

2021 Youth Art Exhibition

The annual **Youth Art Exhibition** celebrates young artists by giving them a chance to show their art in a public forum.

The exhibition invites artists as young as six years old to high school age, to submit artworks created from their own thoughts, feelings, observations, and experiences. A variety of media is displayed, including 2-dimensional and 3-dimensional ceramics, paintings, drawings, photography, mixed media, and digital art.

This year, **NFT Kids Magazine** and **METAVISION** have joined Give4Kidz to make the new Digital Art category possible. Kids will now be able to submit their digital artwork from all over the world!

One winner of each art category will be announced the day of the event. Follow us on **Facebook** and **Instagram** @give4kidz for live stream access and updates.
