A Word From Tab

I remember the blizzard of 78 - it was a blast for a 10 year old who got out of school for 3 weeks to play outside in the snow!

I remember a few years later hearing how hard it was on adults as they had to deal with all the snow and loss of animal lives and peoples lives.

I hear the students all excited about the upcoming storm and no school and playing in the snow.

In the midst of joy is pain, in the midst of pain is joy. The only way through it all - is JESUS. May you be encouraged to know He adores you and He is the only one you can turn to for all things. Rest in Him!

I love you all
