleges both **public and private** who will provide substantial **endowment scholarships** to reward you for your good grades, test scores, community service and career objectives.
