A Word From Tab

Colossians 3:17 And whatever you do, in word or in deed, do everything in the name of Jesus, giving thanks to God the Father through Him!

What does this look like, sound like, feel like, be like?
God created you and me uniquely to live out this verse.

For me, it is a mindset - that this next 10 seconds I am going to speak or act as Jesus would speak or act, Which is what? Always, Always and more Always...Glorifying God!

Now as my day progresses I add up those 10 seconds and celebrate what He has done through my words and my deeds and give thanks for the breath He has given me to live this out. I grow through the times I have not been Jesus and I press on - loving being loved by the Father!

What does your next 10 seconds sound like or act like?
