FAE Mower Fuel SOP, please fill mower and gas can after mowing.

The club's mower needs **ethanol free fuel** to avoid issues with car. **Casey's, 2133 N. Kansas Ave has premium 91 ethanol free**

Note: any pump that has a single hose for the pump will have up to ½ gallon of whatever was pumped last in the hose. please select the ethanol free gas, then put at least ½ gallon in your vehicle before filling gas can. For safety, have the gas can sitting on the ground, not the trailer when filling.
