

6 • Your Code of Conduct

Supplemental Materials:

Club Patch: Crafts Project

Design and create a patch that all the members of your group can sew onto a hat, vest, backpack, or shirt as a way of creating unity and taking pride in your group. You may wish to use the emblem of the Victorious Warrior, which is included below. You may print it out and use it as a model. This emblem shows a compass to represent the moral compass God placed within each of us that helps us aim toward the good, a sword to represent the Word of God that guides our lives, and the crown to represent the Victorious Warrior, Jesus Himself.

Why?: Discussion Project

Discuss why *truth* is important to a warrior's mindset. Discuss why *excellence* is important to a warrior's mindset. Discuss why *service* is important to a warrior's mindset. What is one small thing that each member of the group can do to start utilizing their code today?
