*This text is dedicated to all of those who have lost their families,
friends, livelihoods, health and lives while fighting for the truth.*

In the end, God wins.

*No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn.
This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.*

- Isaiah 54:17 (KJV)

The quality of decision is like the well-timed swoop of a falcon which enables it to strike and destroy its victim.

Introduction

The posts throughout this book pick up where Volume Six left off. These posts are a compilation of anonymous and non-anonymous drops by civilians, archived from *VOAT* (an anonymous internet chat forum) within the sub-verse of QRV. QRV (<https://voat.co/v/QRV>) is the only Q endorsed sub-verse via Q posts: 2269 and 2272 that were posted on *qmap.pub* and *qanon.pub* on September 21, 2018. At the beginning of Volume Seven, QRV had 21,013 subscribers.

In Volume Seven, the posts begin on September 12, 2020 and carry on through October 4, 2020. Much more was occurring during this time, which is why this volume includes less days than previous volumes. Depending on the day, Q was also making posts throughout this time on *8kun.top*. Then, those Q posts always make their way to *qanon.pub* and *operationq.pub*. The Q posts during this

Anonymous

time are embedded among the anonymous comments from QRV on the corresponding day.

Q has encouraged everyone to archive offline (i.e., Q posts: 672, 993, 1186). These books are just some examples of such an archive. These predominantly anonymous citizen posts are unedited, stemming from thousands of Americans and those in foreign countries across the world who subscribe to QRV on *VOAT*. These posts are only organized by the day of the week and the month in which they were posted. Some posts are news reports, while many posts are personal accounts and observations, social-media threads/tweets, videos, memes and Anon investigations of politicians and public figures.

On over 17 occasions, Q has stated; “You are the news now.” Therefore, the mainstream media is 100% irrelevant. The real investigations and facts are coming from anonymous citizens. General Michael Flynn himself stated; “We have an army of digital soldiers... We have what we call; citizen journalists.”

While some may not be familiar with Q, or Q posts, we encourage you to look up “*Storm is Upon Us*” by Joe M on YouTube, and watch the videos in chronological order to give

The Storm: Volume Seven

yourself a starting point. We also recommend watching the documentary's titled, *Out of Shadows, Plandemic: The Movie* featuring Judy Mikovits, Ph.D., and *UK's Hidden Shadows*. Then, and more importantly, visit *qanon.pub* or *operationq.pub* and read the Q posts in chronological order, which begin on October 28, 2017.

This is a historical archive for the purposes of personal use, personal education and entertainment. These are anonymous commentaries, reflections and experiences of Americans, and citizens across the world, during the Fall of 2020. Some of these anonymous posts within may be pure speculation.

This is Volume Seven.

I filed an FBI complaint over the show "Cuties"

The show meets the legal definition of child pornography by showing child nudity. I contacted their customer service, and not only do they refuse to remove it, they also encourage more people to view it. (I took screen shots of this) I submitted all of this information to the FBI tip page. Here's the link if you want to do the same.

This is the second source I trust that has mentioned something like this.

Still, until I can actually see results - it's meaningless.

Kevin Clinsemith only got 5months. There was no 5K1, so he's not a corroborating witness against others nor did he have to roll on anyone.

Some ACTUAL news - Antifa is Oregon are now fire bombing random houses. A few have caught fire and burned down. These are average people folks.

I stumbled onto something.

Looking up Loren Cannon (portland FBI)

Interesting the FBI says ‘conspiracy theories cost police and fire resources’ but don’t say how. Also interesting that they say ANTIFA hasn’t started fires when 2 ANTIFA were just arrested for admitting they started fires.

<https://twitter.com/fukushimaexpos2/status/1304548466350149632>

That's called a helitorch. It's firing napalm mixed from gas using a gelling agent like Flash21. This type of aerial ignition is one of the most efficient ways to implement large-scale prescribed fires. This is probably footage of firefighters lighting a back-burn along that road to create a wide swath of defensible "black" or burned area. They'll try to stop the fire along that road.

Could very easily be used for arson too, though, but if I was starting fires with my drone I wouldn't livestream it and I'd do it far from a road where it would be more difficult for firefighters to contain.

Gates Polio Vaccine Now No. 1 Cause of Polio in World, 0.5M Kids Paralyzed By Bill Gates.

[#Vaccines, for #BillGates, are a strategic philanthropy that feed his many vaccine-related businesses (including #Microsoft's ambition to control a global vac ID enterprise) and give him dictatorial control over global health policy—the spear tip of corporate neo-imperialism.

OP

<https://fort-russ.com/2020/04/robert-f-kennedy-jr-exposes-bill-gates-vaccine-dictatorship-plan-cites-gates-twisted-messiah-complex/>

Gates' obsession with vaccines seems fueled by a messianic conviction that he is ordained to save the world with technology and a god-like willingness to experiment with the lives of lesser humans. The most frightening epidemics in Congo, the Philippines, and Afghanistan are all linked to Gates' vaccines. By 2018, ¾ of global polio cases were from Gates' vaccines.

Promising to eradicate Polio with \$1.2 billion, Gates took control of India 's National Advisory Board (NAB) and mandated 50 polio vaccines (up from 5) to every child before age 5. I

ndian doctors blame the Gates campaign for a devastating vaccine-strain polio epidemic that paralyzed 496,000 children between 2000 and 2017.

In 2017, the Indian Government dialed back Gates' vaccine regimen and evicted Gates and his cronies from the NAB. Polio paralysis rates dropped precipitously. In 2017, the World Health Organization reluctantly admitted that the global polio explosion is predominantly vaccine strain, meaning it is coming from Gates' Vaccine Program.]

Q

The Real Reason they're trying to cover up Antifa being behind the Arsons? Fire victims with nothing to lose will march together against the Oregon government officials who allowed Antifa.

Imagine creating thousands of people with nothing to lose who blame the government incompetence for allowing Antifa to happen... this is why they're afraid and must cover up that these fires are arson.

Here's

a video YouTube <https://www.youtube.com/watch?v=J57uhlZsnVk>

I came across of a guy talking about it.

Went on a 8 hour patrol of our area in oregon with my brothers last night and night before.

There was quite a few armed oregonians doing the same. In my town we saw 12 people watching the streets, a lot watching their fields and a lot of driving patrols.

There was a female cop on a power trip harassing people but she didn't bother to stop people near the town and had no power. No new fires started around our area. Had a good time talking shit about joggers with my bros. People in oregon are tired of this shit and the oregon police has lost all credibility and support. Except from the boomers and civnats

Newsom signed the faggot pedo bill into law. Predators up to age 24 can now legally have sex with children at age 14 in California. (breitbart.com)

<https://www.breitbart.com/politics/2020/09/13/gov-gavin-newsom-signs-bill-reducing-penalties-for-sodomy-with-minors/>

This must come to pass. CALIFORNIANS NOT WELCOMED.

Think about this: when these pedos get caught and don't have to register...they leave the State for Idaho, Utah, Wyoming etc...and they're not registering as offenders. This puts new communities at risk. Californians MUST be quarantined. They MUST NOT be allowed to leave.

Cancel Justin Trudeau. He sends \$221 million to support Blacks only. He is a pedophile, satanist and a Soros puppet.

We are fucked in Canada. Some of us out here are more American than half of the population in the US. Obviously not in the literal sense. I had to flee from Toronto in the last 2 years. I lived in a beautiful area that I worked my fucking TAIL off to get to where I was. I'm turning 35 this year and I put my entire life into getting myself ahead so I could live in a nice part of the city in a gorgeous home, close to the sports teams I have supported my whole life. I could literally walk to see the Jays, Leafs, Raptors, TFC, concerts... you name it. I was ahead of everyone my age, I have zero debt and have been a model citizen. No criminal record.

I'm not trying to brag guys really. I'm a humble person, but I'm just letting you know that I'm the type of person who they drove out of Toronto. A model citizen who was giving and kind to all of those around him. It's really, really, really sad. I had to sell and move to the outskirts, where admittedly, life is MUCH better now because I escaped what was essentially becoming a giant homeless, immigrant, refugee wasteland where the only white people are left wing Karen's or ignorant fools.

The funny thing is, I'm half white and half native. I look like my father who is white however. It's just interesting though because I am always lumped into the white privileged, racist, bigoted category if I dare to share an opinion about the reality I live in. All of this while I literally hold a native status card in Canada. It's absurd.

With all this said, the only thing my wife and I wish we could have in life is to move to the United States and be happy again.

Anonymous

Unfortunately, there is some god forsaken treaty between Canada and the US that prohibits people like us from moving there unless we meet some criterias which are unrealistic for us. Depending on how badly Canada gets out of hand, I really hope that the US offers an olive branch to those of us who love and respect your country as the greatest in the world.

I'm in BC in an area being flooded by migrants and full on agenda 21/30, I can't wait to gtfo of here. I'd move to Texas if I could.

Left Northern BC a few years ago and took a few steps East. Here is a great solid pro life bunch of people. Feel totally at home despite the sub temps coming hahaha. Look east my friend and stand up and fight. Never lay down.

God Bless you anon so sorry. Covid wiped out our retirement account. We have nothing except a house and I'm grateful and pray it doesn't burn down, and the love we have for each other...which the bsstards can't take away.

Hold fast to family that's all we really have in life.

I don't want to live in a society where it is normal to see 12 years olds twerking. Why is this even an argument??

They don't want an open discussion so they hijacked state government to push it through.

And no fuckers stopped them??

Really?

It's unnatural.

It's satanic.

And it is NOT the popular opinion, not by a long shot.

If you see someone advocating for Cuties, please record down their name, bring about a database, and if they aren't pedos now they will be when they get older. And they will be future kiddie fiddlers.

Anonymous

Give no quarter, and don't let them escape. We may need a special tax paying unit to keep a life time montior on these sickos for the safety of our kids.

EDIT: Probably prudent to send whoever you see tweeting or advocating for Cuties a message to the FBI carbon copy The White House, including that fag Newsom.

Fauci goes full pseudoscience: COVID-19 is due to 'extreme backlashes from nature' - Urges 'creative harmony with nature' to solve.

[Fauci sounds like he's pushing the UN's Climate Change Agenda. He's actually tying the Virus that man created in a lab to the Climate changing. Remember that Climate CHange is Global Warming. When do viruses disappear? When the weather is hot and humid. Summer!

Fauci just exposed himself as a Globalist!!!!

Fauci in new paper: "Living in greater harmony with nature will require changes in human behavior as well as other radical changes that may take decades to achieve: rebuilding the infrastructures of human existence..

“Living in greater harmony with nature will require changes in human behavior as well as other radical changes that may take decades to achieve: rebuilding the infrastructures of human existence, from cities to homes to workplaces... to recreational and gatherings venues.”

And There It is: WHO Director Uses COVID to Push Worldwide Climate Change Agenda.

[It was only a matter of time. Now that COVID is indelibly etched on the collective world psyche, World Health Organization Director-General Tedros Adhanom Ghebreyesus says that even if an effective vaccine is developed, the world cannot go back to the way it was, pre-virus.

Shocking? Of course not; consider the source. And there's more.

What else wasn't shocking during his Friday press briefing was how Tedros connected the dots from the virus to climate change. Again, hardly shocking — but we'll get to that in a bit.

“Progress does not mean victory,” Tedros said, noting that several countries have experienced declines in numbers of COVID cases, only to experience second waves, months later. As reported by The

Blaze, the director-general said a vaccine alone would not end the pandemic.

I remember during the last umteen viruses when they said "we can't go back to pre virus ways" It is becoming perfectly clear that this virus was thrown onto the world by the Globalists. All we have to do now is follow the people pushing this nonsense to discover who are involved. So far we have the WHO, Fauci and the Pope. We know Fauci and the Pope are Jesuits. What kind of University is Georgetown?

Hmmm.](https://www.redstate.com/mike_miller/2020/08/22/and-there-it-is-who-director-uses-covid-to-push-worldwide-climate-change-agenda/)

FORMER BIDEN CAMPAIGN STAFFER: Joe Biden is in the early stages of dementia and is on medication for it.

"This is the big one, and the one I have the least direct experience with, but it's been an open secret for some time. Anyone who has had a relative with Alzheimer's or dementia can tell you, there are good days and bad days. On the good days, when Joe is at his most lucid, his campaign manager Jen will send him out for photo ops or TV interviews... make hay while the sun is shining, you know? On the bad days, Jen just tells the press pool "No Joe today," and they're all like, "Okay, cool!" Most of the time, he's just a little foggy and gets really agitated. But one of my co-workers told me that back in May, there was a day where he thought he was running against Gary Hart in the '84 primary again. Joe went under wraps for several days after that.

He's been more lucid recently because his physician, Dr. O'Connor, put him on Namenda. Jen apparently was worried about someone finding it out, because she insisted that he prescribe it under a series of phony names, and then have the interns pick it up. I bet there are a lot of pharmacists in Philly wondering why there are so many young people on Namenda.

The dementia medication has had, um... unfortunate side effects. There's no dancing around this... the medication has made Joe incontinent. Though his "good days" have increased dramatically, he can barely get through a press event without running to the

bathroom. That's why he didn't take questions after announcing Harris as his running mate. They weren't afraid of the questions, the press loves him... they were afraid he was going to piss his pants on-camera. Lately, Jen's been having closed-door meetings to discuss which brand of incontinence pads would be best to purchase. Seriously, a group of paid staffers sat around and discussed which brands were the least visible, the least likely to leak, and wouldn't audibly "crinkle."

That's around the time I left the campaign. I can't be a party to this sick game anymore. I never really liked Joe Biden, but he deserves better than to be thrust into the public eye when he should be in memory care. His wife should put a stop to this, but she's way too excited about being "First Lady" to care about her ailing husband."

If memories of Biden's behavior are not fresh in your mind, please read Howie Carr's column today, which chronicles a number of instances that are consistent with serious dementia. For instance:

...soon he began reading — or trying to read — some statistics. Numbers are not Dementia Joe's forte, to put it mildly.

This day, he kept repeating the word "military." But the actual virus numbers were for Michigan, the state he was in, in addition to his perpetual state of confusion.

Perhaps his handlers wrote "MI," assuming that even someone as simple as Joe Biden could put two and two together. If so, they were misinformed.

"U.S. COVID-infected military uh excuse me U.S. COVID-infected in America, six thousand 344,700 U.S. COVID deaths one thousand 189,506. Military COVID-infected 118,984. Military COVID deaths 6114."

Actually, Mr. Vice President, the military's death toll is exactly seven. The fatalities in Michigan, where you were babbling, is actually closer to that six-thousand figure.

Way off, but this is a guy who's earlier pegged the number of deaths in the panic as 120 million (at the time it was 120,000).

He has also claimed that 150,000,000 Americans have been killed by firearms since 2007, but let's move on to his proposals for tax rates.

Worth remembering [think what you see today].

<https://2009-2017.state.gov/documents/organization/119629.pdf>

Insurgency can be defined as ‘the organized use of subversion and violence to seize, nullify, or challenge political control of a region.’

Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propaganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.

Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.

NEXT:

Counterinsurgency may be defined as ‘comprehensive civilian and military efforts taken to simultaneously defeat and contain insurgency and address its root causes’.

