Hey! My name is Leslie Rodriguez, and I am very passionate about languages. Spanish is my first language but I have been learning about different languages since I was 13 years old. I know some Italian, Chinese and now I'm in the process of learning some French. I'm joining this program because it makes me very happy that there are people out there willing to help out others and help them achieve the opportunity to learn English. I believe that this organization can have an impact on people and their lives.
