WE ARE HISPANIC CONSERVATIVES!

MUCH OF WHAT WE HEAR AND BELIEVE AS A HISPANIC COMMUNITY IS INFLUENCED BY THE MEDIA. IN TODAY'S WORLD, THIS MEDIA CAN SOMETIMES BE ONE SIDED AND UNTRUE.

Most of us, as Hispanics, believe in conservatives values. Often, however, a single issue may make us swing to the left. This newsletter is an informational guide to help us, as a community, make informed decisions when we vote.

Here are three important values most of us hold:

1

PRO-LIFE

We believe that life begins in the womb at the moment of conception.

We must value all life!

2

RELIGIOUS FREEDOM

Whether Catholic, Protestant or other religious belief, you should not have fear to express it.

3

AMERICAN CAPITALISM

American Capitalism and our Liberty go hand in hand producing record job growth and opportunities for all!

We are the DIFFERENCE!
