

VICTORIOUS WARRIOR DECEMBER CONFERENCES

Praise the Lord, for He is wonderful and marvelous in all He has done. This December has truly been a month filled with extraordinary blessings and opportunities, a testament to God's unfailing love and provision. We have been deeply privileged to carry out His mission by preaching the gospel to young people, reaching approximately 280 youths across three different locations, spreading the message of hope, salvation, and eternal life in Christ. At three December conferences, we witnessed a powerful move of God. Many young people opened their hearts to Him, making the life-changing decision to pledge their allegiance to Christ.

In addition to this incredible response from the youth, we also experienced a breakthrough with leaders from various regions. They wholeheartedly embraced our Victorious Warrior program, which is specifically designed to teach, equip, and empower young people to stand boldly in their faith in Jesus Christ and live with purpose.

HOMABAY CONFERENCE

Homabay Kids Session

From December 3-6, we held a gathering in Homabay. During this four-day event, 60 young people came together, eager to learn, grow, and deepen their faith in Christ. Many young people in this area were reluctant, some were backslidden from faith, and others were not committed to God or to church. In those three days of worship, teaching, prayer, and learning from Victorious Warrior (VW) book, we saw many hearts were softened and they turned back to God and rededicated their life to Christ and had a new commitment to serve God and the local church.

MTWAPA CONFERENCE

On December 10, we hosted a conference in Mtwapa, attended by 100 youths. The day was filled with impactful moments of worship, teaching, and fellowship. This seminar was to revive the youths in the area, where many are affected by alcohol and drugs. After the teachings, leaders from the area requested we start a VW class in their area in order to meet more young people from the place.

THIKA CONFERENCE

From December 18-22, we held a conference in Thika, bringing together 110 youths between the ages of 12 and 20. The five-day event was marked by powerful worship sessions, thought-provoking teachings, and dynamic interactions designed to strengthen the youths' faith and equip them for a Christ-centered life. The energy and enthusiasm of the young participants were incredible, as they eagerly embraced the opportunity to grow spiritually and build meaningful connections with one another. Many youths made commitments to deepen their walk with Christ, and their passion for God was evident. The sessions also provided practical guidance on living boldly for Christ in their daily lives, preparing them to be ambassadors of faith in their communities.
