The city has requested that we lock the gate behind us as we come in.

Huge thanks to Mike Johnson.

He has agreed to be the new field manager. He has a full time job so he will need lots of help.

Let's support him to keep our field looking great.

Dee and Mee's new store is at 2254 SW 10th Ave.

Please support them.

FAE Mower Fuel SOP, please fill mower and gas can after mowing.

The club's mower needs **ethanol free fuel** to avoid issues with car. **Casey's, 2133 N. Kansas Ave has premium 91 ethanol free**

Note: any pump that has a single hose for the pump will have up to ½ gallon of whatever was pumped last in the hose.

please select the ethanol free gas, then put at least ½ gallon in your vehicle before filling gas can.

For safety, have the gas can

sitting on the ground, not the trailer when filling.