Unusual Features of the SARS-CoV-2 Genome Suggesting Sophisticated Laboratory Modification Rather Than Natural Evolution and Delineation of Its Probable Synthetic Route

Nan, Li Meng; Wang, Shi; Guan, Jie; Hu, Wenming

The COVID-19 pandemic caused by the novel coronavirus SARS-CoV-2 has led to over 916,000 deaths worldwide and unprecedented decimation of the global economy. Despite its tremendous impact, the origin of SARS-CoV-2 has remained mysterious and controversial. The natural origin theory, although widely accepted, lacks substantial support. The alternative theory that the virus may have come from a research laboratory is, however, strictly censored on peer-reviewed scientific journals. Nonetheless, SARS-CoV-2 shows biological characteristics that are inconsistent with a naturally occurring zoonotic virus. In this report, we describe the genomic, structural, medical, and literature evidence, which, when considered together, strongly contradicts the natural origin theory. The evidence shows that SARS-CoV-2 should be a laboratory product created by using bat coronaviruses ZC42 and ZXC22 as a template and/or backbone. Building upon the evidence, we further postulate a synthetic route for SARS-CoV-2, demonstrating that the laboratory creation of this coronavirus is conceivable and can be accomplished in approximately six months. Our work emphasizes the need for an independent investigation into the relevant research laboratories. It also argues for a critical look into certain recently published data, which, albeit problematic, was used to support and claim a natural origin of SARS-CoV-2. From a public health perspective, these actions are necessary as knowledge of the origin of SARS-CoV-2 and of how the virus entered the human population are of pivotal importance in the fundamental control of the COVID-19 pandemic, as well as in preventing similar future pandemics.

During our conversation, he mentioned he was at his friends house, and they were watching tv, and he mentioned that Trump was bad (forgot his actual sentence that he used) ... and his friend and his friend's daughter unloaded all the drops onto him!

His friend told him about all the child trafficking, draining blood etc etc. He mentioned all this to me and I confirmed it's all true.

His thinking is that it's all sound so crazy it's unbelievable. He's having a hard time understanding how evil some are. I'm sure he's pondering it all and let his consciousness absorb the new info.

This has never happened before. Unheard of.

Slowly but surely, Patriots are waking up and waking others up. Hive mind is real.

God Bless you Patriots world wide!

A lot of people just can't believe that the evil things some people do could be true, so they automatically assume it is not true.

Carl Zimmer makes an appearance here about halfway through, as an article author. I was reading a book of his called *She Has Her Mother's Laugh*, a 600 page obfuscation on the history of heredity and genetics. Within the first 10 pages there is a mention of Anti-Semitism and persecution of Jews during the Middle Ages stemming from accusations of "concocted Jewish crimes".

Edit - Found the line:

In the late 1400s, Jews in Spain found themselves defined as a race of their own. For centuries, Jews across Europe had been tormented for all sorts of concocted crimes against Christians.

No further comment.

I'll comment further.

The Storm: Volume Seven

Modern racial understanding did not emerge until the 19th century (with writers like Nietzsche and politicians like Bismarck). This is when the term anti-Semitism was first invented by Wilhelm Marr, in an attempt to answer the Jewish Question under a modern lens. Prior to this, the Jewish Question was always considered a religious/spiritual issue. The Jews were those who rejected / hated / killed Christ and shouted "Let his blood be upon us and our children" as recounted in the Gospels. Middle Ages Christians saw this and understood that anyone whose identity was inseparable from hatred of Jesus Christ, the Lord and Logos of the universe, would unsurprisingly be revolutionaries and subversives. That was the intellectual perspective.

The common man saw that Jews were the ones charging usury and ruining families and so every once in a while Jewish homes would be burned down, since that's where the records of the debts were. It had nothing to do with racism, not back then.

Maybe the Something Big is not even FISA or SPYGATE related.

I wonder if the something coming is unrelated to the FISA stuff. Leaks that Comey and Brennan are not subjects of the FISA investigation sound to me like a Trumpian sleight of hand trick. We are all watching for one thing while he is doing something else. Could be 9.11 or trafficking or Seth Rich/Debbie Wasserman related. I hope the reason Comey and Brennan are not the subject of a FISA investigation is that they are going after them for much, much bigger crimes.

NO ONE is dying FROM Covid. WE all have been exposed by now and the very small 9200 deaths reported by the CDC are less than the yearly Flu.

I think about 80% of people die in hospitals.. so if patients were given tests at hospitals and there are lots of false positives than the numbers can be manipulated easily

Don't Wear Masks - It Makes a Difference

Today in the grocery I was next to a mother with a young baby (maybe 2 months) strapped to her chest. She asked me if anyone had hassled me about not wearing a mask. I told her I haven't worn them during the entire "pandemic", and I've only had one person ask me to put one on. After saying I was exempt, the one person shrugged and didn't say anything else.

She said she hates wearing the mask, she doesn't like how she feels with it on, and she can't see her baby over the mask.

I said there was a lot of research on the negative effects of masks, and she said she'd read some of them. She then removed her mask, thanked me, and went on with her groceries.

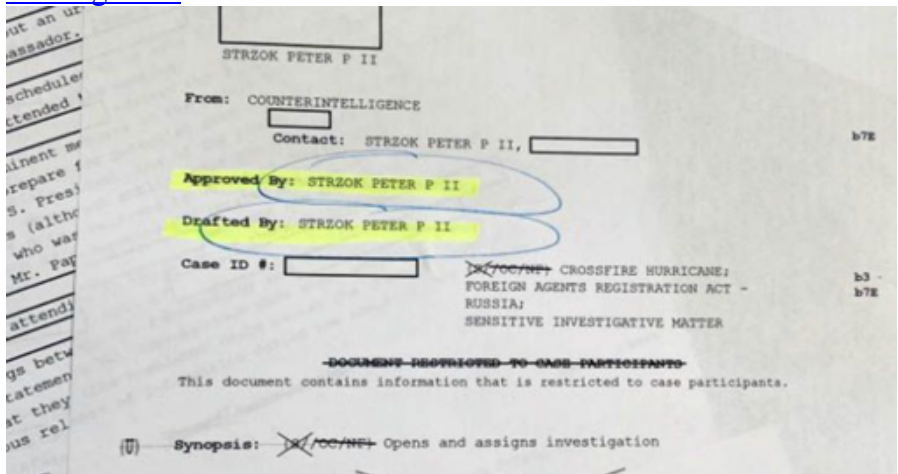

People are watching. They just need someone else to show them it's okay to listen to their gut and not the media.

Reddit Has Disabled Their PEDOGATE Forum. This is HUGE. Wow.

Most of us know the story of Reddit's pizzagate forum. How it was taken down and rose from the ashes here on voat. Since then, Reddit's main forum for this cause has been:

<https://www.reddit.com/r/pedogate>

Although I don't deal much with Voat outside of our forum here, Voat's pizzagate forum has been the main hub. Homebase. #1. For this cause. Although it paled in comparison, the next best forum was Reddit's pedogate forum.

AND NOW IT'S GONE.

It is supposedly due to a user posting CP, but I'm not sure I buy that. People are citing a certain post, which I myself followed, as being the cause of this. The post was by a supposed virtuous "i'm so sorry" pedo CP-watcher who claimed he was disgusted by his own urges and was morally against CP aka child porn aka child sexually exploitative material (which is what i truly believe it should be called but is also laboriously thirteen syllables long.)

I think the timing with the "Cuties" movie controversy is to blame.

<https://www.dailydot.com/unclick/cuties-film-cancel-netflix/>

Does anyone know more about this? I am surprised it has not been discussed here yet.

Anonymous

For the record, I watched "Cuties," and it is horrible. In writing, in words, I would understand the director's perspective: that it's important to shine a light on society's abhorrent sexualization of children. But in the end, no matter what, the movie is packed full of footage-- non-stop repulsive close-ups-- that is clearly fodder for the monsters out there who want to abuse children, and they clearly did something horrible by having these girls act in this movie. The point could have been made without exploiting these girls and creating footage to fuel the sick fires of child sexual abusers aka the SCUM of the earth.

Treason is permitted within Freemasonry. (files.catbox.moe)

Masons are amoral, apolitical, irreligious, and shapeshifters. They have no integrity or principles. They will take up whatever cause they need to further the NWO agenda. They will be fascists this week and communists the next, if that is what they need to do.

They are traitors by their very nature.

War, Masonry In. The question how Masons should conduct themselves in time of war, when their own country is one of the belligerents, is an important one. Of the political course of a Mason in his individual and private capacity there is no doubt. The Charges declare that he must be "a peaceable subject to the civil powers, and never be concerned in plots and conspiracies against the peace and welfare of the nation." (*Constitutions*, 1723, p. 50.) But so anxious is the Order to be unembarrassed by all political influences, that treason, however discountenanced by the Craft, is not held as a crime

which is amenable to Masonic punishment. For the same charge affirms that "if a brother should be a rebel against the State, he is not to be countenanced in his rebellion, however he may be pitied as an unhappy man; and if convicted of no other crime, though the loyal brotherhood must and ought to disown his rebellion and give no umbrage or ground of political jealousy to the government for the time being, they cannot expel him from the Lodge, and his relation to it remains indefeasible."

Trump announces creation of national '1776 Commission' to promote 'patriotic education' (rt.com)

<https://www.rt.com/usa/500978-trump-patriotic-education-1776-commission/>

POTUS gave an awesome speech and laid down the gauntlet against the commie/satanist axis. A great comment from his speech that will be helpful on social media: >

"Critical Race Theory attempts to not define us by the content of our character, but the color of our skin."

POTUS also mentioned that Caesar Rodney, Founding Father from Delaware, sick with cancer, traveled 80 miles in foul weather through the night to sign the Declaration of Independence. His statue was just removed in Wilmington, Delaware. Crickets from Joe Biden of Delaware about this. POTUS is adding Rodney to the National Garden of American Heroes.

His statue was taken down? We need to remember the names of people doing this shit for when the civil war goes hot. Historical revisionism is a crime against humanity.

If you're going to try to run a site, you need to register with a whois registry service, put your llc to a po box in a state that allows such a registration, and ideally put it in a different state altogether and use a dummy agent for the corp registration and make sure they sign a nda. That isn't legal advice, that is privacy advice.

Love love love so they admit they are racist! Trying to be cool, support BLM, and cancel culture. Wait until they have to fork over millions to pay back the Federal government! Whew they did step in it!

Racism is embedded in the university. Whites and Asians are openly discriminated against.

Damn so the virtue signaling President of Princeton is going to learn get woke and go broke! What an idiot!

Racism is a two way street and they have their hand in that cookie jar.

#OBAMAGATE

Obama Administration officials in the intelligence agencies, State Department and Department of Justice, in a joint effort with our primary foreign allies and other covert assets, as directed by Barack Obama from the White House, and in coordination with Hillary Rodham Clinton, COLLUDED and conspired to RIG the 2016 presidential election in an effort to install her as president, and FRAME Donald Trump for the crimes THEY committed.

They tried to create emergency contingencies to put in place safeguards and firewalls to prevent exposure of their crimes and ensure their many past and present operators, actors, and agents in power, in every corner of the country, could remain in control.

They used their controlled sources in the mainstream media to initiate massive coordinated attacks designed to divide the nation, cover up their wrongdoing, make the case for impeachment of Donald Trump and prevent public awareness of their many shocking, illegal, criminal and TREASONOUS acts spanning several decades.

FBI agent who found Hillary Clinton's emails on Anthony Weiner's laptop calls agency's handling of case 'immoral' and reveals how he fought for weeks to have them investigated.

An FBI agent who found the messages that led to the Hillary Clinton email investigation being reopened days before the 2016 election said the way the bureau handled the case was 'not ethically or morally right'.

John Robertson feared he would be made a 'scapegoat' when he found the new emails less than two months before voting day, in the wake of DailyMail.com's revelation that Anthony Weiner, whose wife Huma Abedin was Clinton's top aide, was sexting an underage girl.

Anonymous

Robertson watched nervously as the bureau did nothing for a month until he went outside the chain of command and spoke with the US Attorney's office overseeing the case.

The only advice from his bosses was to erase his office computer, which meant leaving no record of his investigations, a new book says.

As Robertson put it: 'To this day don't understand what the hell went wrong', the Washington Post reported.

The claims add another layer of intrigue to the investigation of Clinton's emails which has become one of the most divisive episodes of the 2016 election.

They appear in October Surprise: How the FBI Tried to Save Itself and Crashed an Election, which will be published on September 22 by PublicAffairs. <https://www.dailymail.co.uk/news/article-8748293/Hillary-Clinton-email-whistleblower-tells-frustration-FBI.html>

Especially those men who took time to offer, in depth, their thoughts, views and solutions. I can only conclude you must have served. I am proud of those patriots. Others who are young, but smart, realize that us boomers have been fighting this evil all OUR lives. Understand that it was prevalent even before us. Each generation will learn of the evil out there and how important it is to keep fighting if we are to remain free. (for real) Unity is important, Values are important, Forgiveness is important; but Wisdom to discern when to apply them is the most important. By some blessing, we were given TRUMP. U.S. Supreme Court confirms Justice Ruth Bader Ginsburg has died

Associate Justice Ruth Bader Ginsburg died this evening surrounded by her family at her home in Washington, D.C., due to complications of metastatic pancreas cancer. She was 87 years old. Justice Ginsburg was appointed to the Supreme Court by President Clinton in 1993. She was the second woman appointed to the Court and served more than 27 years. She is survived by her two children: Jane Carol Ginsburg (George Spera) and James Steven Ginsburg (Patrice Michaels), four grandchildren: Paul Spera (Francesca Toich), Clara Spera (Rory Boyd), Miranda Ginsburg, Abigail Ginsburg, two step-grandchildren: Harjinder Bedi, Satinder Bedi, and one great-grandchild: Lucrezia Spera. Her husband, Martin David Ginsburg, died in 2010.

Chief Justice John G. Roberts, Jr. said of Justice Ginsburg: "Our Nation has lost a jurist of historic stature. We at the Supreme Court have lost a cherished colleague. Today we mourn, but with confidence that future generations will remember Ruth Bader Ginsburg as we knew her -- a tireless and resolute champion of justice."

Justice Ginsburg was born in Brooklyn, New York, March 15, 1933. She married Martin D. Ginsburg in 1954. She received her B.A. from Cornell University, attended Harvard Law School, and received her LL.B. from Columbia Law School. She served as a law clerk to the Honorable Edmund L. Palmieri, Judge of the United States District Court for the Southern District of New York, from 1959–1961. From 1961–1963, she was a research associate and then associate director of the Columbia Law School Project on International Procedure. She was a Professor of Law at Rutgers University School of Law from 1963–1972, and Columbia Law School from 1972–1980, and a fellow at the Center for Advanced Study in the Behavioral Sciences in Stanford, California from 1977–1978. In 1971, she was instrumental in launching the Women's Rights Project of the American Civil Liberties Union, and served as the ACLU's General Counsel from 1973–1980, and on the National Board of Directors from 1974–1980. She was appointed a Judge of the United States Court of Appeals for the District of Columbia Circuit in 1980. During her more than 40 years as a Judge and a Justice, she was served by 159 law clerks.

While on the Court, the Justice authored *My Own Words* (2016), a compilation of her speeches and writings.

A private interment service will be held at Arlington National Cemetery.

Leader McConnell @senatemajldr · 1h

The Senate and the nation mourn the passing of Justice Ruth Bader Ginsburg and the conclusion of her extraordinary American life.

My full statement:

McConnell Statement on the Passing of Justice Ruth Bader Ginsburg

WASHINGTON, D.C. – U.S. Senate Majority Leader Mitch McConnell made the following statement on the passing of U.S. Supreme Court Justice Ruth Bader Ginsburg:

The Senate and the nation mourn the sudden passing of Justice Ruth Bader Ginsburg and the conclusion of her extraordinary American life.

