Hello, my name is Ryan. I enjoy spending time in the outdoors and learning languages. I would describe myself as a calm and patient person who is determined. I want to do ESL because I love helping other people. I know what it is like to learn another language; it is not easy. I know how frustrating it can be to not be able to fully communicate your thoughts because of limited language ability which is why I am determined to help. Language is one of the most important aspects in our daily lives, so I would be more than glad to assist people in learning English.
