**THANK YOU TO OUR
Religious Education Teachers
and Assistants**

A profound thank you to all the teachers who so generously volunteered their time and talent to the Religious Education Program. Their commitment is extraordinary as they graciously shared their Monday evenings to teach our children about our shared Catholic faith.

Our Religious Education teachers and assistants spend untold hours in preparation and teaching each week in order to pass on the Catholic faith to a new generation of believers, your children. We join with all of our parents in offering our collective appreciation.

St. John I, Pope and Martyr
Feast day May 18th

Pope John I inherited the Arian heresy, which denied the divinity of Christ. Italy had been ruled for 30 years by an emperor who espoused the heresy, though he treated the empire’s Catholics with toleration. His policy changed at about the time the young John was elected pope.

When the eastern emperor began imposing severe measures on the Arians of his area, the western emperor forced John to head a delegation to the East to soften the measures against the heretics. Little is known of the manner or outcome of the negotiations—designed to secure continued toleration of Catholics in the West.

On his way home, John was imprisoned at Ravenna because the emperor had begun to suspect that John’s friendship with his eastern rival might lead to a conspiracy against his throne. Shortly after his imprisonment, John died, apparently from the treatment he received in prison.

John’s body was transported to Rome and he was buried in the Basilica of St. Peter.