Justice Ginsburg overcame one personal challenge and professional barrier after another. She climbed from a modest Brooklyn upbringing to a seat on our nation's highest court and into the pages of American history. Justice Ginsburg was thoroughly dedicated to the legal profession and to her 27 years of service on the Supreme Court. Her intelligence and determination earned her respect and admiration throughout the legal world, and indeed throughout the entire nation, which now grieves alongside her family, friends, and colleagues.

In the last midterm election before Justice Scalia's death in 2016, Americans elected a Republican Senate majority because we pledged to check and balance the last days of a lame-duck president's second term. We kept our promise. Since the 1880s, no Senate has confirmed an opposite-party president's Supreme Court nominee in a presidential election year.

By contrast, Americans reelected our majority in 2016 and expanded it in 2018 because we pledged to work with President Trump and support his agenda, particularly his outstanding appointments to the federal judiciary. Once again, we will keep our promise.

President Trump's nominee will receive a vote on the floor of the United States Senate.

NEVER FORGET: RBG advocated for lowering the age of consent to 12.

Supreme Court Justice Ruth Bader Ginsburg isn't the innocent old lady we all believe she is. And also a bit more perverted than we dare to believe. As an Attorney for the ACLU in the late 70's, Ruth wrote & co-authored a scathing report in which she suggested the legal age of consent should be 12 years

old. <https://superstarstatuslbs.com/2017/02/07/justice-ruth-bader-ginsburg-believes-12-should-be-age-of-consent/>

"Given that homosexual advocates are in a full court press to lower the age of consent as low as it can go, and pro-pedophile sitting Supreme Court Justice Ruth Bader Ginsburg 's documented advocacy of lowering the age of consent to 12 years old, parents should be horrified that there are so few politicians, like Sen. Santorum, actually defending the family," Timothy Chichester, CFAA president, said April 23.

Chichester was referring to a paper authored by Ginsburg entitled "Sex Bias in the U.S. Code," which was prepared for the U.S. Commission on Civil Rights in April 1977.

"When U.S. Supreme Court Justice Ruth Bader Ginsburg was an attorney for the ACLU, she co-authored a report recommending that the age of consent for sexual acts be lowered to 12 years of age," the article points out.

Knight and York's footnoted documentation on this is as follows: "Sex Bias in the U.S. Code," Report for the U.S. Commission on Civil Rights, April 1977, p. 102, quoted in "Ruth Bader Ginsburg's Feminist World View," The Phyllis Schlafly Report, Vol. 26, No. 12, Section 1, p. 3. The paragraph (from the Ginsburg report) reads as follows: "Eliminate the phrase "carnal knowledge of any female, not his wife, who has not attained the age of 16 years" and substitute a federal, sex-neutral definition of the offense. ... A person is guilty of an offense if he engages in a sexual act with another person. ... [and] the other person is, in fact, less than 12 years old.'" <https://www.cnsnews.com/news/article/fears-grow-over-academic-efforts-normalize-pedophilia>
May RBG rot in Hell where she belongs.

As soon as Ruth Baiter Ginsberg's death was announced publicly, VOAT went down. After a while, it came back online, then it went down again. Sites like this are constantly being bobbed with both traffic and hacking attacks at critical moments in the news juncture.

Just a reminder that Ruth Bader Ginsburg was an evil person. She supported pedophilia and wanted to decriminalize it for decades. Nobody should be paying any respect to her. Good riddance you witch. (files.catbox.moe)

[RBG]

Why was she 'selected'?

Who appointed her?

Remember [her] history.

Ref: 230-page book called *Sex Bias in the U.S. Code*, published in 1977 by the U.S. Commission on Civil Rights.

Highlights:

-Called for the sex-integration of prisons and reformatories so that conditions of imprisonment, security and housing could be equal. She explained, "If the grand design of such institutions is to prepare inmates for return to the community as persons equipped to benefit from and contribute to civil society, then perpetuation of single-sex institutions should be rejected." (Page 101)

-Called for the sex-integration of Boy Scouts and Girl Scouts because they "perpetuate stereotyped sex roles." (Page 145)

-Insisted on sex-integrating "college fraternity and sorority chapters" and replacing them with "college social societies." (Page 169)

-Cast constitutional doubt on the legality of "Mother's Day and Father's Day as separate holidays." (Page 146)

-Called for reducing the age of consent for sexual acts to people who are "less than 12 years old." (Page 102)

-Asserted that laws against "bigamists, persons cohabiting with more than one woman, and women cohabiting with a bigamist" are unconstitutional. (Page 195)

-Objected to laws against prostitution because "prostitution, as a consensual act between adults, is arguably within the zone of privacy protected by recent constitutional decisions." (Page 97)

-Ginsburg wrote that the Mann Act (which punishes those who engage in interstate sex traffic of women and girls) is "offensive." Such acts should be considered "within the zone of privacy." (Page 98)

-Demanded that we "firmly reject draft or combat exemption for women," stating "women must be subject to the draft if men are." But, she added, "the need for affirmative action and for transition measures is particularly strong in the uniformed services." (Page 218)

-An indefatigable censor, Ginsburg listed hundreds of "sexist" words that must be eliminated from all statutes. Among words she found offensive were: man, woman, manmade, mankind, husband, wife, mother, father, sister, brother, son, daughter, serviceman, longshoreman, postmaster, watchman, seamanship, and "to man" (a vessel). (Pages 15-16)

-Wanted he, she, him, her, his, and hers to be dropped down the memory hole. They must be replaced by he/she, her/him, and hers/his, and federal statutes must use the bad grammar of "plural constructions to avoid third person singular pronouns." (Page 52-53)

-Condemned the Supreme Court's ruling in *Harris v. McRae* and claimed that taxpayer-funded abortions should be a constitutional right.

**COMING SOON
TO A THEATER NEAR YOU**

**I WAS RAPED BY WHOEVER TRUMP NOMINATES
TO REPLACE JUSTICE GINSBURG**

Everyone on the Left is screaming that we need to let the voters have a say in the next Supreme Court Justice. Um, voters did that when electing Trump who is serving when the vacancy occurred.

And if they bring up, "but Merrick Garland," we can just say, "yeah, you were idiots. We are not."

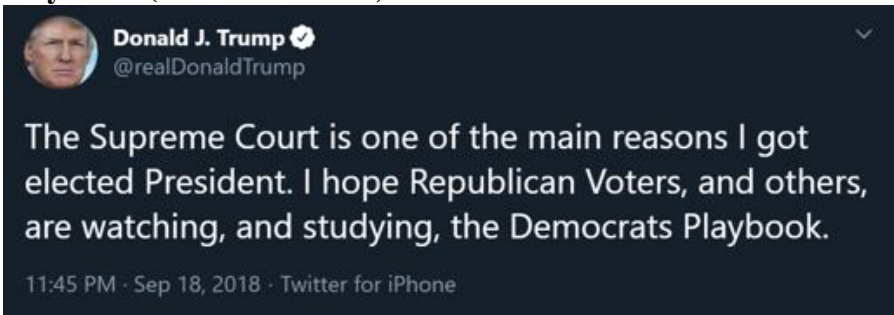

Patriots are in control and the death of RBG is perfect timing!! (Really, we all know she's been toast for at least a year)

With all the talk of Election rulings brewing, Trump has a rock solid case for seating a new Justice.

4-4 rulings will not be tolerated

The new Justice will be in the spotlight and will be insulated from blackmail, because he/she has already been vetted by White Hats.

President Trump's 2-year delta tweet: The Supreme Court is one of the main reasons I got elected President. I hope Republican Voters, and others, are watching, and studying, the Democrats Playbook. (files.catbox.moe)

14th Amendment enables POTUS to remove traitors from office immediately.

The 14th Amendment is President Trump's silver bullet. Section 2 of 14A says: "14th Amendment authorized the federal government to punish states that violated or abridged their citizens' right to vote by proportionally reducing the states' representation in Congress, and mandated that anyone who "engaged in insurrection" against the United States could not hold civil, military or elected office (without the approval of two-thirds of the House and Senate)."

This is WILD! I'd never heard this reference within the 14th Amendment, but then again, we've never had freaking riots in the streets for months and months on end like this during my lifetime. While I was listening to this guy on the video, I looked up the wording of the 14th Amendment and found this statement at: <https://www.history.com/topics/black-history/fourteenth-amendment#:~:text=The%2014th%20Amendment%20to%20the,to%20abolish%20slavery%20and%20establish>

14TH AMENDMENT – SECTIONS 2-5

In its later sections, the 14th Amendment authorized the federal government to punish states that violated or abridged their citizens' right to vote by proportionally reducing the states' representation in Congress, and mandated that anyone who "engaged in insurrection" against the United States could not hold civil, military or elected office (without the approval of two-thirds of the House and Senate). This is SOOOOOOO applicable to all the Antifa and Black Lives Matter rioting shit where so many Democrat governors and mayors are giving them free reign to run wild in the streets! =-O

It can be used in Dem states were blm and antifa try voter suppression on election day preventing Patriots from voting through intimidation and violence. Those states can have their Electoral College votes nullified. The same can be done to states if they are caught cheating on the mail-in ballots. Dems are so blinded by TDS they can't see Trump has 'em by the balls. Completely.

You know antifa/blm are going to be out and harassing voters its a no brain er. Hopefully he uses this.

Trump Can Appoint A Temporary Justice If Delays Arise : Its Been Done Ten Times Previously.

Presidents since George Washington have made recess appointments. Washington appointed South Carolina judge John Rutledge as Chief Justice of the United States during a congressional recess in 1795. Because of Rutledge's political views and occasional mental illness, however, the Senate rejected his nomination, and Rutledge attempted suicide and resigned. Almost every president has used recess appointments to appoint judges, over 300 such judicial recess appointments before 2000, including ten Supreme Court justices.[3] https://en.wikipedia.org/wiki/Recess_appointment

Justice Ruth Bader Ginsburg has been Dead For Quite Some Time -- Trump Called Them Out 10 Days Ago With Supreme Court Picks.

I have been aware for over a year that the "Notorious RBG" may have been dead for quite some time. TMZ doing some shenanigans in reusing old video footage and pretending it is current is a smoking gun. TMZ is a bullhorn of the Cabal.

OP with video from Lisa Haven speaking on similar matters

<https://www.nukepro.net/2020/09/justice-ruth-bader-ginsburg-is-on-move.html>

Trump has also been aware that Ginsberg was dead. And he called them out, but 10 days ago, releasing his list of possible supreme court justices. Put them on the spot. Either admit she is dead, or be exposed.

Just curious too how her husband, Martin Ginsburg is so similarly names to Martin Gugino, the infamous "tall Kramer falling guy" with blood out the ear and fired cops that were reinstated, and no civil suit filed even though he was reported as having a cracked skull, and amazingly released from the hospital in less than 4 days.

See what you think, the matrix runs deep. There is also what I feel is compelling evidence that Stephen Hawking died decades back and they replaced him with a blond imposter. It's weird, but decades back the Cabal decided that it needed to control science and education, and having control of the "smartest man on earth" was part of it.

Hunt for Red October.

Turn TOWARD the Torpedo.

Seeing that the left was going to launch the RBG-IS-WELL-AND-TRULY-DEAD-THIS-TIME torpedo, POTUS turned the boat into the path of it and by resetting his SC List, effectively allowed the torpedo to strike without being armed.

Strengthen my faith, Lord. Forgive my sins, so that I may be clean in your righteousness. Make me brave, so I can stand and fight the spiritual battles in my life and in our world. Give me your wisdom and discernment so I won't be caught off guard. Together, Lord, we'll win, because in truth, you already have. While evil still roams, the power of Your name and Your blood rises up to defeat and bring us victory against every evil planned against us. While malicious actions may disturb us, we use the armor of God You have given us to stand firm. You will bring justice in due time for all the harm and needless violence aimed at Your children. Until then, we remain in Your presence, aligned with Your purposes, and we look to You as our Supreme Commander and Protector. Help us to avoid temptation, and deliver us from evil, Lord. You are the Mighty One, the One Who will ultimately bring all evil to light. With You, Jesus, we are safe. Amen.

RGB was already fucking dead. The wedding she allegedly officiated a few weeks ago? This is the only "photo" from twitter proving it. Total forgery. (files.catbox.moe)

dead for a year, maybe more.

Democrats need to be totally crushed, landslide loss in all houses to show our resolve...

Their threats and plans to grab power by extending the court and Senate should be halted in its tracks by giving the House, Senate and White House to Republicans.

They are going to win. Seriously, I can't believe people are not wrapping their minds around this. Democrats can, and will, make up as many votes as they need to win. Alter ballots? Don't even have to.

Just tell the media the number you need and they will report it. Why wouldn't they? They have faced zero punishment for major massive crimes, who is going to stop them from stealing the election? The same people who never stopped them from doing anything they wanted to do?

There are still faggots hiding in their homes six months into a wildly exaggerated pandemic. Healthy people, athletes, 25 years old, in quarantine for six fucking months. Because the television told them to.

The vast majority of people question absolutely nothing they see on TV.

This is exactly the reason that the "arrests or get the fuck out" people have been right all along. When you excuse and accept lawlessness you get more of it.

That's the most basic concept civilization has ever faced and you people argue that it's cool to just wait longer.

They are getting away with everything they want to. They are stepping all over the American people and getting away with it.

That's not even arguable. It's 100% happening.

There is zero outside incentive not to steal the election. Watt, do you think they're going to play fair out of the goodness of their hearts?

Yeah whenever I try to wrap my head around everything, it all comes back to the power of the media. I used to play a command and conqueror game that involved a faction that specialized in brainwashing. The ironic thing is, modern society has been brainwashed to think of "brainwashing" as a sci-fi kind of thing, as if it took special machines...oh how we've been duped... Very quietly. Very sudden.**

How do you gain leverage?
Over people that kill people.
You convict them of treason.
In a Military Tribunal.
And issue a death penalty.
Now you have leverage.
Offer them life in prison.
To as few people as possible.
Like a few in the WH.
Like a few in the Media.
Like a few in Deep State.
Like a few in Congress.
Only if they do certain things.

Like video tape confessions.
Like name name, all names.
Like play a role in a movie.
Like their life depends on it.
Makes them great actors.
Make them act despicable.
So when truth comes out.
The public despises them.
And all their institutions.
Make them take blame.
And then praise Trump.
To avoid death penalty.
And get life in prison.
On time and under budget.
(((Their))) 9/11 is coming.

**Right after a few things.
Like 2019 budget approved.
Like Trump exonerated.
Like Kavanaugh confirmed.
Then you drop it all.

2017 MILITARY TRIBUNALS

IMAGINE YOU ARE HILLARY & FRIENDS, AND IT'S EARLY NOV 2017....

**IF YOU WERE CONVICTED OF TREASON IN A 2017 SECRET MILITARY
TRIBUNAL, WOULD YOU CHOOSE THE DEATH PENALTY OR LIFE IN
PRISON TO PLAY A ROLE IN THE UPCOMING 2018 MAGA MOVIE?**

PART 3:3 THE SCRIPT.

THE REAL SCRIPT IS GENIUS, ELEGANT, SIMPLE AND GUARANTEED....

