

**1. CALL TO ORDER (President) 9:44 AM**

**2. QUORUM:** Council Secretary confirmed we have a quorum with 77 of approximately 559 voting members present. A quorum is 10% per the constitution.

**3. PRESIDENTS REPORT / STATE OF THE CHURCH: (Jeff Robinson – President):** Covid has continued to be a challenge, especially lately, but we have found a way through it. Giving is down a bit, but that is usually expected in the summer months as people travel. We have had additional expenses such as additional health insurance costs and general church operating expenses. Overall, we are doing alright. A lot of the reason for the stability is related to the Ministry Center sale. Paul, our CBA, did a lot of work with that sale, and The Council recently awarded Paul a bonus for his efforts. The Preschool and Daycare are doing well. The Council recently got to visit the Daycare during a retirement party. A teacher there was retiring after 18 years, and was awarded a retirement bonus based upon her years of service, funded through a special grant. Coming up, the church sign is being moved and refurbished. The roof repairs have been held off as roofing costs are elevated due to the pandemic. The floors in the fellowship hall is also coming up. Family Kitchen got a significant grant from the Rotary Club. They are going to purchase a large freezer. To make room, we will be looking into installing cabinets for them in the fellowship hall so the freezer can be placed in the kitchen. Goats will soon be returning to the retention pond.

**4. ELECTION OF COUNCIL MEMBERS: (Jeff Robinson – President):** Julie Powelson, Chis Billings, Steve Atkinson, Casey Nelson, and Sonja Miller are completing their terms – thanks to all for their service. Michelle Sharp, Mark Hammersberg, Doug Jones, Scott McDougall, and Andrew Wilmarth have been nominated as new council members. Ryan Sjoberg will continue in his two-year term, which is slightly off normal schedule due to the Pandemic. A call was made for any additional volunteers, and none came forward.

**Diane DeMulling motioned to accept the nominations to The Council, Sonja Miller seconded. The motion passed by majority vote.**

**9. ADJOURNMENT: (Jeff Robinson – President) 10:41 AM**
