Nov. 11: Lavinia Nesmith Performs at Café AIM

by Grace C. Cooper

Arts In Motion (AIM) celebrates Veteran's Day, Friday, Nov. 11, with its usual jazz concert presentation. This time around, Café AIM's artist is Lavinia Nesmith, whom Leisure World has welcomed before.

On the second Friday of each month, the Crystal Ballroom in Clubhouse I transforms into a jazz club, Café AIM, from 5-8 p.m. Tables are arranged around the room and delicious snacks are served for attendees from 5-6 p.m. Then lights are dimmed for the audience, lights are raised on the performers, and the performance begins.

Many Veteran's Day activities will take place in Leisure World, and for jazz lovers the destination will be Café AIM. Those who saw Nesmith perform at Leisure World some time ago eagerly await her return performance.

Flyers about the concert are posted on the bulletin boards in each clubhouse as well as on other bulletin boards in some members' buildings. Also, flyers are available on the small table in the Lifestyle office in Clubhouse I until all are gone.

Tickets are \$35 (checks only, payable to AIM), and are avail-

able at the Clubhouse I Lifestyle office after the preceding concert until sold out. AIM members may reserve a table for eight to 10 people. Open tables are available for others who attend.

As at all AIM concerts, doors open at 4:30 p.m. AIM members take tickets at the door and show attendees to their seats.

Full COVID-19 vaccination is required. Bring your vaccination record card to the concert. Masks are optional unless Montgomery County changes its requirements. Come and enjoy a delightful evening.

Nov. 11: Honoring Veterans and Thanking Residents

by Paul Eisenhaur

With the Leisure World Lifestyle Department, the Foundation of Leisure World has arranged a salute to all U.S. service veterans with a patriotic musical performance on Veterans Day, Friday, Nov. 11.

Come out to honor and thank those residents who've given their service in various military branches during wartime and peacetime, protecting this country and its people.

A musical trio performs two shows, one from 1-2 p.m. and the other from 2:30-3:30 p.m., in the Clubhouse II Auditorium. After each performance, refreshments will be available in the adjacent Norbeck Room. The performance is free, but registration is required and available at both clubhouse Lifestyle offices.

The trio includes Marty Nau, saxophone, clarinet and leader; Robert Redd, piano; and Tommy Cecil, bass. The performances include songs from the

great American songbook, such as "America the Beautiful," and conclude with a salute to each branch of the military (Army, Navy, Air Force, Marines and Coast Guard).

In the past, the Foundation of Leisure World has honored veterans with a special luncheon, but that is on pause. The musical presentation is another way to show appreciation.

Piano Unveiling

On a different note, the Foundation thanks all residents who came to and supported the October unveiling of the baby grand piano the Foundation donated to the Lifestyle

Department for use in Ballroom activities.

It was a fantastic event that fulfilled the Foundation's mission of improving the quality of life for all those in the community. It was a high-profile effort, but many residents also engage in unseen efforts. Leisure World donors are

the reason the Foundation can fulfill its mission.

Nov. 18: Enjoy Happy Hour in the Ballroom

"DJ Bob" (general manager Bob Kimble) spins the tunes at a happy hour event on Friday, Nov. 18, from 5-7 p.m. in the Clubhouse I Crystal Ballroom.

The event is free, and all residents are invited; no ticket or registration required. Beer, wine (\$5) and soft drinks (\$1) will be available for purchase in the ballroom; free bottled water will also be available. Please bring exact cash only to purchase beverages.
