Sat October 14 FAE Fly in, rain date Sun Oct 15

The club needs a field maintenance director. As Greg has been doing this for the last 18 years it's time for him to take a break. He would be available for consultation. This

person would not need to do the actual work, There are members who are willing to help out. Basic duties are forming a mowing list, alerting members to work days and coordinating the needs of our Bermuda. please contact our president Dave for more information.
(785) 506-1322 speedbird309@gmail.com

Indoor flying at Crestview, every Thurs 10:30-noon, open to all

Events (at bottom of email)

Events highlited are our outreach event's, a great way to help our club grow!

Even if you don't fly please show up as these clubs support our event. Thanks, Greg.

Please note, if you can't mow it is your responsibility to contact another member, alternates are below.

Thanks all who donated time or money to keeping our field in beautiful shape.

Mower is at my house Please contact me b4 pu so I can unlock gate and show you how it works, Thx, Greg 785 215 7009

FAE Mower Fuel SOP, please fill mower and gas can after mowing

The club's riding mower needs to have **ethanol free fuel** to avoid issues with carburetor This fuel is only available at a few gas stations.

It doesn't have to be premium, but sometimes that is all that is offered in ethanol free. Partial List of locations offering ethanol free (pure gas).

1. 91 octane: All BP stations have ethanol-free 91 octane.
2. 91 Darrell's Service (Shell) 4300 SW 21st St
3. 87, 91 Hy-Vee 2951 SW Wanamaker
4. 91 Petro-Deli 3603 NW 46th St

Note: any pump that has a single hose for the pump will have up to ½ gallon of whatever was pumped last in the hose.

please select the ethanol free gas, then put at least ½ gallon in your vehicle before filling gas can.

For safety, have the gas can

sitting on the ground, not the trailer when filling. Box on trailer contains tire pump, pressure gauge and tire repair kit

FAE meetings now at Library
