

Art Deco #1 (30" x 27" / 76 x 68.5cm)
(c) 2008-2009 Jean M. Judd/Artists Rights Society (ARS) New York
Hand Stitched Thread on Textile
****Available for Purchase – \$4,850****

This piece is part of a new series of art quilts based on the art deco influence from 1910 to 1939. Commercial fabrics and batiks are used to create the art deco design in this quilt. The design is carried out to the edges of the piece from the center design with dense hand stitching imitating the constructed design. A very tactile art work; art collectors want to touch and feel when they view it.
