APPLICATION TO ADOPT A DOG

Thank you for considering adopting a homeless pet through Broken Arrow German Shepherd Rescue Ranch. Please print and fill out the application and mail it to us, email it, or call us and we can meet you to pick it up.

This information is important to help us find the perfect dog for you. Please be aware multiple applications may be received for the same dog. The Adoption Team will review all applications and make a decision based on the best match for you and the dog.

All animals are required to be spayed/neutered, vaccinated and microchipped. The adoption fee goes to help defray these costs. If for some reason they are not altered at the time of the adoption, you will have 30 days to provide proof from the veterinarian that they have been spayed/neutered.
