

Join us Thursday, January 18th to talk about
the Bio-Agtive Emissions Farming method!

BIO-AGTIVE™
EMISSIONS FARMING

Come and share your seeding 2024 plans with us?

ZOOM MEET-UP INVITATION

January 18th, 2023 - 09:00 AM
Alberta Time Zone

LET'S TALK ABOUT...

seeding rates and why they matter in this new Bio-Agtive approach to farming. We'll also run over the next steps in your farm plan 2024!

Join the Meeting

Meeting ID: **873 244 6744**

Call the Zoom host if trouble connecting at 778 266 0450

Any soil, any crop, any equipment - join us in our collaborative quest to change agriculture
and rapidly restore farm profitability.

These Thursday meet-ups are open to anyone who would like to discover more about the Bio-Agtive
technology and learn from other farmers who are working with the method on their farms.
