We have assisted thousands of students from Middle School through College Graduates fund their higher education over the past 44 years by showing students and parents how to access some \$700 billion dollars colleges never tell you about. They simply offer loans having created nearly \$2 trillion dollars in student loan debt. Billions have been given to colleges to help deserving students fund college. These dollars go unclaimed simply because . . .

Colleges prefer you DON'T KNOW how to apply and succeed!

We show you HOW to apply the POWT way, which gets results every time!

Schedule your ZOOM meeting NOW!

Billions go unclaimed because few know how to apply and succeed. The Education Funding Foundation will show you how to do it! Both parents (if applicable) and the Student MUST attend Via ZOOM to receive a formal offer in writing.

You will receive a funding offer the next day . . .

There are colleges both **public and private** who will provide substantial **endowment scholarships** to reward you for your good grades, test scores, community service and career objectives.

Here is what you will receive too . . .

\$ 4. Over One Billion Dollars
