A Word From Tab

I was having a conversation the other day and in the midst of the conversation about the state of the church, Christianity, life in general, I came to a realization that it really is about 1 of 2 things:

1. Pursuing God

or

2. Pursuing to be God

To Pursue God is to run to Him, look to Him, trust Him, be all in for Him. When we do - life does not get easier, it is, and it leads to Life.

To Pursue to be God is to run for us, look to us, trust us, be all in for me. When we do - life does not get easier, it is, and it leads to Death.
