Hand Stitched Thread on Hand Painted Textile
****Available for Purchase - \$6,775****

This is the second completed piece painted with dye and then densely hand stitched to add visual and physical texture to the textile artwork. The hand quilted design weaves and swirls in different directions across the fabric giving it movement and a sense of flow. As with most of my current work, it is specifically designed to hang in either a vertical or horizontal orientation which gives the artwork a completely different appearance each time its orientation is changed.
