

Our Commitment of Member Services

The POWT Team will guide you with the following services for enrolled parents and students for the “one time” research fee of (\$1900) and one hundred dollar (\$100) annual Dues, which serves the entire family.

- "Blueprint for Success" guidebook - A step-by-step guide for success in college.
- Career Planning Information - Refines and narrows the student's career interest through research and analysis of potential occupations. A personal coach will guide you if you need career guidance.
- College Search guide - We contact colleges which match the student's personality, goals, and interests on your behalf with letters of request for admission and funding information.
- ACT/SAT Test Preparation - Acquaints the student with the "Achievement Tests" and supplies the means to analyze the student's strengths using diagnostic strategies.
- College Visitation Guide - Supplies a checklist for families and students during college visits. Helps prioritize colleges for your final choice. Six schools or more required for Promise of Value.
- College Admissions Guide - Allows the family to better organize a successful admissions campaign to achieve the students' goals at their colleges of choice. You choose the schools.
- The Expected Family Contribution (EFC) help – Helps reduce this number to the lowest level.
- Financial Aid Form Guide - Assists families with the completion of the Federal and institutional financial aid forms to help make certain they are correct, so students qualify for available aid.
- Negotiation Strategy Guide - Positions your student for the most financial aid through a series of highly effective strategies and techniques. Negotiation requires 6 or more schools to start.
- Supply Sources for Gap Funding - Qualified sources for funds, both federally sponsored and private, to fill the gap between what you get and what you need for successful college completion. We are NOT lenders but will refer you to authorized sources for Student Loans if needed.

Our Promise of Value Audio

If after completing all required forms, applications, and strategies outlined in our agreement you do not receive a value equal to 5 times our annual membership commitment, *per year (not loans)*, we will return all dues. 1. You must be accepted at 6 or more schools, 2. File the FAFSA and other required school applications with our guidance, and 3. Follow our recommended negotiation strategies.

Our agreement extends throughout your college career as a current member in good standing.

This membership agreement makes up the services supplied and is designed to meet the financial needs of the member through a combination of one or more of the specific sources and services listed. All strategies and techniques are the property of our organization on behalf of the members and intended for the sole use of the parties named on the face of this membership agreement. We are not in the business of giving legal or tax advice and will refer you to the proper professional as needed. The strategies suggested are based on information provided by the member, which is **confidential** in nature.

Promise is evaluated at 12 months or the start of student's first year of college, whichever is later and remain a member in good standing to receive services.

_____ Member confirms understanding of Promise of Value.
(required)

Your Commitment and Requirements

Student(s): _____ **Family Name:** _____ **Phone:** _____
Address: _____ **City:** _____ **State:** _____ **Zip:** _____

- 1) The student must be an enrolled student at a post-secondary institution of higher education that meets federal guidelines and qualifies to take part in federal programs including PELL and all Federal Higher Education Act programs. The student must be a U.S citizen or eligible non-citizen with required registration. Undocumented candidates are subject to the requirements of the schools selected.
- 2) Financial aid funding can only be used for the "Cost of Education" during the academic year. "Cost of Education" is decided by each college and includes tuition and fees, room and board, books, supplies, and an allowance for transportation and personal expenses.
- 3) The student must be enrolled at least halftime as a regular student and meet the Satisfactory Academic Standards set by the school. The student and parent must file all forms required by school, lender, or your coaching team and answer correspondence as asked, dues must remain current. No dues refunds as dues cover expenses of membership and are nonrefundable.

Your support team will help with financial aid forms, career information, college profiles, financial aid, endowment scholarships and awards, loans, grants, and all other items listed in "Member Services". **A minimum of six (6) schools is required for negotiations and suggested financial strategies must be followed for a successful outcome and to meet the "Promise of Value"**. Our services are funded for members, by members, we take no other funding. You choose the school that is best for you.