ARRESTS ARE EASY. IT'S MUCH HARDER TO DESTROY AN EVIL INSTITUTION LIKE THE DEEP STATE OR MEDIA THAN A PERSON. THE REAL GOAL IS TO MAKE ((THEM)) DESTROY THEIR OWN INSTITUTIONS BY HAVING THEM "ACT" A CERTAIN WAY IN PUBLIC TO TARNISH THEIR INSTITUTION WHEN THE TRUTH COMES OUT. THIS BEHAVIOR WILL ULTIMATELY MAKE ALL AMERICANS LEARN TO DESPISE THEM FOR THEIR CRIMES. THEY WILL BE TOLD TO UNFAIRLY ATTACK TRUMP UNTIL THE TRUTH IS DROPPED. AND THEN THEY WILL BE TOLD TO TAKE ALL THE BLAME AND PRAISE TRUMP'S ACTIONS. CHECKMATE.

PART 4:4 THE ACTORS.

CONVICT JUST A FEW KEY PLAYERS IN EACH CATEGORY IN 2017....

Q SAYS WE HAVE IT ALL. TO MAKE THE PLAN WORK, TRUMP'S TEAM WOULD SIMPLY NEED TO ARREST AND CONVICT A FEW KEY ACTORS IN LATE 2017 FROM EACH OF THE FOLLOWING 4 CATEGORIES. AND THEN LET THEM CHOOSE THE DEATH PENALTY OR LIFE IN PRISON OR A REDUCED SENTENCE BASED ON THEIR LEVEL OF INVOLVMENT. THERE WAS NO NEED IN 2017 TO HAVE MILITARY TRIBUNALS FOR ANYONE OTHER THAN THE KIND OF PEOPLE SHOWN BELOW. OF COURSE, THERE WILL BE MANY MORE TRIALS IN 2019. ABOUT 50,000 THANKS TO HUBER AND THESE TRAITORS. IN THE MEANTIME, THE TALKING HEADS ON MEDIA WILL JUST CONTINUE TO ATTACK TRUMP AS LONG AS THEY ARE TOLD TO BY THEIR MASTERS LISTED BELOW. SAME WITH TWITTER CENSORSHIP. ONCE WORD GETS OUT THAT THESE ACTORS RATTED OUT THE CABAL, THESE PEOPLE WON'T BE ABLE TO WALK DOWN THE STREET EVER AGAIN. AND GITMO WILL BE THEIR ONLY SAFE PLACE.

PART 5:5 THE MOVIE.

ASK YOURSELF WHY THE PEOPLE ABOVE ACT SO ODD LATELY...

PATRIOTS ARE STILL VERY MUCH AT RISK. AND SPECIAL OPERATIONS CONTINUE ESPECIALLY UNDERGROUND AND GLOBALLY WITH ROGUE ACTORS. HOWEVER, ONCE @THEY@ ATTACKED TRUMP IN VEGAS IN OCT 2017, AND ONCE THE SAUDI ARABIAN GOVERNMENT WAS OVERTHROWN, POTUS HAD ALL THE RIGHT IN THE WORLD TO CONVENE THESE MILITARY TRIBUNALS. THAT'S WHY Q STARTED POSTING IN OCT 2017. THE BIGGEST BATTLES WERE ALREADY FOUGHT AND WON. TRUMP THEN TRAVELED TO ASIA AND FOXED CHINA & NK IN NOV 2017. FOR ALL WE KNOW, THESE MILITARY TRIBUNALS WERE HELD STARTING ON JAN 21, 2017. YOU WOULD ONLY NEED ABOUT 50 OF THEM TO DEAL WITH THE CHARACTERS ABOVE, AND IT WOULD ONLY TAKE A WEEK FOR ANY SINGLE TRIAL. SKEPTICAL? ASK YOURSELF IF THE 2017/2018 BEHAVIOR OF THE PEOPLE ABOVE MAKES ANY SENSE TO YOU WITHOUT THIS THEORY.

Twitter Locks Account Linking to Video of Biden Kissing, Smelling, Kids for "Violation of Child Sexual Exploitation Policy (thegatewaypundit.com)

So basically, Twitter officially recognizes that Joe Biden is sexually exploiting children.

That conclusion is inescapable.

Even CNN did a harsh fact-check on Biden today, which is VERY unusual and maybe even unprecedented. You might ask "why now?" Because they are planning to replace him now perhaps?

<https://www.cnn.com/2020/09/20/politics/fact-check-biden-supreme-court-list-ginsburg/index.html>

Look at all these odd happenings with Biden just today, and it starts to add up to something happening.

Biden looks downright ancient and sleepy and infirm at the start of this

speech <https://twitter.com/JackPosobiec/status/1307764386824683520>

Later in that same speech, Biden says "200 million people have died" from virus, and, seconds later, "6 million have been

infected" <https://www.breitbart.com/politics/2020/09/20/joe-biden-claims-200-million-americans-have-died-coronavirus/>

CNN fact-checks Biden pretty savagely for the first time I have seen over his misstatements, front and center on their homepage, <https://www.cnn.com/2020/09/20/politics/fact-check-biden-supreme-court-list-ginsburg/index.html>

Are they preparing to dump him, like now? It would make a constitutional crisis this close to the election, and that might also then delay confirmation hearings on a new Justice.

Reminder: "Anchor baby" citizenship misinterprets 14th Amendment and puts our national security at risk. Time to abolish "anchor baby" citizenship (long overdue).

The "anchor baby" interpretation (i.e., if born on U.S. soil, automatically a U.S. citizen) of the 14th Amendment is a tortured twist of a provision that was meant to apply to children of slaves who were not subject to the jurisdiction of any other country and therefore were 100% U.S. citizens.

If birth is all it takes to qualify to run for the highest office of the land, Putin (Russia) and Xi (Communist China) could (and likely do) send pregnant women over here, put them up in hotels/homes until they give birth to "American citizens," bring mother and child home to their own countries and then send the indoctrinated child back here as an adult to run for President as "natural born."

There is a distinction between "natural" and "native" born and maybe that will come into play in a future case.

There is no Supreme Court case directly on point yet.

Dual loyalties are what the Constitutional requirement for birthright citizenship in the 14th Amendment protected against by saying:

"...and subject to the jurisdiction thereof."

Socialists and others intent on destroying America and ignoring law and order always leave that limiting phrase out.

Many countries grant children of their citizens automatic citizenship, no matter where in the world they are born. So when a child is born on U.S. soil to a parent of foreign citizenship, that child is a citizen of another country. He or she may go through the hoops of becoming an American citizen but should not be considered a citizen simply by virtue of his or her mother being on U.S. soil, legally or otherwise, at the time of his or her birth.

This bastardized application of our laws to create "anchor baby citizenship" is what:

- puts our country at a national security risk,
- has blossomed a huge "birth citizenship tourism" industry,
- puts pregnant women at risk - drawn like a magnet by the policy - who make dangerous illegal border crossings while pregnant,
- puts women flying late term from foreign lands at risk (again drawn by a twisted interpretation of the 14th Amendment).

Anonymous

It's time to clarify the very abused "anchor baby" principle by stating clearly what the 14th Amendment meant - as opposed to how it is being applied.

No "anchor baby" citizenship.

<https://www.thegatewaypundit.com/2020/09/blm-mob-hits-rural-america-blm-blocks-entrance-bigfoot-school-rural-wisconsin/>

If you're a female and you base your vote on the ability to one day terminate a child's life based on your own irresponsibility by getting pregnant in the first place... well, you're a cunt.

Agreed. Abortion should not be seen as an acceptable form of birth control. Last resort against rape, incest, or a threat to the mother's life. This is the most reasonable, sane, and obvious stance on the issue. If it has to be done for other reasons than those listed, it should be done as early as possible. None of this late term, third trimester abortion crap. That's straight up evil.

Cuomo made up to birth abortion LEGAL in the State of New York, an attempt to cover up the widespread baby farming/harvesting Planned Parenthood has engaged in.

This whole thing is so EVIL, I don't think people can comprehend the magnitude of it all.

The satanic propaganda tells us that those exceptions are a significant portion of abortions. But fact is, they make up much less than 1% of abortions.

I agree, there is a satanic component to the issue. More people need to see what an abortion actually consists of. I think an HONEST documentary showing the beginning to end effects of an abortion may change some minds on the whole procedure. When does a

person become a person? That's the issue. If a mother decides she no longer wants her 2 yr old son, should she be allowed to kill him? No? Why? It's murder. Why does this same protection not extend to the unborn who have body and mind and heartbeat?

Abortion is a satanic sacrifice.

Fed up New Yorkers painted a massive mural in front of Trump Tower in NYC and near the White House - "Fuck Cuomo and de Blasio."

According to the New York Post, the mural went up on Saturday in the early morning hours “of an annual block party which this year doubled as a ‘small business owner protest.’”

An attendee told the outlet that people got the idea to paint the message in giant yellow letters on North 15

“It was a big hit. The crowds cheered. Even the cops chuckled,” the unnamed individual said.

However, the city reacted quickly. Department of Transportation crews removed the message within 24 hours of its completion, despite local officials, such as New York City Mayor Bill de Blasio (D) and D.C. Mayor Muriel Bowser (D), having recently commissioned Black Lives Matter murals on the streets of their cities.

According to the Post, “They told the partygoers it came from up top and they were told the sign said ‘F–k the police,’ the attendee said, though it was unclear whether the workers meant that the order came from top DOT officials or City Hall.”

In June, city workers in Washington, DC, completed Black Lives Matter Plaza, painting the words on a portion of 16th street near the White House:

Note this was said by Podesta 3 days prior to Scalia's murder. "Wetworks". As a conservative, the deep state needed to eliminate him to try to put in a leftist activist SC judge like Lynch appointed with perspective President Hellary. They never thought she would lose.

Matt Gaetz: If GOP Senators Murkowski and Collins Refuse to Vote for SCOTUS Nominee They Should Lose Funding from the GOP - TGP (thegatewaypundit.com)

<https://www.thegatewaypundit.com/2020/09/matt-gaetz-gop-senators-murkowski-collins-refuse-vote-scotus-nominee-lose-funding-gop-video/>

They should be dismissed from the GOP entirely.

Murkowski and Collins are CCP Traitors!
GITMO!

POTUS' Ohio Rally Didn't Go As Planned.

First of all, two people were arrested for possessing a gun and a bunch of ammo before POTUS landed. That was the cause of the delay.

Second, the Ohio speaker of the house actually pushed mask wearing on the crowd when going into stores, and was then booed relentlessly. That was great!

When POTUS arrived, he mentioned Ohio Governor Mike DeWine and complimented him.

POTUS apparently doesn't know that Ohioans hate Mike DeWine, even if he says he's a Republican, even though he really isn't.

Finally, POTUS did the applause poll again to see if the crowd wanted a woman or a man to fill Ginsburg's seat. It was cringe worthy. I wish he wouldn't do this. There are plenty of people who

The Storm: Volume Seven

want a strong man in that position, but unfortunately he is doing the same thing the left does...promoting genitalia over qualification. Fill it with a woman, fine. But don't expect people to not want a man in that position, and don't divide your base on that issue. That is a left tactic. Don't let it become ours.

I have a feeling that POTUS just figured out that Ohioans are unhappy with their "state leadership" even if they claim to be republicans. POTUS can call DeWine a great Governor all he wants, but we Ohio conservatives know better. He even nervously smiled when the boos rang out about Gov. DeWine.

The mask "mandates" are hard here in Ohio, and people are fed-up. Rightfully so.

Great summary anon, couldn't find an honest analysis like this anywhere else on the planet. Appreciate your efforts as a fellow Ohioan!

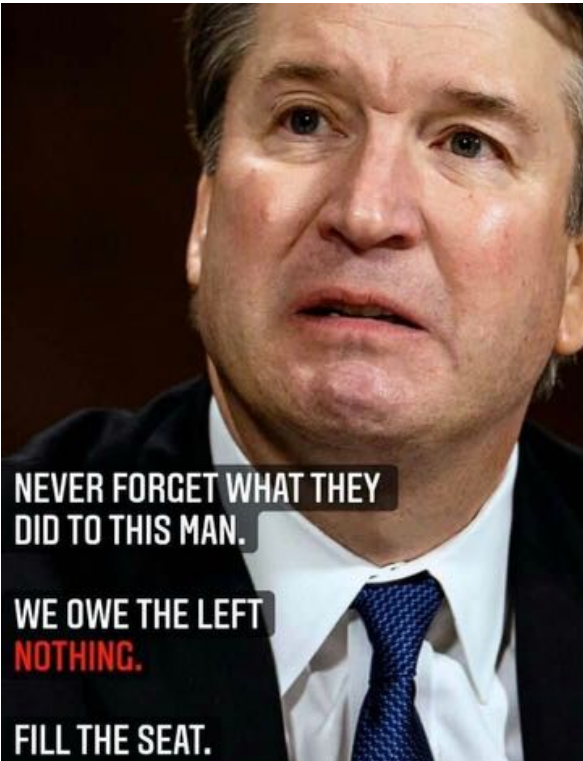

I somewhat agree on the woman thing. He should have never said that. As republican we don't care if it's a man or a woman as long as they're the best person for the job. Maybe he's trying to get dem women on the fence to vote for him since early voting has started. Remember he was a dem before he became a republican.

Forcing the media to show him willing to place a woman on the Supreme Court, and showing his "racist misogynist" base applauding a potential woman on the court was likely the point.

Looks like a choice was already made and a show of it was presented via the press, who never understand why he does any of the things he does.

POTUS compliments a lot of people...doesn't mean he's sincere. He's pointing out tongue and cheek how fake it all is...especially the establishment permanent Political fixtures.

There is a persistent and deliberate effort by the media to paint the Epstein/Maxwell/Blackmail operation as a 'sex cult' where adult women were mistreated.

Nothing is said about children, politicians or a certain intelligence agency behind it. (((MOSSAD)))

Isn't the whole high fashion model industry about keeping them as skinny as possible? Always thought it was a gay fashion designer thing, wanting flat chested tall woman to show off the clothes they really wanted to wear, but seems like it was a pedo training camp as well.

The Kyle Rittenhouse Case - The Truth in 11 Minutes - YouTube

CBS reporting Julian Assange at "Very High Risk" of Suicide. They are setting the narrative.

The man has been effectively in jail for years...and conveniently now, the MSM is telling us he's suicidal.

Reminds me of Jeffrey Epstein:

<https://twitter.com/CBSNews/status/1308637203472539648>

and here:

<https://www.cbsnews.com/news/wikileaks-julian-assange-at-very-high-risk-of-suicide-attempt-psychiatric-expert-tells-court/?ftag=CNM-00-10aab7e&linkId=100254991>

London — WikiLeaks founder Julian Assange complained of hearing imaginary voices and music while detained in a high-security British prison, a psychiatrist who has interviewed him told his extradition hearing on Tuesday. Michael Kopelman, a psychiatrist who has interviewed Assange around 20 times, said the former hacker would be a "very high" suicide risk if he were extradited to the United States for leaking military secrets.

How will your life be changed by the business leaders shaping the world of tomorrow?

He cited as evidence Assange's "severe depression" and "psychotic symptoms," which included auditory hallucinations while in solitary confinement in his cell at the high-security Belmarsh Prison in southwest London.

Kopelman told the Old Bailey court in central London that Assange said he hallucinated music and voices saying "you are dust, you are dead, we are coming to get you".

The Storm: Volume Seven

Assange's suicidal impulses "arise out of clinical factors... but it is the imminence of extradition that will trigger the attempt," he added, warning "he will deteriorate substantially" if extradited.

Assange's partner Stella Moris has previously said she feared he would take his own life, leaving their two young sons without a father.

