**Thanks all who donated time or money to keeping our field in beautiful shape**

**FAE Mower Fuel SOP, please fill mower and gas can after mowing**

The club's riding mower needs to have **ethanol free fuel** to avoid issues with carburetor This fuel is only available at a few gas stations. It doesn't have to be premium, but sometimes that is all that is offered in ethanol free. Partial List of locations offering ethanol free (pure gas).

1. 91 octane: All BP stations have ethanol-free 91 octane.
2. 91 Darrell's Service (Shell) 4300 SW 21st St

3. 87, 91 Hy-Vee 2951 SW Wanamaker
4. 91 Petro-Deli 3603 NW 46th St
5. Casey's, 2133 N. Kansas Ave, they have 87, 89, 91 ethanol free

**Note:** any pump that has a single hose for the pump will have up to ½ gallon of whatever was pumped last in the hose.

please select the ethanol free gas, then put at least ½ gallon in your vehicle before filling gas can.

For safety, have the gas can

sitting on the ground, not the trailer when filling. Box on trailer contains tire pump, pressure gauge and tire repair kit

**Events** Events highlighted are our outreach event's, a great way to help our club grow!

**Even if you don't fly please show up as these clubs support our event. Thanks, Greg.**
