Budget: \$750

This art quilt is made using the leftover pieces from *Art Deco #1*. The strips were sewed together into a pieced unit, cut back apart improvisational on a diagonal line, and another narrow strip of either white or peach was added in. It is densely hand quilted with tiny stitches alternating direction in each small division. The wide binding is made from hand dyed fabrics created by the artist. It blends perfectly with the commercial fabrics in the body of the piece.