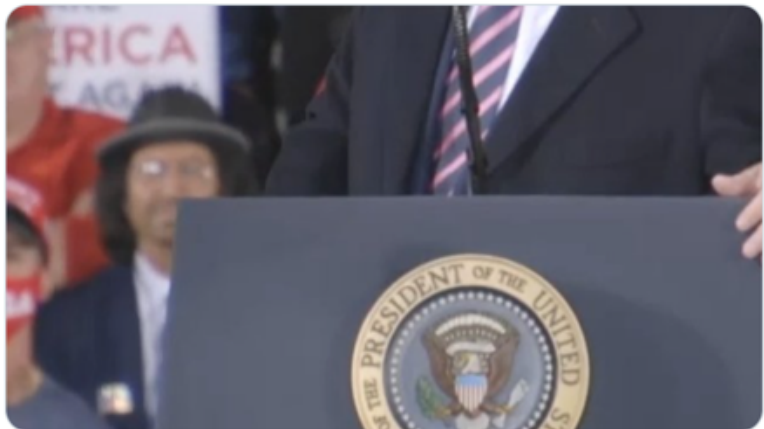

James Lewis, representing the U.S. government, quizzed Kopelman over the veracity of some of Assange's claims, suggesting he may have made them up.

Sounds more like a threat than inside knowledge. What they are saying is "If you try and extradite him, we'll kill him." - Since when does being extradited to a country that is NOT currently being run by Pedo Satanists induce suicide? - I bet the car and plane rides alone would be enough to lift his spirits after being confined for so long. - Mother fuckers are going to kill him.

ATTENTION ALL PEDES!

ATTENTION ALL PEDES!

GEOTUS HAS CALLED ON YOU INSIDE THIS ORDER.

I found an important section in the order!! Please read Section 4, paragraph 4 (c)

Trump himself is calling on you, any employees of federal contractors, and federal grantees!

GEOTUS needs YOU to gather, save, archive all HR "diversity" training materials from your company!

DO IT NOW! If you're at home, log in/VPN in and make screen recordings! Tomorrow morning, when your HR department reads the order they may try to SCRUB ALL EVIDENCE!! YOU NEED TO ACT NOW!

GEOTUS directed the Director of OFCCP (contract compliance) to create a REQUEST FOR INFORMATION (RFI) within 30 days, for ALL EMPLOYEES of federal contractors AND subcontractors (THAT'S YOU), to submit all evidence of DIVERSITY PROPAGANDA.

GEOTUS wants:

"Copies of any training, workshop or similar programming having to do with diversity and inclusion as well as information about the duration, frequency, and expense of such activities."

SAVE ALL "DIVERSITY" INFO NOW! Before HR can delete it!

ONCE YOU HAVE THE EVIDENCE, WAIT AND WATCH FOR THE RFI! It will appear on the Federal Register

WAIT AND WATCH FOR THE HOTLINE TO SNITCH!

EDIT 2: Some noble pedes have pointed out this includes federal grantees, so if you work for some place that receives federal funding, GEOTUS needs your help, too!

EDIT 3: According to The Order (anyone know what number this is?), the RFI will be posted in the Federal

Register. <https://www.federalregister.gov/> Can some pedes with excellent memories try to check this often Over the next month? I think the EO number will help with searches in the future.

Christopher F. Rufo @realchrisru... · 2h ✓

The point on federal contractors is a major escalation: if a private company wants to work with the US government, they can no longer teach critical race theory anywhere in their offices. This could potentially disrupt CRT programs in half of the Fortune 500.

The executive order will also disrupt the flow of money to academia's critical race theory programs. The order stops all federal grants that support CRT—with the potential to cripple hundreds of academic projects moving forward.

Fredrick knew something was not right, so while serving, she whispered in girl's ear to go to the bathroom where she left a note asking "if she is okay". The girl responded with "I need help". David Lynch: Trump Will Go Down History for Destroying The New World Order - (((They))) all know they have lost Already...

[https://englishwire\(dot\)today/2020/07/14/david-lynch-trump-will-go-down-history-for-destroying-the-new-world-order-2/](https://englishwire(dot)today/2020/07/14/david-lynch-trump-will-go-down-history-for-destroying-the-new-world-order-2/)

This site is difficult to navigate because of Pop ups but the message is there from a Bernie Sanders supporter. They see the writing on the wall and know they have already lost the battle for America and the world:

Iconic American filmmaker David Lynch has said that President Donald Trump could go as one of the ‘greatest presidents in history’ for destroying the deep state and the New World Order. According to the “Twin Peaks” creator, the New World Order cabal are no longer able to Trump’s superior intellect and are now cornered like “frightened children.” “He could go down as one of the greatest presidents in history because he has disrupted the thing so much,” Lynch said referring to the New World in an exclusive interview with the guardian. “No one is able to counter this guy in an intelligent way.”

He voted for Bernie Sanders in the 2016 Democratic primary and thinks — he’s not sure — he voted Libertarian in the presidential election. “I am not really a political person, but I really like the freedom to do what you want to do,” says the persecuted Californian smoker. He is undecided about Donald Trump. “He could go down as one of the greatest presidents in history because he has disrupted the thing so much. No one is able to counter this guy in an intelligent way.”

How many more murders does BLM have to commit before the NFL,NBA and MLB reevaluate their fully endorsing them?

Every since major league sports teams fully endorsed the BLM movement whose stated goal is to destroy the family unit and our nation as it was founded, i have wondered how long will it take these sports venues to distance themselves from this violent organization, and how they would go about it.

BLM is becoming more and more violent as the election nears hoping to spread fear so those on the right will think twice about going to the polls to reelect our great president.

All local police departments need to be federalized like they have been in Portland in order to deny local Democrat mayors by using a revolving door to release these criminal with no charged levied against them.

Stunning findings on report of Catholic Church abuse: Pa. priests molested more than 1,000 children and the media calls Q a larp?

[Robert Mizic, 47, said his life was taken away as an altar boy 35 years ago, when he was abused by his parish priest at a Catholic Church in suburban Philadelphia.

He is one of the many accusers in a sweeping scandal encircling the Catholic Church in Pennsylvania.

Hundreds of priests were said to have molested more than 1,000 children — and possibly many more — since the 1940s, and senior church officials, including a man who is now the archbishop of Washington, D.C., allegedly covered up the abuse, according to a grand jury report released

The Left is immune to reason, facts, objectivity, and critical thinking. It's a mob, after all, and their entire lives are based on feelings, not thoughts. So if anyone wants to go "reason" with the mob, have at it.... I'm just cleaning my guns.

The Pandemic is the National Indoctrination into MK Ultra.....

<https://www.yahoo.com/lifestyle/half-covid-patients-made-one-003120997.html>

First a reformation of the MK-ultra indoctrination, With the addition of anxiety a hint of a terrible problem

" As the COVID-19 pandemic has progressed, medical experts have used several different methods for slowing the spread of the virus.

By now, wearing a face mask, practicing social distancing, and regularly washing your hands have practically become second nature. (The reaffirming of indoctrination)

But the use of one other potentially effective preventative measure has hit major snags in the U.S.(note the word major) : contact tracing. In fact, one new study found that half of COVID patients failed to report their close contacts after testing positive. (the introduction of problem)

The problem ..

" The research, which was published in the Centers for Disease Control and Prevention's (CDC) Morbidity and Mortality Weekly Report, focused on a set of patients infected with COVID-19 in North Carolina during a period of "high incidence" of the disease in June and July, during which cases increased 183

percent. Results found that 48 percent of those who had tested positive in Mecklenburg County reported no contacts whatsoever and that 25 percent of those who were reported were unable to be reached.

The study also cited another important finding: The median interval of time between patients first testing positive and successfully notifying those they had been in contact with was six days. "

oops an error

"Despite aggressive efforts by health departments, many COVID-19 patients do not report contacts, and many contacts cannot be reached," the study authors concluded. "Improved timeliness of contact tracing, community engagement, and community-wide mitigation are needed to reduce SARS-CoV-2 transmission." (WHAT???)

Now the solution to your anxiety with the threat of (catching disease and dying) if you don't act now.

"The use of app-based contact tracing hit significant early roadblocks in the United States compared to other countries. But a recent re-

The Storm: Volume Seven

release of software known as Exposure Notification Express by Apple and Google was put in to use by public health officials in Maryland, Nevada, Virginia, and Washington, D.C. "I would say this is an improvement," Jeffrey Kahn, director of the Johns Hopkins Berman Institute of Bioethics, told The Washington Post. "It's still not probably serving all the interests that public health would want, but it's better than nothing." And for more on places where contact tracing could come in handy, check out These Are the States Where COVID Cases Are Skyrocketing. "

This is MK Ultra in its newest form..

It is hard to explain how this works when one has been through it .. I hope you can see what i am trying say...

They keep refining it making it more deceptive and harder to fight...

9/11 ---> Patriot Act----> all that followed attempting to destroy The Constitution was the beginning of Media Mass MK on a grand scale.(you could make a case for WW2 and Vietnam).

Mass trauma, opening up receptors to the powers of suggestion, hinting/threatening worse trauma to come, simultaneously the propaganda swallowed whole without much resistance.

. The hopeful outcome - ingrained belief in presented propaganda and obedience to future unreasonable requests/mandates, staged

Thank you Anon you put better words into what i was trying to show.... God Bless

You are correct too. The Pandemic is classic MK Ultra Mass Mind Control.

WOW! Nancy Pelosi to Mike Pence: "We never wanted a coup d'etat for you."

Another anon in another thread posted a link to the "Gunner's Wife" YT channel. Some interesting stuff, not buying all of it.

But what makes her channel unique is that she lip reads what politicians are saying when the cameras are on, but they are not "on camera."

Of course, I can't say for sure if her interpretation of what they are saying is accurate, but most of it seems spot on.

In this clip, Nancy Pelosi and Mike Pence are standing together just before the State of the Union address. Trump has not yet arrived.

Various congressmen are hanging around and talking to each other.

Presumably, these are people who don't get a chance to just "hang out" together very often. So, they are talking and since the cameras are rolling but not picking up what they are saying (and the cameras

are panning around the room, and generally not focusing on anyone in particular), they seem to be a lot more open to say what they really think.

In this clip, there is a camera at the back of the room directed at where Trump will be speaking, and Pelosi and Pence are behind that, so they are on camera the whole time. Microphones are not picking up what they are saying, but this lady is lip reading.

Another man comes over to talk to both of them. All 3 are very friendly. This is during the time of the impeachment. Pelosi appears to be saying to Pence, "We never wanted a coup d'etat for you."

The entire video is very interesting and worth a watch.

CAUGHT RED HANDED: Woman who rented the U-Haul full of weapons in Louisville may have ties to Soros.

Following the Breonna Taylor decision Wednesday afternoon, a U-Haul truck began handing out supplies to Antifa and BLM protestors. But, where did the U-Haul come from, and what was inside?

The answers may shock you.

The U-Haul filled with shields, riot gear, signs and weapons was rented by a George Soros-connected “bail disruptor” by the name of Holly Zoller.

According to The Right Scoop, a U-Haul employee leaked the logs that show she was the one who rented the truck. The log shows that Zoller picked up the truck on Tuesday morning and was supposed to return it Wednesday morning.

But, she never did.

At the time of the photo, the status of Zoller’s reservation is “Late Not Returned.”

That late fee is going to hurt.

Zoller works for the “Bail Project,” an organization “designed to combat mass incarceration by disrupting the money bail system – one person at a time.” According to her bio on the project’s website, she is also the founding organizer of Louisville Books to Prisoners. Now, what connection does Zoller have to Soros?

According to The Right Scoop, the Community Outreach Director Dolores Canales was a Soros Justice Fellow.

While there has yet to be a direct confirmation that Soros is funding the group, it is all too coincidental. There is a good chance that the billionaire investor and philanthropist is either directly or indirectly involved, but we will have to wait until the full truth comes out.

Covid is being used to roll out a police state: They know it's not deadly, it's no longer spreading and Lockdown is killing off the few small businesses which remain viable. (zerohedge.com)

I know Zero Hedge won’t ever come out and say it but they don’t “know it’s not deadly.” They know it doesn’t exist.

Stop pussyfooting. It’s fucking fake.

There is no new virus, it was never scientifically shown to exist. The sheer amount of clearly improvised bullshit is enough to know this anyway.

Masks don’t stop disease. They were basically used by doctors and techs in surgery cases to make sure they don’t sneeze or drool into a patient’s sterile field.

There is no such thing as an “asymptomatic carrier.” You either have a disease or not. You can’t pass something you don’t have.

This was already common sense before this year when common sense was murdered.

I think it exists and is a Wuhan bioweapon. It was never that deadly though.

Anonymous

“Eureka we’ve done it! We’ve created a not-that-deadly bioweapon!”
How stupid.

Everything the Media Claimed About Breonna Taylor's Death Was a Lie - Truth Surfaces - No Police Charged in Her Death (theconservativetreehouse.com)

<https://theconservativetreehouse.com/2020/09/23/everything-the-media-claimed-about-breonna-taylors-death-was-a-lie-truth-surfaces-no-police-charged-in-her-death/>

As with the Trayvon Martin case.... and as with the Michael Brown case..... and as with the Freddie Gray case.... everything pushed by the media about the Breonna Taylor case was based on lies. The media will now refuse to admit the truth and will now spin the narrative to claim they never reported incorrectly. Absolutely ridiculous.

HUGE!!! BREAKING: FBI finds military mail-in ballots discarded in Pennsylvania. 100% of them were cast for President Trump..... (justice.gov)

These (((ungrateful vermin))) send us to fight wars in the desert for the country they are actually loyal to, and then throw away our ballots so they can fuck up our home before we get back.

The people who haven't accepted the results of 2016 election are whining that Trump hasn't accepted results of 2020 election.

Remember in 2016 the media kept asking Trump why he hasn't conceded even though the election hadn't even happened yet, And then these same people refused to accept the results of 2016 election, and came up with all these crazy conspiracy theories about Russian collusion, Russian election meddling etc even though no Russian influenced a single voter to vote for Trump?

Ironic isn't it? Well fucking phrased my friend.

Anons, I am reading "The Last President" for the FIRST TIME. HOW is this possible??

UNCANNY that this book opens in New York City on November 3rd, 1896.

The announcement of the newly-elected president of the United States, who happens to be an outsider candidate – the candidate who represented the “common man,” who would liberate the people from the grip of the bankers, and “undo the bad business of years of unholy union between barterers and sellers of human toil and the law makers of the land.”

