

Pelican Marsh Elementary PTO Spring Walk-A-Thon Fundraiser

March 25, 2022

Get excited! On Friday, March 25th, we will host our annual Pelican Marsh Elementary Walk-A-Thon for PME students. During their regularly scheduled related arts time, all students will participate* in this year's Olympic themed event by walking around the course, listening to music, and enjoying a day of school spirit.

This event is our annual fundraiser which raises money for the school, including classroom activities and supplies, technology, books, and other resources. Last year the event raised over \$34,000. The funds were divvied up evenly between grade levels and used to fulfill team needs. We are hoping for another year of successful Walk-A-Thon fundraising!

Students may begin their fundraising starting now! Student prizes for this year's Walk-A-Thon are outlined on the back of this letter. You will also be receiving your student's pledge form and envelope to collect and keep track of their donations. **The pledge form and all cash/check donations must be returned to school by the day of the PME Walk-A-Thon on Friday, March 25, 2022.** We are excited to offer the opportunity again for online donations through our PTO website.

**The Walk-A-Thon event and any classroom or school-wide goal celebrations are open to all students regardless of fundraising participation.*

Next Steps:

1. Ensure your student's name, grade, & teacher are written clearly on their pledge form.
2. Spread the word about the fundraiser and share the online donation link with family and friends: www.pelicanmarshpto.com
3. Keep track of donations on the pledge form. *Checks can be made out to PME PTO.*
4. Document the total amount of donations collected at the bottom of the pledge form. If your student raises more than \$100 to earn a pair of sports socks, please indicate their shoe size in the designated area.
5. Return the pledge form and envelope with all donations by Friday, March 25th.
6. Have fun raising money for PME and get excited about our 2022 Olympic Walk-A-Thon!

Questions: pmepto@gmail.com
Prizes will be provided in April.
