

To the Southwest Ohio School Districts,

We are The Education Report. We are everywhere.

Allow us to highlight your mistakes and the coming events that you have yet to see, that will inevitably occur.

NO ONE should have ever worn a mask. NO ONE should have ever received a shot of any kind. The results are in, and the research is conclusive. Blood is now on your hands.

No staff members, nor students, should EVER take the COVID-19 shots. They are deadly, less than 1% effective, and the only people entering hospitals right now, and in the future, are and will be the ones who have received the shots.

All of your employees and students, who still attend your school districts, will begin to drop dead and become deathly ill in the coming months, in particular when the cold and flu seasons return.

The shots that people have received are not “vaccines.” They are not “vaccines” by legal or medical definition. They are mRNA experimental shots. The FDA and non-FDA approved shots are exactly the same. They are all poisonous. That makes you the experiment. You have in fact effectively injected yourself with the equivalent of HIV (Human Immunodeficiency Virus). Anyone who has taken the shots have a 100% compromised immune system. You can no longer reproduce, breastfeed, donate blood, donate bone marrow, nor donate organs, even to your own family members. Doing so would spread the spiked proteins to the “unjabbed” person and harm them, if not kill them. Just like HIV.

If you have taken the COVID shots, and you take the flu shot in the future, or booster shots from similar COVID shot companies in the future, you will become deathly ill and most likely die. These shots are designed to kill those who have taken the previous shots. This is not conjecture. The “jabbed” are also making the “unjabbed,” sick; simply by being around them. This, too, is not conjecture. This transmission of the spiked proteins is documented fact.

The shots do not contain a coronavirus strain, because they have never isolated one before in order to replicate it and then mass produce it in the form of an immune-recognizing “vaccine.” They all admit this too; the CDC and the shot companies. It’s in Pfizer’s own paperwork. In fact, Pfizer has now admitted, as have the other shot companies, that the shot is only 0.86% effective or less. The problem here, too, is that over 90% of people who have had the shot, have become sick from coronavirus after the fact, which is classified as the common cold. Thereby making it ineffective now on two levels. Not effective, and a purposeful poison. It killed every animal that was injected with it in animal trials, in particular when the animals were re-exposed to a common coronavirus (the common cold). So, the NIH (National Institute of Health) skipped that part and made it available to humans via the emergency use authorization (EUA). Shot recipients are the test subjects, and it’s not going well.

You need to keep any busses that show up to inject staff and students away from your schools. With all of the ill and dead that will come about within your districts (students, staff etc.), you will not be able to staff your school buildings.

This is the largest eugenics program that has ever existed in the history of man, and you are the “useful idiots” that Karl Marx himself has written about. You have led your own kind and yourselves into the slaughter. This makes you all criminals. You should expect criminal action and legal action in the future. This is advice, not a threat.

Do you know what COVID means? You don’t, so I’ll explain. It doesn’t mean “coronavirus.” It means “Certificate of Vaccination Identification.” It was never about a virus. It was about getting the entire human population on a mandatory vaccine schedule, linked to a biometric surveillance system via direct physio-digital identification. You are now a human barcode. (Place a small magnet to your injection site and watch what happens).

They are already calling their next line of shots, “boosters.” Pfizer already has one lined-up for the Fall of 2021 as a “third shot COVID booster.” They’re going to push more and more, every year, until it kills you and your students and staff, unless someone intervenes. Fortunately, doctors and lawyers are intervening.

Many doctors have been yelling about this. *America’s Frontline Doctors*, for example. Look them up. You won’t, but you should.

The time to stop taking shots and wearing masks, of any kind, was long ago.

In the Fall of this year (2021) (as it’s already happening), countless people will get sick, but they will only be the ones who have taken the jabs. This will be falsely blamed on the “un-vaccinated.” Then, teachers and teenagers who have had the jabs will be dropping like flies. Schools will be empty again, so back to virtual learning you will go.

If doctors and lawyers are suing to keep these poisons out of children, THEN THEY ARENT SUPPOSED TO BE IN ANYBODY, EVER! That’s what that means.

