As a dual enrolled student at McQueen High and the University of Reno . . . receiving funding that I do not have to repay is important to me and my Family. Receive from \$40,000 to more than \$250,000 to help you attend schools of your choice without using loan funding that has to be repaid. Nothing to do with income or assets.

Click each of the buttons on this page to learn more and be certain to schedule a short Virtual Zoom meeting at button #3 to determine the amount of funding you may receive. These offers will be made in writing for schools you select to attend. Colleges prefer you don't learn about this resource and you will be surprised what you receive.

These ARE college endowment awards!

Endowment funding comes directly from the colleges and universities your student selects and we will guide you step by step exactly how to receive them from both **IN STATE and OUT OF STATE** from selected accredited public and private **Colleges and Universities.**

Colleges prefer you **DON'T KNOW** how to receive these funds!

We have assisted thousands of students from Middle School through College Graduates fund their higher education over the past 4 decades by showing students and parents how to access some \$839 billion dollars colleges rarely tell you about. They simply offer loans having created nearly \$2 trillion dollars in student loan debt. Hundreds of billions have been given to colleges to help deserving students fund college.

We show you **HOW** to apply the **POWT** way, which gets results every time!

 2. APPLY NOW

Billions go unclaimed because few know how to apply and succeed. We do! Both parents (if applicable) and the Student MUST attend Via ZOOM to receive our offer in writing.

You receive our formal offer within 48 hours.

Schedule your ZOOM meeting NOW!

 3. SCHEDULE NOW!

There are colleges both **public and private** who will offer you substantial **endowment scholarships** to reward you for your good grades, test scores, community service and career objectives.
