Sharon, Bobs wife, will have a service in the spring and scatter his ashes over the runway

After 4 years of dedicated service to maintaining our field, Rich has resigned from being the field manager. Many people in the club helped him out especially Dave Judd. This is a vital position in our club. Please consider your ability to fill this position and there are many members who would be willing to help out. Thanks, Greg

Dee and Mee's new store is at 2254 SW 10th Ave.

Please support them.

FAE Mower Fuel SOP, please fill mower and gas can after mowing. The club's riding mower needs to have **ethanol free fuel** to avoid issues with carburetor This fuel is only available at a few gas stations. It doesn't have to be premium, but sometimes that is all that is offered in ethanol free. Partial List of locations offering ethanol free(pure gas).

Casey's, 2133 N. Kansas Ave, they have 87, 89, 91 ethanol free

Note: any pump that has a single hose for the pump will have up to ½ gallon of whatever was pumped last in the hose.

please select the ethanol free gas, then put at least ½ gallon in your vehicle before filling gas can. For safety, have the gas can sitting on the ground, not the trailer when filling.