Aka, an anti-establishment candidate. (Trump)

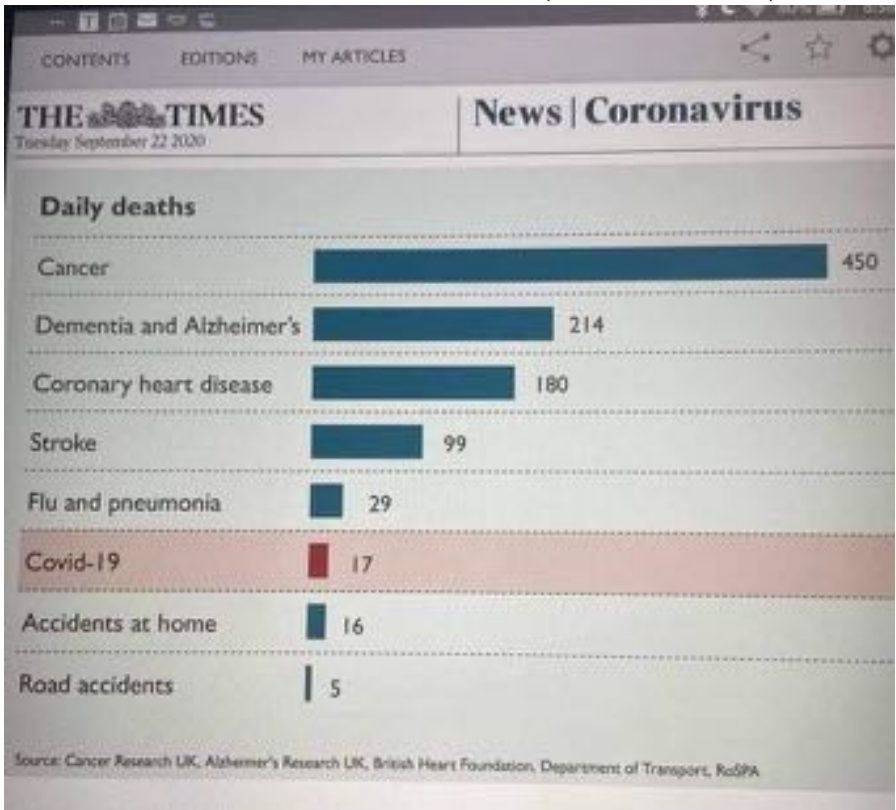

The very first page describes New York in turmoil over the announcement, with mounted policemen yelling through the streets: “Keep within your houses; close your doors and barricade them. The entire East Side is in an uproar. Mobs of vast size are organizing under the lead of Anarchists and Socialists, and threaten to plunder and despoil the houses of the rich who have wronged them for so many years.”

As the riots advance upon Madison Square...“The Fifth Avenue Hotel will be the first to feel the fury of the mob. Would the troops be in time to save it?”

Does that mean you haven't seen these fantastic videos?

The Law of Attraction will Give Trump 4 More Years. I can explain...

No doubt you've heard of the law of attraction, or as it was back in the day, "you get what you think about". "What you focus on expands" and on and on. This bodes well for Trump fans in their flotillas and rallies, (sorry, "peaceful protests").

It also spells doom for the pitiful left, the sky-screamers and furious-at-reality emotional weaklings. They are getting what they think about, what they think about is expanding, and they are headed for the thing that they are dreading. (4 more years of DJT). Cuz they think about it way WAY WAAAAAYYYY too much. And with a powerful, vengeful, hateful vibe. Such emotions stir up trouble for

Anonymous

those that wallow and revel and sometimes delight in them. Emotions that, in the tortured brains of rioters, make them stir up trouble for society, and for themselves as individuals. That's the root of TDS. Their derangement is expanding and now they're trying to tip over the board game and run out of the room because they're losing big time. These brats are ready for a good spanking. They'll get it when the people get to speak by voting. If you were a miserable lefty and it was election morning, you might find yourself lying in bed, studying your pain, moving from dread to self-loathing to concern about your caloric intake vs nutrients, and you're scared you're gonna get in a mood and not even go vote, you lazy, indecisive, weak-willed fool. You'd berate yourself, for good reason cuz you know yourself. You might not vote, especially if its not sunny and warm out. Lots of your like-minded, weak-minded colleagues might feel the same and roll over and go back to sleep. Cuz you realize you're not gonna win, you cannot beat DJT. I've painted you a picture of Law of attraction in action. The optimist's salvation and the pessimists defeat. Laid out clearly: Trump will win. People are mostly cool, but we've got some real jerks who need to be told by the rest of us to back off. I know how. Vote for the honorable, the pugnacious, the magnificent, the fearless, the durable, the inspiring, the optimistic, the adventurous, the cunning, (have to be to beat these Deep State Ghouls), the clever, the brave, the patriotic, the hilarious, the undisputed Master Troller, the promise-keeper, the most powerful man in the world, a leader who can't be bought or blackmailed. Why would 12 Potential Supreme Court nominees meet at the Obama Whitehouse the week before Antonin Scalia's murder?

Where are people seeing 12 potential nominees on this Tweeted document. I see Merrick Garland. Where are the others? Not that the Merrick Garland thing isn't weird. But where are the 12?

It's one thing after another isn't it?

Never ends

The murder, the hours for law enforcement to the scene, Podesta mentioning wet works referring to Scalia 2 days before his murder, being at Epstein's house, weeks before the murder 12 justices went to the WH for interviews, the unexpected immediate cremation instead of 'RBG' wake showing - all add up to murder but never was investigated knowing the FBI was corrupt.

I think this could instantly turn to Military Courts because John Roberts might be the first major arrest. Talk about people freaking out.

John Roberts is over the FISA Court....

Did Roberts ALLOW spying on Trump to cover his OWN ass???

Re: Epstein Flight Logs???

Why. Why yes he did.

Isn't it interesting that Long John Silver was written by Robert Luis Stevenson and portrayed by Robert Newton in the 1950s adaption while in 2016 John Roberts knowingly participated in the murder of Anthony Scalia? Just something everyone should be considering.

John Roberts needs to go. It's way past time for him to pay for Obamacare.

You know the speculation about him being comped, don't you? An illegal adoption and of course the Epstein log.

I just read somewhere that he might have been involved in the Scalia hit.

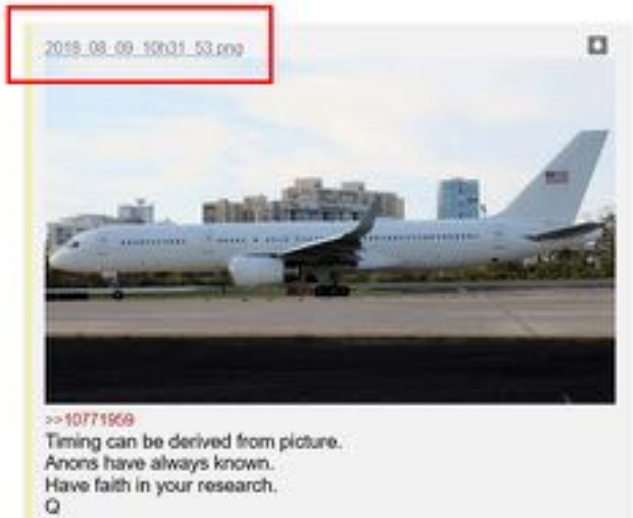

Look into the FISA judges and you'll see what will end up removing Roberts....

'Organized Election Fraud': 4 People, Including Texas County Commissioner, Charged In Mail Ballot Fraud Scheme.

[More election fraud from the democrats. This is how they gain and keep control over the people.

Republican Texas Attorney General Ken Paxton announced charges Thursday against four people, including a county commissioner, for allegedly carrying out a mail ballot fraud scheme in the 2018 Democratic primary.

Gregg County Commissioner Shannon Brown and three others “targeted young, able-bodied voters to cast ballots by mail by fraudulently claiming the voters were ‘disabled,’ in most cases without the voters’ knowledge or consent,” as part of a vote harvesting scheme meant to swing the primary to Brown, according to a press release from Paxton’s office.

Brown, a first-term county commissioner, won his primary by five votes after mail-in ballots erased the 19 percent lead his opponent held after early and election day votes were tallied, the Longview News-Journal reported in March

I'm thinking start with the County Sheriff and file a formal complaint against the County Clerk's office.

Then go around and ask people if they have experienced a similar situation. Build a case against them and fucking go after these Communist pieces of shit destroying our Country.

My first question would be what is the political affiliation of the Sheriff? You want to be careful there because he could bury your complaint and destroy your evidence.

With that said, good luck. It needs to be investigated.

We're also going to check out a Collective Soul concert. Never knew George was a fan, but he is and so am I, so we're going. That isn't code or anything so don't bother looking for the corresponding code - this just means we're actually going to see Collective Soul in concert.

More to come. But yeah, these machines will be humming in November, just like I'll be humming a few Collective Soul songs next week.

So..... we're creating a vaccine for a virus that has at least a 94-99.99% survival rate for ALL ages?? Something tells me this isn't about an actual vaccine..... (files.catbox.moe)

| 20 -49 years | 99.98% |

BREAKING: A large cache of confidential foreign documents have just been leaked implicating Joe Biden, George Soros, Hillary Clinton and Joseph Misfud's collusion and possible criminal activity in Ukraine.

Download and start digging! 
scribd.com/user/259237201...

CONFIDENTIALITY NOTICE
THIS WITHNESS STATEMENT IS PROVIDED ON THE STRONG UNDERSTANDING THAT ITS CONTENTS AND THE IDENTITY OF ITS MAKER ARE IMPLICITLY CONFIDENTIAL.

WITNESS STATEMENT
OF
VIKTOR MIKHAILOVICH SHOKIN

1. Viktor Shokin, holding passport of Ukrainian citizen (FI14016), issued by T0462 of Shcherbinkivskyi (20) of the MIA of Ukraine in Kiev, residing at No. 21, 14 Tarasivskaya st., city of Kyiv, stated as follows:

2. I made this statement at the request of Steven Walling for Dmitry Fomoch (DF), for use in his investigation for records. I did not publicly, electronically, and without any threat.

3. That DF advised in Ukraine there was a real possibility of an attempt being made on his life, whether on orders or voluntarily, by an individual "serving his country". And I readily realize that as General Prosecutor, I would never have permitted DF to be detained for political reasons, especially as I know for a fact that there was no criminal grounds on which to detain and prosecute him.

4) This intense confidence in Ukraine's stability by US officials and their US allies during DF's return to public life in Ukraine was clearly followed by another intense confidence, namely Steven Walling's persistence to obtain the document by various and deceptive means. I did not see the interest of the US Vice President Biden and the general mentioned in this.

5. I have not met the author.

6. The General Prosecutor of Ukraine is appointed in office by the President of Ukraine with the consent of the Verkhovna Rada (the RaDa), i.e. parliament). I was accordingly appointed during the presidency of President Poroshenko by 158 Subject, further in this text.

Signature: Viktor Shokin
I have signed this document and some of my notes, just to be more precise on the document that we have just had, as a representative of some individuals. I can confirm that the same information was introduced to the media in a public way. I am a member of the RaDa and I have been working with a number of US institutions. (https://www.viktorshokin.com/)

Signature of Program Director: Steven Walling, FBI
10/26/19, 10:45 AM
New York, NY

20. The document will have been undergoing for a number of years in a number of government rooms, mostly pertaining to public relations, for the US and international reports on energy security and their implications on international relations. After working for both countries, I have been in contact with both sides.

The release of this "leaking" was specifically of a geo-political nature and not related to any form of information or it was a result of a general understanding of the world affairs and there was no intention to expose and exploit it. It was specifically to leak it to a global audience.

Because I Love My Daughter, (even tho she's a flaming lib)

I warned her of what I see coming: Trump supporters are full of hope and happiness, expressed in flotillas, car/golf cart parades, huge turnout at rallies, flag-waving Patriots having a great time... Biden supporters already sitting out his campaign, (Biden himself sitting out most of his campaign), no significant attendance, lashing out, full of bitterness and anger and sadness. I told her that these emotions are powerful and have an obvious outcome. The Patriots will get what they're thinking about. So will the Democrats. We'll have a great time on election day cuz that's what we're feeling in a powerful, consistent manner. What the Dems are feeling is uniformly negative. They'll get what they're thinking about all day every day: Trump is the worst thing to happen to this country and Trump voters are bad and 4 more years of Trump is the worst outcome possible. And this big bad dreaded thing will happen to them, cuz that's what they're thinking about. I told her I love her, so I want her to start guarding her emotions now, so she won't join the pity party afterward. Then I asked her to call me on Nov 4th and console me if Biden wins.

This would have cheered her up, but my insight put her in a funk. That could only happen if it made sense to her. Or that she thought I was deluded by Trump, that conniver, that Svengali, bamboozling her own dear dad. I told her to quit following politics for awhile so she doesn't suffer emotionally. This is not advice I'd give to the average Dem. I don't want them to miss all the angst over what's coming, but my daughter is a fine person immersed in the academic world, before that the Peace Corps... kindhearted, eager to join with those who believe their thoughts and actions are making the world a better place. And I foresee a lot of libs sky-screaming when the obvious happens. Do you have any lib friends or relatives who you wish wouldn't encounter this emotional let-down when Trump trounces Biden?

Up until a couple months after the 2016 election, I WAS your daughter. But after Hillary lost (thank God) after we were all told she had a 92% chance of winning, I started digging. Stumbled into pizzagate right off. Now I've been to two POTUS rallies (one in 2018 and one just about 10 days ago)--both with my Mom who I used to

Anonymous

be at total odds with politically. SO... I'm proof that your daughter can change her perspective.

But, I have to add this: after she changes HER perspective, maybe she could call my daughter and try to help her see things differently. Honestly, though, the truth is coming. 2021 is going to be the year of disclosure (on many fronts). You can see POTUS prepping everybody for it with talk of the first woman on the moon and the first person on Mars, etc. Once the TRUTH comes out, and most of the world gets on the same page about the powers that have manipulated and controlled humanity for literally centuries, the world is going to be a very different place. WORLD PEACE is incoming. Tell your Peace Corps veteran daughter that. For true liberals, PEACE was the highest goal. I remind people of that constantly. These Ds aren't "liberals", they're demons or controlled by demons. Soon, they will have no place left on this planet. Blessings to you and your daughter, sir.

Q4774: Gmail drafts are saved internally by Google instantly but aren't supposedly picked up by NSA until SENT. That means multi party linked draft comms required GOOG assist to avoid detection.

ES approval/assist likely. Arrogance breeds stupidity.

But for all their efforts at secrecy, it's possible the comms could be accessed externally if a comms member had a password like "password," then the hacker could read the dirty comms by clicking on drafts.

Not surprised if ASSANGE had a copy of these but did not disclose. Would explain HRC DEATH threats.

Wrong. The saved drafts are also picked up by NSA. It's no different than any other internet traffic - goes from your PC to their servers even if it isn't sent. The idiots trying to perform a coup didn't know that.

ES tried to hide it. He was invited to step down...

Correct. Drafts also needs to be saved somewhere in “the cloud”, you can test by yourself by creating a draft, and accessing it seconds later on a different computer/phone.

If it's in cyberspace, NSA got it.

But choosing “password” as your password, isn't a good idea either. It has from an early stage been speculated that HRC/CF sold US secrets to CCP via drafts on a “Shared” gmail address.

TAX THEORY

POTUS (and thus Q) allowed if not were behind the anonymous sources to create the story in the NYT. This gives liberals fuel to attack the tax system.

And also, likely it will bring privacy issues to the spotlight, allowing rulings that financial records are utmost private and unless conducted illegally must stay private.

So, the left will claim illegal activity, then the case goes to the supreme court, yep. Right up to Amy and the team.

Except Sotomayor and Roberts must recuse themselves from any case concerning trump (election also) because of expressing personal hatred publicly towards him.

Perfect storm bitches!

Built wealth AFTER arriving Washington, DC

Knowing the TRUTH about 9/11, WMD, Afghanistan (opium), ISIS, Mortgage Crises Scam, Sandy Hook (all false flags), Obama, CIA, FBI and most of Congress... YES, I fight to pay ZERO IN TAXES.

Please...

I would love to hear from all Patriots, about what they don't like PAYING FOR in their taxes.

Sexual Grooming of children in public school

Patriot Act and Domestic Spying

Child trafficking through the Foster Care System

Foreign Aid syphoned off by Poles and their scummy offspring

I don't like paying taxes at all. If the central banks can just print money out of thin air, and it never runs out then why do they need the portion that I earn?

