Water baptism is one of the most beautiful, significant, and life-defining moments in your journey as a Christ follower. This simple act of obedience has powerful supernatural significance.

Water baptism is a public declaration of our faith in Jesus Christ and the outward demonstration of the inward transformation that takes place when we receive Him as our Lord and Savior.

We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.
Romans 6:4 (NIV)

“I have accepted Jesus Christ as my personal Lord and Savior, and I believe by faith that I am born again by the power of God and according to the Scriptures. I desire to be obedient to the command of Jesus (Matthew 28:19) and be baptized in water in the name of the Father, Son, and Holy Spirit.”

“I believe that baptism by immersion is the accurate method of water baptism, and this ordinance represents burial and resurrection with Jesus Christ.”

“I understand that this baptism does not obligate me to become a member of Hillside Hope but is rather a vital step in my continual growth as a Christ follower.”
