NEW CIVIL LIBERTIES ALLIANCE (NCLA)

<https://nclalegal.org>

NCLA is a nonpartisan, nonprofit civil rights group founded by prominent legal scholar Philip Hamburger to protect constitutional freedoms from violations by the Administrative State.

NCLA's public-interest litigation and other pro bono advocacy strive to tame the unlawful power of state and federal agencies and to foster a new civil liberties movement that will help restore Americans' fundamental rights.

Their current big case is on behalf of a non-vaxxed Rhode Island oral surgeon whose practice was shut down.
