**Biden Lead =  
 11,779 votes  
 (.238%)**

## VOTER FRAUD <sup>(1)</sup>

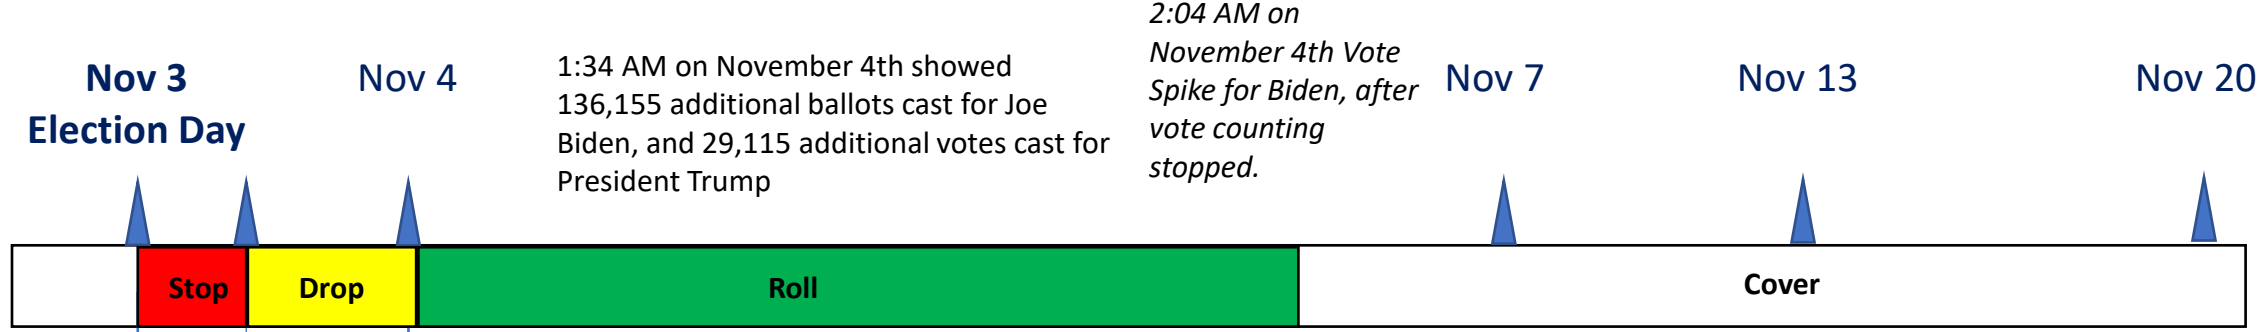

- 17,650 votes were switched from Trump to Biden
- 2,560 felons illegally voted
- 66,247 people under the age of 18 voted
- 2,423 people weren't registered to vote
- 4,926 people voted but registered after the deadline
- 10,315 dead people voted
- 395 people also cast ballots in other states
- 1,043 votes were from addresses of a post office. Not a legal address.
- Total of 364,000 questionable votes due to incorrect residency
  - 138,221 voters in Georgia had filed a National Change of Address form. 15,700 people show up in the national change of address database as moving. 40,279 people confirmed moved. Failed to re-register. 16,264 additional votes for Biden due to unconventional low rejection rate of absentee ballots.
- 305,701 absentee ballots applied for after the deadline
- Absentee ballot reject rate drops from 3% (2016) and 3.5% (2018) drops to 0.34% despite increased use of absentee ballots. This accounts for 38,250-45,600 ballots that should have been rejected.
- 92 mail in ballots cast before voters requested them
- 217 voters mail in ballots were applied for, issued & received all in the same day

*(1) Documented from signed legal affidavit, state legislature hearing and U.S. Senate hearing testimony.*

## ANOMOLIES, INDICATORS AND NOTES

- 100+ affidavits from people that saw voter fraud
- More than 300,000 individuals were permitted to vote who had applied for an absentee ballot more than 180 days prior to the Election Day. This is a clear violation of state law.
- President ballots only with no down ballot votes: Trump=818 and Biden=95,801
- Ballots that also voted for other races: Trump= 2,456,915 and Biden= 2,376,081.
- GA, Fulton County (Atlanta) was stopped for 3 hours due to "water main" break. No invoices or work orders were filed.
- Three counties have now found memory cards with Trump votes note counted. Trump leading 57% to Biden 42%. For the next 53 batches each had exactly 50.05% to 49.95% ratio (Impossible).
- More votes counted than registered voters.
- 23,487 votes dropped at 12:18 AM, Nov 4<sup>th</sup> – 97.9779% were for Biden (statistically impossible)
- Fulton Co, GA 10:30 pm stopped counting/put everyone outside. Ballots still counted to 1:00 AM. 1:34 AM voter spike for Biden. Two hours of no vote counting.
- The natural gas was deliberately turned off in the GA counting center making it very cold for poll watchers.
- 11/23 Election official fired for failing to follow protocol. Dekalb county, 2<sup>nd</sup> infraction in a day. Discovered 59 ballots that were never counted. Audit found 2600 previously uncounted ballots. (Robert Brady asked to resign)
