October is Respect Life Month

RESPECT LIFE MONTH

Each October the Church in the United States celebrates *Respect Life Month*, and the first Sunday of October is observed as *Respect Life Sunday*. As Catholics, we are called to cherish, defend, and protect those who are most vulnerable, from the beginning of life to its end, and at every point in between. During the month of October, the Church asks us to reflect more deeply on the dignity and gift of every human life.

Pray the Respect Life Month Novena!

October 22-30, 2024

Join thousands of Catholics across the country praying for the protection of human life from conception to natural death.

Human life is sacred at every moment and in every circumstance. The vulnerability of new life, the frailties of old age, and the challenges we face in between never diminish our God-given dignity. The life each of us has been given is always worth living. It is a gift that we are called to cherish and protect because God has willed us to exist through His love. And the same is true for the lives of others. Understanding our own goodness and dignity helps us see the sacredness of every human person. In response, we are called to treat each person accordingly—to welcome, care for, protect, and defend the gift of every person's life from its very beginning to its natural end.
