Hand Stitched Thread on Commercial Textile
****Sold on Commission (USA) ****
Budget: \$35,500

This art quilt commission was initiated April 5, 2010 and completed January 10, 2014. It is based on the Wyoming Valley block from the 1930s. The client requested a farm fabric and a corn fabric as he had grown up on a crop farm. The rest was left up to me as the designer. This piece took over 1,217 hours to complete over the four-year period. Rarely is a single commission piece the only artwork under construction in my studio. Commissions overlap as well as new artwork needed for exhibitions.