Because it is not the money they want, they have plenty of that, it's the control mechanism and structure that Fiat money (not sound money mind you) provides. It's gold for them and paper for us. It's a SCAM! A system of free range slavery, soon to be much more refined and dangerous.

It's literally Babylonian money Magick, just take a look at the \$1 bill if you aren't sure. That's some serious black magic right there. Fractional Reserve Banking with compound Usury attached and Taxation of Income for control are the real crimes here. Cheers.

Reposting...

Has it been pointed out yet that Wray is definitely a white hat?

Wray set the stage to allow Trump's Platinum Plan to declare the KKK a terrorist organization and lynching a national crime. Why is this genius? Because there hasn't been a kkk lynching in our lifetime but Antifa (also named a terrorist organization in the plan) is very active.

This is checkmate.

The plan gives \$500B to black communities too so ANY condemnation of Trump's plan by the left will seem hypocritical.

He cornered them and Wray helped.
Wrays of light ! This is huge.

Q "x"ing Wray was another fake out.

1. "Trust Wray" - this makes the left hate him
2. Wray completely goes against Trump's words - this makes the left love Wray.
3. Q "x" Wray - left loves Wray even more
4. Wray declares White Supremacists the biggest threat to "policy" - the left goes BERZERK without for Wray

Over 200 Illegal Aliens Arrested in Bust of Human Smuggling Operation in Laredo, Texas.

[Looks like the Globalist controlled Democrats are up to their old tricks. Flood the country with illegals and overwhelm the system. More than 200 illegal aliens were transferred to the custody of Customs and Border Patrol last week, with the wave of arrests coming as authorities moved upon a human smuggling ring operating in the Laredo, Texas area.

Border Patrol agents most recently recounted finding 25 people hiding within a horse trailer at an immigration checkpoint on Thursday. They've encountered other smuggling attempts with the use of commercial tractor-trailers, box trucks, agriculture and fuel containers, and a travel trailer. CBP has reported making 242 arrests last week alone, a figure not seen since before the coronavirus pandemic.](<https://bigleaguepolitics.com/over-200-illegal-aliens-arrested-in-bust-of-human-smuggling-operation-in-laredo-texas/>)

Back when she was First Lady, Hillary had the White House Christmas Tree decorated with obscene ornaments.
<http://thevoiceinthewilderness.org/page/id/212/Hillary>
Then came 1994 and Gary Aldrich was again asked to assist with decorating Hillary's tree. A truckload of ornaments had arrived which Hillary had ordered. She had asked a few "blue ribbon" modern art schools (approved by the Secretary of Education) to ask the "budding artists" to send in articles that were their interpretation of "The 12 Days of Christmas" and most of the boxes contained what they had come up with. Aldrich described it as "childish garbage, a bad joke"

but Hillary had ordered it to be hung on the tree so what could they do but follow orders.

One decoration was a mobile of "12 lords a-leaping." It consisted of tiny clay male figures, naked and sexually aroused, so disgusting that one of the decorators threw it on the floor and crushed it, hoping Hillary would not find out. Other ornaments were crack pipes (for smoking marijuana) hung on a string, the decorators put them back in the box, they couldn't figure out what these things had to do with Christmas.

Now we know why Judge Nap has been so anti-Trump. Can't wait to find out about Chris Wallace's perverted proclivities to explain his never-Trumper stance.(dailymail.co.uk)

ABOUT

• Lucio Bubacco's works in glass are unparalleled examples of extraordinary Venetian flame technique • A witty play with the borders of kitsch, and biblical and carnivalesque iconography • Masterful glass art from Murano Most of the subjects of Lucio Bubacco's (b. 1957) glass art are provocative and polarizing; at the same time they are sensual and beguiling. In a kind of erotic 'trance dance' - Mephistophelian and frequently riotous - nightmarish fabulous creatures and mythological phantasms usually undulate about each other. His technical virtuosity in creative execution is unparalleled. For the Murano-born glass artist has elevated the Venetian flame technique to a new level of skill and complexity. Bubacco has captured human feelings and emotions in the masterly play of gestures and muscles of the glass figures featured in his burlesque installations. Full of wit and irony he thus explores the limits of kitsch without overstepping them. Follow him into a world of carnivalesque orgies, crystalline incubi and erotic fantasies in glass!

DIRECTOR OF NATIONAL INTELLIGENCE
WASHINGTON, DC

SEP 29 2020

The Honorable Lindsey Graham
Chairman, Committee on the Judiciary
United States Senate
290 Russell Senate Office Building
Washington, D.C. 20510

Chairman Graham,

In response to your request for Intelligence Community (IC) information related to the Federal Bureau of Investigation's (FBI) Crossfire Hurricane Investigation, I have declassified the following:

- In late July 2016, U.S. intelligence agencies obtained insight into Russian intelligence analysis alleging that U.S. Presidential candidate Hillary Clinton had approved a campaign plan to stir up a scandal against U.S. Presidential candidate Donald Trump by tying him to Putin and the Russians' hacking of the Democratic National Committee. The IC does not know the accuracy of this allegation or the extent to which the Russian intelligence analysis may reflect exaggeration or fabrication.
- According to his handwritten notes, former Central Intelligence Agency Director Beerman subsequently briefed President Obama and other senior national security officials on the intelligence, including the "alleged approval by Hillary Clinton on July 26, 2016 of a proposal from one of her foreign policy advisers to vilify Donald Trump by stirring up a scandal claiming interference by Russian security services."
- On 07 September 2016, U.S. intelligence officials forwarded an investigative referral to FBI Director James Comey and Deputy Assistant Director of Counterintelligence Peter Strzok regarding "U.S. Presidential candidate Hillary Clinton's approval of a plan concerning U.S. Presidential candidate Donald Trump and Russian hackers hampering U.S. elections as a means of distracting the public from her use of a private mail server."

As referenced in his 24 September 2020 letter to your Committee, Attorney General Barr has advised that the disclosure of this information will not interfere with ongoing Department of Justice investigations. Additional declassification and public disclosure of related intelligence remains under consideration; however, the IC welcomes the opportunity to provide a classified briefing with further detail at your convenience.

Biden requested bathroom breaks every 30 minutes because he has incontinence problems. That was denied so he will need to wear one of these condom catheters:

How many more laws does Ilhan Omar have to violate before she is arrested?

We know that she entered this country under an assumed name that she is still using, we know that she married her brother to skirt immigration laws, we know that she is a bigamist, we know that she has filed years of false income tax returns, we know that she has funneled millions of campaign donations into her boyfriends business, and we now know that she is the coordinator behind a massive voter fraud scheme through ballot harvesting.

What more is it going to take before this woman is arrested ?

Had you or i done half of what she has done we would already be sitting in a prison cell.

I don't want her arrested, I want her deported along with all the other Somalis in this country.

She needs to be executed so she doesn't fuck up the country she goes to and so she can serve as a warning to anyone else trying to fuck our country up. The rest can have a boat ride home.

Its treason what she's done. She is here illegally and she is willfully subverting our elections. So with that in mind, yes, she absolutely should be executed.

It's not even treason, she's an enemy spy, no need for a trial.

Ah shit, you are absolutely right. Enemy combatant I think is the proper term.

Rep Ullman and Governor Tom Wolf caught on a hot mic referring to masks as "political theatre" that they want to get "on camera". We already knew that, but thank you for the confirmation!! HOAX!!!! (files.catbox.moe)

<https://files.catbox.moe/3fbt5o.mp4>

We need more and more of this to plant seeds of doubt in those still buying into the panic.

I am a fan of President Trump but he was not at his best tonight. The questions were long and rambling and not enough time to give complete answers as it was but he spent too much time interrupting Joe - give Joe enough rope and let him hang himself. Also he should have condemned "white supremacy" no need to bring up Proud Boys at all. Still love him, still voting for him but he could have done better. Joe had a damn good teleprompter or some device or method to stay on task better than he had done lately.

Chris Wallace's orders tonight were; "Keep it close by defending Joe and give softballs." He followed his (((orders))).

And give him the questions before hand.

Trump at debate concerning 2016 transitioning and Obama admin spying on his campaign and Gen. Flynn: THERE ARE TAPES.

If I were POTUS as soon as I get back to the White House it would be "operators it's a go"

C'mon guys, Antifa is an idea, not an organization. (((Chris Wallace))) ignores Antifa but brings up "white supremacists."

And asked him to denounce militias too... Lumping militias into extremist groups.

This explains so many parts of the debate. Biden randomly saying "good luck" was probably the person in his ear telling Biden good luck. Also Biden repeatedly saying "shut up" was probably the people coaching him telling Biden to just stop talking.

great point! I remember feeling that so was so odd.

Anyway... Its a wireless neckloop antennae for a "DEEP CANAL" receiver earpiece.

The wire is antennae (wireless neckloop) to send to ear piece from a spread-spectrum 12 volt transceiver attached to leg. It rebroadcasts into a deep ear inserted radio with a limited life of barely 2 hours standby mode, 18 minutes total burst talk time.

He really said nothing of substance, he just kept repeating that Trump was a liar and that he'd have a plan when he was in office. He also did say he would support the green new deal in the debate just not by name, the only difference was the cost, he said it would somehow magically pay for itself calling it the Biden plan.

Amazing.

Trump said something last night about the conspirators I've never heard him say before. And everyone seems to be ignoring his statement - even the good guys.

We've heard Trump say before that "we've caught them all" but last night he added a phrase I don't think I've heard him mention in the past. "...we've got them on tape."

WE HAVE THEM ON TAPE PEOPLE. As far as I know this is a new development that we didn't know about. WE HAVE THE MOTHERFUCKERS ON TAPE. NOTHING CAN STOP WHAT IS COMING.

Trump also said Joe was a super predator when he was talking about Joe calling blacks super predators. I don't think many people caught that and it was intentional.

I've never seen a Debate without a Rebuttal - In addition to 2 minutes for address, each candidate should receive at least 30 seconds for follow up - Moderating was arbitrary and biased w/o Rebuttal.

The format was a joke. Wallace was attempting a Sunday morning interview of the two, simultaneously, not a traditional debate.

It required the candidates to interrupt each other during address, if they wanted to rebut any false claims.

Ahhh maybe that was it- Trump speaking over everyone was to drown out the voice in Biden "s ear.

Yes, that, and also forcing Biden to respond in real-time. You can't listen and talk at the same time. I think Trump was trying to fluster Biden. I don't think that worked, but Biden didn't look confident.

Trump was the alpha male.

It also adds to the difficulty for whoever was feeding info to Biden. Those people needed to be able to hear what Trump said in order to respond, but they also had to feed Biden responses, and the faster pace and chaos would make it harder. Trying to tell someone else what to say and make sure they say it right, while simultaneously listening to another person's wordy interruptions, is a lot more challenging.

Good thing they knew what was going to be asked... made it easier to just have a script you could pull from like the call center operators do—those little "chunks" of speech that are prewritten for responses to common questions.

Prevent public exposure of truth.

Why?

PEOPLE [UNITED] HAVE THE POWER.

That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, –That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph.

Rebuffed by Vatican, Pompeo Assails China and Aligns With Pope's Critics

Pope Francis declined to see Secretary of State Mike Pompeo, who is demanding a harder Vatican line on China. The Holy See said meeting just before a U.S. election would be inappropriate.

By Jason Horowitz and Lara Jakes

Sept. 30, 2020, 7:26 p.m. ET

ROME — Secretary of State Mike Pompeo recently published a sharp letter excoriating the Vatican's plans to renew an agreement with the Chinese government on Church operations in China. He promoted the article in a tweet, concluding, "The Vatican endangers

its moral authority, should it renew the deal.”

An indignant Vatican took the article more as a calculated affront than a diplomatic gesture. The friction broke into the open on Wednesday as Mr. Pompeo arrived in Rome and met with prelates and others who are hostile to Pope Francis, while the Vatican denied him a meeting with the pontiff and rebuffed his efforts to derail the deal with China.

“Pompeo asked to meet” the pope, who turned him down because Francis had “clearly said that he does not receive political figures ahead of the elections,” Cardinal Pietro Parolin, who, as secretary of state, is the Vatican’s second-ranking official, told reporters.

But to some observers on both sides of the tensions between the Roman Catholic Church and the Trump administration, Mr. Pompeo’s visit is as much about the coming presidential election as about China policy. Mr. Pompeo dismissed that suggestion as absurd, but intended or not, his trip signals that President Trump is on the side of those conservative American Catholics who worry about the church’s direction under Francis and think he is soft on China.

Francis and Mr. Trump, who have exchanged sharp words in the past, present starkly different visions on issues ranging from the environment to immigration to the threat of populism. In appealing to the Vatican’s support for religious freedom as a reason to drop its China agreement, Mr. Pompeo seemed to seek common ground, but in a way that upset the pope’s chief allies and delighted his chief critics.

Cardinal Parolin said Mr. Pompeo’s article had caused “surprise” at the Vatican, because this visit to Rome by the secretary and the meetings with high officials at the Holy See had already been in the works and would have been a “more opportune” forum for airing grievances. He added that Mr. Pompeo’s choice to publish in *First Things*, a conservative Christian magazine that has called Francis a failure as Pope, also mattered.

RED OCTOBER.

Q

How many of you realize how much opportunity has been stolen from us?

Our government has allowed big corporations like Wal Mart to come in and take over the role of like 12 smaller companies. Companies like McDonalds are allowed to plop down several franchises in a town, pay people the bare minimum while serving shitty poison and the money fly right out of the local economy.

And Mexicunts. Mexicunts have stolen shitloads of jobs that would have otherwise gone to teenagers and blacks. All these fuck faces in their cheeseburger mansions use Mexicunts to mow their huge ass yards and contractors use them to build the cheeseburger mansions. Carpentry used to be a good career for many men but not anymore, thanks to open border Democrats and Republicans that get rich somehow working in the government like they are royalty.

The vast majority of music and movies are terrible thanks to the fact that stinky jews have been given free reign to control Hollywood and the music industry. Even crappy pop music in the 90's was better than the niggerized bullshit that is blasted all over the fucking place.

God forbid modern music has a guitar solo in it.

The institution of marriage has been torn to shreds by Supreme Court lesbians and whiney faggots. Most people aren't even getting married and the kids they are having are in fucking despair so they pump them full of drugs to try and slow down their minds.

What the fuck do we even have a government for? To take our money to arm smelly Arabs to fight each other over nothing so Israelis can tuck their little hairy brats in at night without having to actually fight for the land that they are squatting on?

Technology should be benefitting us far more than it does in terms of productivity and compensation and it just isn't. Why? Because the government allows fucking evil people that have no real needs in life that feed their desires by raping little kids to control our economy and we are so FUCKING STUPID AND APATHETIC that most of us can't even see what's going on and THE CHRISTIANS go to dumbass churches controlled by liars that tell you the reason your finances are out of order is because you're not tithing enough.

Take Chicago. It is ran by a literal gremlin and the black communities produce more corpses than active warzones like south Idlib. Nobody is doing anything about it.

Our country was founded in a revolution over TEA TAX.

Sound engineer in studio last night: President Trump's volume was precisely 3 decibels less than Biden's until nearly the end of the debate....

Also, President Trump's bass level was lowered and Biden's raised, the goal of which would be to make President Trump sound tinny/whiney and make Biden's voice sound more "manly". This is the kind of petty nonsense they pull - obviously including Fox.

I have realized this too (Fox Business stream). This was why when Trump interrupted Biden or Wallace, he had to raise his voice. When Biden or Wallace interrupted Trump, they could do it with a calm voice. This is why now the media can say that Trump sounded rude.

Exactly! They're not trying to mute his voice, they're trying to get him to yell.

