

Have you bought your ticket to Tellabration! on Nov. 19th?

We had a great audience last year and hope you will be among us this year. Delightful performing members Tama Lunceford, Jim Priesmeyer, and Betty Ann Polaha will regale us with stories.

As a special treat, Jonesborough's own Barbara McBride Smith will be our guest featured teller. If you haven't heard Barbara, don't miss this NSN Circle of Excellence winner and National Storytelling Festival headliner for 14 years!

On this weekend, guilds and storytelling enthusiasts from more than 400 sites in Europe, Asia, United Kingdom, and the United States will host concerts celebrating the art of story. The movement began in 1988 with teller J.G. "Paw-paw" Pinkerton with the intent to bring together people across the world to embrace the universality of storytelling, allowing this common ground to draw them closer together in friendship and peace.
