Cheetah Math

September

Parents: You may read the problem to your child and demonstrate a similar problem, but he/she should work the problem on their own. Please encourage independent thinking and problem solving.

Scoring: 40 paw prints total. Two for Full Name, Two for Teacher's Last Name and 36 for problems. Paw values are printed before each problem. Every problem varies, so read each carefully! Worksheets are to be turned into the Cheetah Math box anytime this month before 3p on the due date listed.

Skills: Following directions, coloring, counting., introduction to basic shapes