As stated before, countless doctors have left the profession. Countless teachers have left the profession, and countless nurses have done the same. They are tired of the deception, death and malpractice. The turnover rate right now is massive.

Don't believe us, watch this:

Learning the truth is uncomfortable. That's why they call them "uncomfortable truths" and "comfortable delusions." You have to pick one. None of this is designed to scare. It's designed to inform. But, if it scares you into knowing the truth, so be it. It's all of you that will live or die as a result of the consequences.

Can you live with yourselves?

Will God forgive you?

You are local government. You can go against the states wishes. You can choose the truth. You won't though. That will be your permanent undoing.

This message and everything below, are directly from America's Frontline Doctors and tens of thousands of other doctors, including those listed below, who have been researching this and have been silenced, arrested and blocked by the mainstream media. Dr. Tenpenny in Ohio has now testified in front of the Ohio State Government Health and Human Services Committee as of June 8, 2021, on these very issues.

Facts:

The "virus" and the "shot" are both manufactured. They are both bio-weapons. They are both manmade. Coronavirus has never been isolated. Therefore, the covid shots are not vaccines by legal definition, even if they have FDA approval or not. It will always be a bio-weapon, and people taking them are the experiment.

Dr. Fauci owns the patent on Sars-cov-2. You cannot own a patent on something that is not manmade. This is also why it has never been studied. Patented things cannot be examined by outside people.

There are going to be "booster" shots in the near future too. Do not take them. Stop taking all shots now and do not give them to children, ever, including the flu shots, as the flu shots will activate the spiked proteins that exist within the covid jabs. This will spark mass widespread illness and death. The illnesses and death will be blamed on "variants" of COVID. There are no "variants" and there won't be. The "variant" stories are all lies.

Permanent effects:

This first effect is true for every jab recipient:

- Compromised immune system for the rest of your life. The HIV-mirrored spiked protein is activated in the body due to the mRNA ingredient in all shots. May remain dormant for years, but 5-9 months from the last shot will show permanent compromised immune systems, in particular when catching a cold, taking a flu shot, or having the flu. (Flu shots don't protect against the flu. Flu shots are carcinogenic and are not effective).
- HIV (Human Immunodeficiency Virus) is listed in Fauci's 3,000 + emails, 179 times. Including in the ingredients of the COVID shots.

Subject: 2019-nCoV: potential infection on CD4 cells.

Dear Dr. Fauci,

As you realized the Indian researcher published a paper few days ago entitled "Uncanny similarity of unique inserts in the 2019-nCoV spike protein to HIV-1 gp120 and Gag", which was latterly withdrawn due to the controversial indication. I did a quick SWISS-MODEL online calculation. Page 1-3 of the attachment show the flexible loops of insertion "1", "2", and "3" originally from V4, V5 and V1 of HIV-1 gp120, respectively. But they are in presence on the spike protein of both bat and 2019 coronavirus (page 4 and 6). These insertions are potential CD4 binding domains (no proof yet but highly likely) and spatially won't interfere with ACE-2 binding domain (both SARS and 2019 coronavirus target ACE-2, page 5 and 6). In another word, the 2019 virus could be potentially dual-targeting, infecting the lung and potentially CD4 T cells too (like HIV, see page 6)!

It is **VERY URGENT** to have clinicians follow up the confirmed cases such as by isolating their CD4 cells and doing RT-PCR. Please reach out to them. Research labs including mine after obtaining Spike protein of 2019-nCoV shall examine its interaction with CD4.

- Immediate death
- Paralysis
- Bell's palsy (facial paralysis)
- Sepsis (Sepsis is a life-threatening condition that arises when the body's response to infection causes injury to its own tissues and organs. This initial stage is followed by suppression of the immune system. Common signs and symptoms include fever, increased heart rate, increased breathing rate, and confusion.)
- Vascular swelling (bloated look)
- Sore arm
- Loss of consciousness
- Blood clots
- Heart attacks
- Heart palpitations/irregular heartbeat/
- Myocarditis; inflammation of the heart.
- Strokes
- Blindness
- Deafness
- Prion Disease (i.e., Mad Cow Disease): Spiked proteins that enter the brain and make people irrational and aggressive.
- Magnets sticking to the injection site of the jabs. Magnetism has been added to speed up the process of the mRNA spiked proteins, while allowing their bodies to be manipulated by 5G. This is referred to as "Transhumanism."
- Bluetooth turning on when jab recipients are close to Bluetooth devices
- Early onset dementia, Alzheimer's, ALS, and permanent mood changes.

