"We believe it is incredibly important we let you know
how we have used your generosity during the 2020
election cycle. We will present a briefing that discusses
how we used funds in 2020 and then show you the
incredible impact your generosity and our hard work
had on the November 2020 election.

We will hear from some local candidates about their
experience in working with us to get them elected.

We will also hear from our newly elected
State Party Chairman, Mr. Paul Farrow on his vision
moving Wisconsin "FORWARD" into the 2022
election cycle and beyond.

God bless you all and we look forward to
your continued support.
