Once upon a time there were 6 ninja doggies. They all had 2 powers. Stella's power was shape shift and electricity. Violet's was weather and happiness. Timothy's was jungle and rocks. Elijah's was strong and speed. Will's was fire and plants. And last but not least, Faith's was make things out of air and portals.

One day, on April 10, 2021, an alarm at their secret clubhouse rang. Stella went to check it. It said there was a robbery at Costco. They got their weapons and got to work. They flew to Costco as fast as they could. They said the bad thief. He was fast, but the ninja dogs were faster!

They ran as fast as they could and caught him!

Then Stella's power watch rang. RING RING!!! That meant he was caught!

Then it rang again. DING DING DING! That meant another bad guy, a really good one.

They flew there like a cheetah mixed with a lion. And in a minute they were there. But the bad guy named Stripes (a tiger), but his real name was Billy, knew their weakness... Belly rubs and chicken!

Once the dogs came, something bad happened. Once they got there, Stripes used chicken to lure them into his Raptor. Then he captured all of the ninja dogs! But they didn't notice until Stripes got them in a cage. Since chicken was their weakness their powers are weak. They couldn't use powers until they ate 3 plates of strawberries!

So Stripes put them all in his DUNGEON.

Stripes is a clever tiger, but the ninja dogs are cleverer! They sent Bun Bun to tell their plan B what happened. It took a while to get the message but it to to their plan B. Then they did something!

DON DON DON!!!

Ruth, Hanna, Maria, DP and Lewis all came! First Ruth pecked a small hole through the wall. Then DP and Lewis kicked a bigger hole. Next Maria crawled through. They all escaped. They were saved! Their plan B worked. All because of Bun Bun!
