

Spider Chloe

Spider CHLOE was the spider Woman in the state of New York. Everyone for 10,000 Miles around knew Spider Chloe and loved to tell and retell stories of her amazing feat.

Now one day spider Chloe went to visit Evil Penny. Evil Penny has been having big problems with EATING PEOPLES FOOD AND TAKES UP A LOT TIME IN THE BATHROOM! WAKES EVERYONE UP BECAUSE SHE GOING BE LATE TO SOMETHING OR GOES AND COMPLAIN TO POLICE MOM BECAUSE SOMEONE DID SOMETHING LITTLE AND IT ISN'T THAT BIG!!

Evil Penny explained her problem. That was all it took. Right away, so spider chloe goes and gets something that will prove to police MOM that Evil Penny is guilty. So Spider Chloe went to spy on evil penny's house and got inside and hid and wait!! Then after a few hours Penny came and sat down and watch TV, few minutes after she went and got in the shower and then spider chloe got a timer and Penny going in the bathroom and kepted the camera facing the door. Then spider chloe went and talked to penny's neighbors and recorded them and told them if she woke them up because she was running late and they all said YES MA'AM!! Then Spider Chloe left and went back and when she saw the timer it was almost 3 HOUR! Then evil penny got out and it was 3 HOURS and 40 MINUTES! Chloe needed one more thing, and so she left and she was walking around New York and saw Evil PENNY and she was eating people's food!

So then spider Chloe recorded it and showed it to Police MOM and Evil Penny was grounded for a long time! And back at it again SPIDER CHLOE saved the day again.
