Pelican Marsh Elementary 4th Annual Book Drive October 21-November 1, 2024

Books let us believe that anything is possible. But there are many children right here in SW Florida who do not have access to reading materials. That is why we are so excited for the 4th Annual Pelican Marsh Elementary Book Drive. These books will be distributed to the underserved children in SW Florida through our non-profit partners. And you can help! Please bring in new or gently used children's books for newborn to young adult. Drop boxes will be located in the front office and media center. Visit our website to learn more about us.