- Vaginal bleeding in post-menopausal women, and pre-pubescent children.
- Vaginally passing blood clots (all ages, babies too)
- Clumpy menstrual periods
- Infertility in all females (regardless of age)
- Sterility in all males (all ages) including erectile dysfunction and swollen/sore testicles
- Miscarriages and murder of the fetus in all three trimesters
- Shot recipients can now NEVER donate blood, breastfeed, donate organs. It's suspected that the spiked proteins are also sexually transmitted.
- The "yearly" flu shot activates the spiked proteins generated by the shots and makes people sick. Don't ever get a flu shot ever again. Stop giving these mercury and aluminum-filled carcinogenic shots to your children too.
- Shedding: People who have taken the covid shots are "shedding"/transmitting the viral load on those who have not gotten the shots, thereby making the non-shot recipients ill, bleed vaginally, make them sick, have strokes, vomit, miscarry, etc.
- The spiked protein activated from the shots attacks the organs when that person gets sick, thereby causing organ failure when someone gets the common cold.
- Causes cancer to return and kill those who have previously had cancer.
- People who get the shots, still get Coronavirus/COVID.
- More people have died and received permanent side effects from these shots and all other shots in the history of the world... combined.
- **Shots are not preventative, nor safe for anyone, regardless of age or FDA approval.**
- **A Company called NOVAVAX is combining the yearly flu shot and the COVID shot, in one, for people to take. DON'T TAKE THEM.**

There are many more symptoms and causes as well.

The COVID Tests:

The COVID PCR/swab tests are 100% inaccurate. They do not test for the presence of coronaviruses. The swab tests contain Ethaline Oxide (EO). EO is classified as a human carcinogen. The fibers themselves at the end of the swab can break the blood-brain barrier and implant themselves in the meninges of the brain. It is mutagenic, meaning it changes the DNA/chromosomes in the human cells, in particular in children.

EO causes numerous types of cancer, including lymphoma, leukemia, breast cancer, respiratory illnesses, miscarriages, reproductive effects including testicular degeneration and tumors.

These tests are sold in stores for roughly \$25. NEVER TAKE or DISTRIBUTE THESE TESTS.

At the heart of the fraud not only on U.K. people but much of the world, every one of the main narrative points about the virus is a lie. No exceptions.

While new, the virus is related to six other coronaviruses, four of which are endemic. So lots of prior immunity. It was never going to kill many, and only those v close to end of life.

Asymptomatic transmission is a total lie.

Masks are not necessary nor do they work.

They've been tested & published work proves they have no impact on respiratory virus transmission.

Lockdown doesn't do anything because almost all transmission occurred in institutions, so they smashed the economy & civil society for nothing.

PCR testing is a joke, done as it is, with no definition of false positive rate, way too high a number of cycles, a variable number of probe / primer pairs & no normalising for amount of genetic material in the samples. They used inexperienced staff & generated massive cross contamination. Ignore it all.

The ridiculous "within 28 days of a positive test" rule was novel & greatly exaggerated claimed numbers of covid deaths.

Variants are almost identical to the original sequence. 0.3% drift in 17 months is irrelevant, you won't need top up vaccines for a half century at this rate.

Literally nothing is true.

I infer that VaxPass is the near term goal and that's totalitarian tyranny.

The end goal is to order us all to accept top up vaccines which will kill billions

Ignore if you wish,

I cannot save you.

SAGE has some modelling of deaths especially the fully vaccinated.

Sounds scary, yes? BUT the modelling is based on an ASSUMPTION. An assumption that variants arise which "escapes immunity".

In other words, they've no idea whether anything untoward will happen.

If their "guess" about variants isn't correct, bin the whole thing.

And will a variant that "escapes immunity" arise?

The empirical data speaks strongly AGAINST it. We're still at around 0.3% total mutation away from the original sequence.

In 18 months.

