

## Graha Shanti Services

These propitiatory astrological remedial measures can be performed for those persons who are under the prolonged and severe transit influence of functional malefic planets over their natal planets or rising sign degree by aspect or conjunction.

These graha-shanti services are based on "Bhoota Yagyam" – one of the 5 great Yagyas mentioned in the Vedic literature and Upanishads.

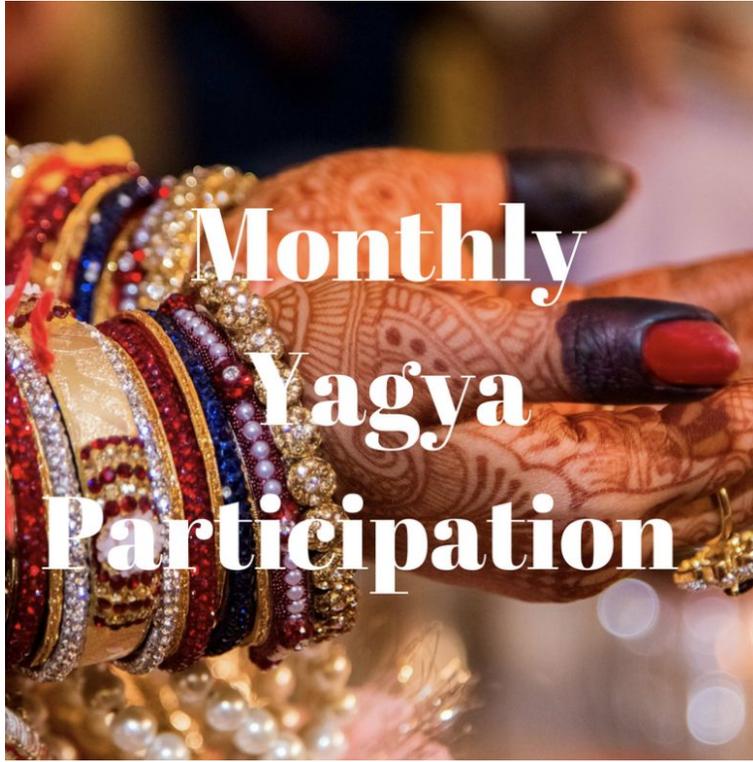

These services include morning prayers and daily charities, such as feeding cows, birds, stray dogs and afflicted persons.

The graha-shanti services start at the beginning of any month and run for 30 days at a time. You can order them any time for the following month, but please order them at least 3 days before the month you want to start.

There are 12 different sets of graha-shanti services that can be performed (one set for each rising sign) so please be sure to include your full name, date of birth, place of birth, and exact time of birth in an email to me after you have placed your order.

This service can be started from any day of the month and will continue for one month from the start date.

It is said that life is not a bed of roses. It is true for most human beings. We suddenly find some challenges in life when our life has been going smoothly. These sudden developments can be in the form of professional problems, illness, problems in relationships, conflicts, accidents, etc.

Inordinate delay in manifestation of various events in life, denials, serious setbacks of health, serious financial setbacks, litigation and persistent problems are caused by exact or very close unfavorable planetary influences caused by Rahu, Ketu or the most malefic planet in one's birth chart. These serious afflictions are caused by the functional malefic planets and are the results of our past deeds / karma.

The impact of severe afflictions manifest as sudden setbacks in life. This incident cannot be fully removed. With the help of special propitiatory remedies the impact of sudden mishaps can be mitigated or the chances of sudden mishaps can be reduced.

Those desirous of doing penance for one's past actions can do 1) continuous special propitiatory remedies for the afflicting planets 2) [Wear a Kavach to strengthen benefic planets](#)
