Chairman Statement

You can dream, create, design, and build the most wonderful place in the world. But it requires people to make the dream a reality.

MMBC was created from a blend of numerous ideas, infused with immense passion and a timely opportunity. Our goal in establishing MMBC was to develop an organization autonomous in every facet of engineering.

We will chase our vision and mission with the distinct passion, innovative ambition, and integrity that have consistently been the foundations of our efforts.

During our two decades in the industry, I want to express my gratitude to the leaders of the U.A.E. for establishing outstanding infrastructure that created many opportunities. Their vision and support have played a vital role in the UAE Market and we will remain proceed forward. Our capability is built on our strong legacy, which includes almost 20 years of operation in Dubai.

MMBC offers clients an end-to-end solution for all their construction and development needs.

Anil Babu. K
Chairman

MAJESTIC MOUNTAINS

BUILDING CONTRACTING LLC

We Provide construction solutions to exceed our clients' expectations for quality, safety, functionality, and aesthetics.

MAJESTIC MOUNTAINS
BUILDING CONTRACTING LLC

We provide a comprehensive range of services based on our clients' specific needs using our extensive knowledge of Engineering and Construction.

MAJESTIC MOUNTAINS
BUILDING CONTRACTING LLC

Your vision is our command. We merge deep engineering and construction knowledge with a relentless commitment to precision

MAJESTIC MOUNTAINS
BUILDING CONTRACTING LLC

We leverage our extensive knowledge of Engineering and Construction to provide customized services based on our clients' needs.

MAJESTIC MOUNTAINS

BUILDING CONTRACTING LLC

We construct cost effective and time effective structures. Each comes with a set of requirements and expectations and no matter what size it may, we treat all of them with the same level of passion and commitment empowering the around clock production.

Our Values

It is essential that we operate in a manner consistent with our values, in compliance with our ethical principles, and the law. Five basic core values guide our behaviour in all aspects of our business activity throughout the United Arab Emirates.

1

Transparency

Our actions must match our words. Each day we must strive to earn our reputation rather than simply manage it.

2

Leadership

every employee is expected to give the best of themselves, to strive constantly for quality and to demonstrate the highest level of professionalism and to lead by example.

3

Integrity

Our business conduct will include the highest level of honesty, ethics, and moral correctness.

4

Trust

Relations within the company are based on trust, which is the cornerstone of autonomy, frankness and authenticity.

5

Safety

We plan safety into every aspect of our work and do not deviate from that plan striving for zero incidents.

Over 70
Projects Completed

We aim to be the leading
contractor in the United Arab
Emirates for our values

Our Services

Our high level of professionalism, integrity and innovation has given us an advantage over our competitors in this sector today and to our credit, we have successfully completed numerous construction projects for our customers.

COMPLETE CONSTRUCTION SOLUTION

G+12 Certified main contractor in Dubai, UAE. We provide a complete construction service for residential, commercial and industrial projects. As well as, Obtaining the building completion certificate from any authority in Dubai.

MECHANICAL, ELECTRICAL & PLUMBING (MEP)

We provide a complete construction service, for all MEP works including maintenance. We have a specialized department of expert MEP engineers, dedicated to provide the optimum MEP quality.

PROJECT MANAGEMENT & VALUE ENGINEERING

Led by our experts, MMBC offers industry-leading project management and value engineering services to increase the efficiency, and value of the project, reducing the unnecessary costs for an optimum project or development.

FURNITURE, FITOUT & LANDSCAPE

We provide positive solutions for today and tomorrow's built environment. We construct and maintain luxury interior fit-out, and external landscaping for any complex design, to turn your vision into reality.

PROCUREMENT & INSTALLATION

Our procurement and installation technology is completely advanced in terms of equipment and design.

Our growth has been based on maintaining relationships with our clients across a broad range of industries.

Environmental & Safety Policy

Our goal is to be a leader in environmental practices by emphasizing innovative and creative solutions, and continually improving our environmental performance. MMBC considers the safety of its employees and the general public to be its number one priority.

Our Environmental Policy

It is the policy of MMBC to follow relevant standards, good engineering practices and risk management principles to ensure the Company's environmental protection activities are conducted responsibly. Ensuring adequate resources are available to comply with this policy. We conserve company and natural resources by careful management of emissions and discharges, and by minimizing waste generation. We require that all employees are held responsible for compliance with all policies, procedures, practices and laws applicable to their duties.

Our Safety Policy

The ultimate goal is to provide a healthy and safe environment free of accidents or injuries. The responsibility for safety extends from top management to trade workers and includes everyone in between. We work diligently to observe all the applicable Authority requirements, and to be guided by good practice as necessary for each specific location and circumstance.

Management Team

MMBC is managed by professional engineers with over 70 years of combined experience in various construction sectors to deliver the optimum development projects to our clients.
