IS NOT BIBLICAL

The idea started in America when a woman called Anna Jarvis held a small memorial service for her own mother

on 12 May 1907. Soon after, most places in America were observing the day and in 1914, the US president made it a national holiday, celebrated on the second Sunday of May.

Every one loves their "Mother" even the law teaches us in **Exodus 20:12: "Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee."** However man has established his own day of reverence to honor "Mothers". This is not scriptural to do but is based on Satanic; idolatrous principles. Although early Mother's Day celebrations were nothing like the observance of Mother's Day today, the true essence and origin is the same today.

History proves that the tradition of honoring mothers dates back to ancient cultures including Greece and Rome. In both cultures, mother goddesses were worshipped during the springtime with religious festivals. The ancient Greeks paid tribute to the powerful titan Rhea, the wife of Cronus, known as the "Mother of the Gods". Similarly, evidence of a three-day Roman festival in Mid-March called Hilaria, to honor the Roman goddess Magna Mater, or Great Mother, dates back to 250 B.C. A temple on the Palatine hill in Rome was built in honor of the Great Mother, where people would come bearing gifts to offer her and cakes.

## "WE ARE THE ISRAELITES!!!"

The Israelites are a holy, set apart people to the LORD (our) God (Deuteronomy 7:6). He does not want us following the heathens. We shall not observe times according to Leviticus 19:26). We can't let our enemies lead us. We are the Israelites. The Heavenly Father YHWH gives us, the so called (blacks, hispanics, and native americans) our celebrations.

All the godlike qualities and the title of Queen were later attributed to "Mary the mother of god, the queen of heaven" by the Catholic Church. As Christianity spread throughout Europe, the celebration of the "Mother Church" / "Roman Catholic Church" replaced the pagan tradition of honoring mythological goddesses and was replaced by honoring Mary. Since people believed the Mother Church/ Catholic Church was the spiritual power that gave them life and protected them from harm, it was customary to bring gifts to the church where one was baptized in celebration of Mary the mother of god, the queen of heaven.