So, around 0.2% per YEAR.

Recall that those infected by & left immune to SARS in 2003?

They all had cross-immunity to SARS-CoV-2, which is 22% different.

Let me say it again. The human immune system EASILY sees two viruses which differ by 22% as similar enough that immunity to one confers immunity to the other.

Now ask yourself, considering the same immune system: if it easily copes with a 22% difference, what do you think the chances are that a 0.3% difference will NOT be recognised by our immune systems??

Yes, that's right. It's ZERO. It's impossible. It is not going to happen.

They're STILL LYING TO US ABOUT EVERYTHING.

Why? Because it's not about a virus & our health, but about total control.

They've absolutely no intention of "giving us back our freedoms". What an absurd concept, anyway.

All around the world, hidden from many of us by the LYING MASS MEDIA, people in other places are living entirely normal lives, forgetting about Covid19.

We get one chance to wrest back self determination: DO NOT TOLERATE A DAY LONGER OF THIS OFFENSIVE, ROAD MAP BS.

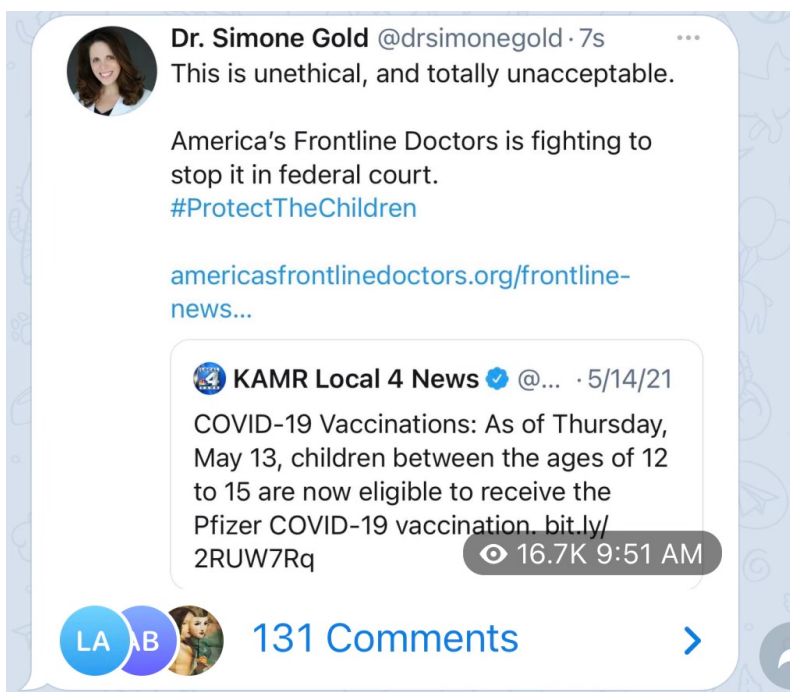

If you meekly comply with any further restraints, you're telling government & their advisors that THEY CAN DO DO TO US WHATEVER THEY WANT.

It's down to us. Please take everything back on June 21st, if you haven't already.

Countless nurses and doctors are being forced out of their professions for not complying with the shots. Millions are reporting corruption within their professions regarding the shots. Many have quit because of the coercion and the corruption. Nursing shortages are huge right now, the same is true with the education profession. This will get worse, in particular when the jabbed begin to fall ill and die when reinfected with anything, including a common cold. If companies are being sued to not mandate shots, that means the shots are unhealthy and don't belong in the human body.

In Conclusion:

If you fail to comply with the facts above, and blindly follow governments orders to the contrary, you are in breach of your own contracts and could be subject to criminal prosecution. Blindly following orders and doing what government tells you is not a legal excuse. Civil or otherwise. Now that you are in receipt of the facts, you have no more excuses.

If nurses, doctors and health departments have not shared this accurate information with you they too are in breach of their oaths and contracts. These people are not professionals. They, too, will have blood on their hands and will be held accountable criminally for their actions.

If you continue with the measures that you have laid out for your districts (mask wearing, jabbing students/staff, social distancing etc.), you will have blood on your hands. You will have participated in the largest mass genocide in human history.
No one will forgive you. No one.