Ted Cruz to CNN's Cuomo: 'Donald Trump Broke You Guys' - 'Your Entire Network Now Is Just How Much You Hate Trump'
Wednesday on CNN's "Cuomo Prime Time," Sen. Ted Cruz (R-TX) went head-to-head with Chris Cuomo on topics including COVID-19, allegations of racism aimed at Donald Trump, economic issues and the Trump's Supreme Court appointment during a nearly 20-minute-long segment.

During their sometimes-contentious dialogue, Cruz questioned Cuomo about its editorial direction in the Trump era.

Transcript as follows:

<https://www.breitbart.com/clips/2020/10/01/ted-cruz-to-cnns-cuomo-donald-trump-broke-you-guys-your-entire-network-now-is-just-how-much-you-hate-trump/>

How many of you knew that in 1864 the Democrats tried to steal the election from Lincoln using mail-in ballot fraud?

Look it up, it's true. They've been playing the same playbook for over a century. The ballots required several signatures, and the Democrats started forging signatures on fabricated ballots.

Hey...PSSST.... Don't tell anyone, but Joe Biden set up an S1 Corporation - a tax loophole - to AVOID paying Social Security and Medicare tax....

While the media is currently having a fit over Trump's taxes and the lack of income taxes he has paid, what they seem to forget is that

Biden was exposed back in 2019 for creating tax loopholes for himself in order to avoid the payroll tax.

Biden and his wife Jill had created S-corporations in order to report all speaking fees and book royalties they received as corporate profit rather than taxable income.

<https://www.breitbart.com/politics/2020/09/28/joe-biden-allegedly-exploited-s-corporation-loophole-to-avoid-paying-medicare-social-security-taxes/>

The former vice president and 2020 presidential contender and his wife Jill Biden reported about \$10 million in income in 2017 from a pair of S-corporations, CelticCapri and Giacoppa,” Mercado wrote. “The two entities were paid for the couple’s book deals and speaking gigs. That means any amounts the Bidens received as a distribution wasn’t subject to the 15.3% combined Social Security and Medicare tax. Here’s how it works. S-corporations pay their employee shareholders in two ways: wages and distributions. The S-corps reported another \$3.2 million in income in 2018.

I do this too. It’s great. It was advice given to me by a tax attorney that charges \$500/hr.

Asshole of the morning- John Roberts of FOX news.

Makes you wonder if it was this John Roberts who was on the Lolita Express to Pedo Island. In his defense, Fox News is 88.1% MSM now except for a couple of hours in the evening and a couple of hours on the weekend.

Weekdays: 3 hours x’s 5 = 15 hours (Tucker + Hannity + Ingraham)

Weekends: 5 hours over 2 days = 10 hours (Watters + Pirro + Gutfeld + Levin + Hilton)

Total Conservative programming: 20 hours

Total hours in the week: 168 hours

Total Conservative weekly hours of programming percentage: 11.9%

It’s time everyone wakes up to the Liberal propaganda Fox News is feeding you per week which is: 88.1%.

Make a smart decision. Turn off Fox News. Cut off Fox News.

OANN or America’s Voice or Newsmax. Make the move.

Ted Cruz Rips Chris Wallace: "He Was Whiny and Petulant, Did An Abysmal Job, Voting For Biden"

Ted Cruz dropped the hammer on Fox News' Chris Wallace for his debate performance last night saying he did an abysmal job.

During an interview Hugh Hewitt's nationally syndicated radio show, Sen. Ted Cruz (R-TX) went after Wallace, the supposed moderator for the presidential debate between Donald Trump and Joe Biden, but who ended up putting on a better performance than Joe.

"I think Wallace did an abysmal job," Ted said. "I think he was whiny and petulant. I think he wanted to be the center of attention."

"I think he prevented them – now look, this is not an easy debate, this was not an easy debate to moderate."

"I will give him that," Cruz said.

"But he, it was much more about him than about the debaters."

Then he dropped the hammer, "And I also think it's no, it's not complicated that Chris Wallace is voting for Joe Biden, that his politics are liberal."

"And he, you know, the snide comments he made after several of Trump's comments, I think, had no business coming from a debate moderator," he added.

"And his repeatedly his questions were essentially an oppo research dump, that they were equivalent of asking Trump when did you stop beating your wife, and he didn't do that on the other side. It was clear which side he was rooting for, and that's a bad thing for a debate moderator."

Chrissy Teigen and John Legend lose their child after pregnancy complications

In a heartfelt social media post, Teigen announced that she and husband John Legend had lost their baby boy, who they had already named Jack. "To our Jack," she wrote. "I'm so sorry that the first few moments of your life were met with so many complications, that we couldn't give you the home you needed to survive. We will always love you." Teigen, who was about halfway through her third pregnancy, made her way to the hospital late last week after experiencing continual bleeding.

Nothing like a photo opt and some photo shop with social media kudos to layer on top of her sacrifice.

Yep, sorry Chrissy but no one trust you because you also said you were willing to eat human flesh you evil idiot.

Someone who would willingly eat a human has given themselves over to the mind of Satan and their soul is filled with the darkest evil.

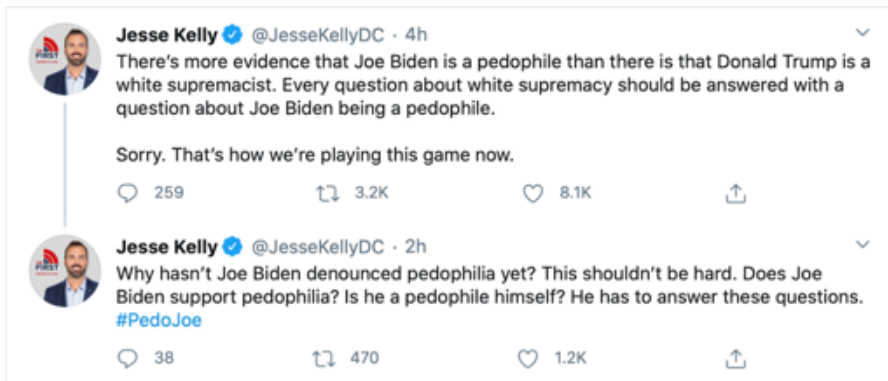

The same person would be so stupid that they would willingly have a baby and get pregnant and sacrifice that child so that Satan would protect them from their crimes.

Kind of like Gloria Vanderbilt throwing her son of a roof top.

Satan loves the blood of innocents and those who give it to him.

Asshole.

Even sadder is that her soul is screwed in so backwards that editing for effect is her concept of lovingly.

Yesterday was the 3rd Anniversary of the Vegas Shooting, the largest Mass Shooting in the HISTORY of the country... and I did not see anything on the news about it.

I live in Las Vegas and saw nothing on it at all. Now that you mention it. The victims got a massive settlement.

If the MSM is not covering something they have been given the orders because they are covering up something.

Talk about a real Sh!t-Show

The White House press secretary read a statement from the president on his deepest sympathies

Checkmate on the covid game.

POTUS has an opportunity to blow this whole shitshow out of the water.

I guess that he waits 10 days before announcing that he, Melania & Hope Hicks are all now virus free and healthy after following the HCQ protocol.

Therefore, as there is an existing cheap, safe and OTC medication available to treat & cure the china-pox, that he is withdrawing all support & funding for covid vaccines.

Anonymous

He can also announce that all current & planned restrictions are immediately removed as the china-pox is not a serious threat. This screws all of the dystopian plans that were going to be imposed on the planet.

No more masks no more track & trace no more social distancing, quarantines etc etc

checkmate on the covid game.

just a couple of weeks before he gets re-elected by a landslide.

Biden Changed His Webpage To Remove References To The New Green Deal After Denying It Was His Plan During Debate.

EDIT: I WAS WRONG. THERE ARE FOUR DIFFERENT WEB PAGES AND I LOOKED AT THE WRONG ONE. PLEASE IGNORE SO WE DON'T START A FALSE RUMOR.

During the debate he first said he didn't have a plan.

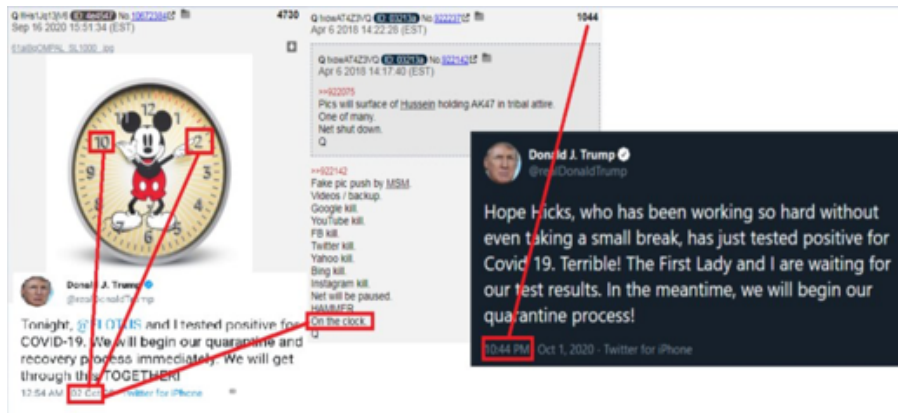

(He also said that if he was running he would have a plan. He's so confused! He is running and he has a plan. Maybe he thinks it's still 1967 and none of this has happened yet.)

Then he denied to Trump that his plan was the New Green Deal, even though anyone who checked at the time could see for themselves that it was on his web page.

Now the web page has changed and there are no references to the New Green Deal. Instead, it's called the Biden Plan.

I tried using the Wayback Machine to dig up an archived copy of the earlier version for comparison, but for some reason it doesn't load that page.

Good thing I saved a copy on my hard drive.

We eclipsed BLM and Antifa and are living rent free in the heads of the House of Representatives.... for memes and ideas. Let that sink in.

I was thinking the same thing, the Q movement has tempered much of our anger and many of us who were fed up and ready to take to the streets and we resisted. The next couple of months will determine if "trusting the plan" paid off. Speaking for myself, Q is really about the only thing that kept me calm during the insanity of the last couple years - just having the hints of what was to come helped prepare me for the every day bombardments. Without the hope Q posts and ideas and info provided me, I would probably have gone on meds to block it all out.

Same here. Q has kept me sane. And I believe it is all going to happen. Hold on tight, anons, I think we're in for the ride of our lives! WWG1WGA!

The Lie is right in front of us. A 'case' is not a sick American, it is a test result.

And that test is proving to be about 50% False pos. The fact is the same amount of people would get sick, IF there were no test at all, and that is about .02% just like the Flu.

Duh. They went from deaths... to hospitalizations.. to cases. Every single email I get about that shit they always make it their mission to implicitly equate cases with death. They proceed to referencing rising trends in some counties and then immediately push to impose greater restrictions for our so-called good. This is once again another example of linguistic warfare to control the fucking sheep.

Another meaning of the mickey mouse clock?

Maybe you already knew this but I just figured this out. I'm in 8th grade and today the teacher was talking about police things and a guy he knew got arrested and then he said something about 10 - 2. Then I got excited and asked him what that meant. He said 10-2 means arrest because you put your hands in your steering wheel. So maybe Q was talking about arrests?

Biden Volunteers Complain "Astounding Number" of Americans Think Biden is a Pedophile.

This is a fun read.

Volunteers working for Democrat nominee Joe Biden's presidential campaign are going on record admitting that "staggering" numbers

of Americans are convinced the former vice president is a “pedophile.”

“I have been doing a lot of text banking and the number of people who think Biden is a pedophile is astounding,” one volunteer tweeted last week.

“They immediately start calling Biden a pedophile,” another phone banker told Mother Jones. “I send out 500 texts in a pop and maybe it’ll come up five to seven times.”

When you consider that the vast majority of texts are not going to yield a reply and only a fraction of the recipients are Trump voters, that’s a very high response rate.

It seems Creepy Joe Biden has a serious image problem among grassroots voters and the mainstream media is terrified to address it. Another volunteer in Pennsylvania ranked the “Biden is a pedophile” response as the second most common “across the board” in her text-banking conversations.

Bradd Silver, a Biden volunteer from California, recalled a recent text exchange with a voter who told him that “Biden never goes by a young girl without smelling her hair or touching her on the back.” Imagine my shock. Where on earth could that voter have gotten that idea from?

“My wife has gotten this about pedophiles a bunch, too,” the Biden volunteer added. “We have a response for that, which is sort of, ‘this is just nonsense let’s talk about real issues.’ But no one wants to talk about real issues.”

When Crooked Media and Change Research asked undecided and infrequent voters for a one-word description of Biden, 46 different people said “pedophile.”

HA! Researchers concerned studying the alt-right and 4chan might lead to red-pilling... (media.thedonald.win)

Article

The challenges of studying 4chan and the Alt-Right: 'Come on in the water's fine'

Thomas Colley  and Martin Moore
King's College London, UK

A further ethical issue concerns potential harm to researchers examining extreme content. Whether researching such platforms might lead to academics being 'redpilled' is questionable, though should not be dismissed. Academics have acknowledged these concerns themselves. Julia Ebner (2020), for example, describes fearing that she was being radicalised while researching the 'Red Pill Women' online group. A more prominent ethical issue concerns the mental health implications of prolonged exposure to extreme content. Media coverage has highlighted this among workers removing extreme social media content (Solon, 2017). Ethnographers have highlighted the despondency, numbness, intimidation and isolation they have experienced studying far-right platforms immersively (Askanius, 2019: 884).

Tom Fitton is the man. 🙌🙏

Well there you go, we all know that since the Communists Globalists small hats could not change this country through the Legislator as radically as they wanted to they had to also use perversion of the law through the Judaical branch to rewrite the law as they wanted.

Think about that, as fubar as ALL of Congress and the Senate is and as corrupt as THEY ALL ARE it was not enough for the Globalist kikes, they had to poison the law as well.

You do not have to take a very big step back from this to see the massive evil web these people have been spinning over the years.

The USA has been under subversive Communist attack since the very founding of this Nation, over time the assault of evil just grew worse. The jewish communist invasion in the 1930s was when the heat to the boiling pot we are currently in really began to be turned up.

My Lord these people are motivated by the worst kind of spiritual evil that can enter the human heart and soul.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Step back from the idea of time and space as well as the artificial boundaries in your own mind and this World can be seen as it is, an unweeded garden that has gone to seed.

(A mathematical and statistical impossibility)

*In 21 districts in Wood County Ohio, Obama received 100% of the votes where GOP inspectors were illegally removed from their polling locations - and not one single vote was recorded for Romney. (A statistical impossibility)

*In Wood County Ohio, 106,258 voted in a county with 98,213 eligible voters.

*In St. Lucie County, FL, there were 175,574 registered voters but 247,713 votes were cast.

Sometimes you cannot tell people the truth. You must SHOW them.

Trump, Melania and the rest of the Republican figures stricken by Covid at this very moment, coincidentally at the same time and a month before the elections, are SHOWING the world that Covid is nothing more than a bad cold. These brave people are taking the ultimate risk by self infecting (rig for red). They will show we have the treatments needed to get past this and that we need to move on with life again. They will all recover, and they will be shining

examples of why we need to move past fear and get this Country going again.

I agree that we don't know what is going on. I also agree that something is going on.

I agree with your agreement.

Well said.

How many here are starting to wonder if it's really Covid Trump and his staff got?

The more I read and the more I think about what I've seen, the more and more I start to wonder if what's happened to Trump was actually a sophisticated assassination attempt and that Covid is just a continent cover story to prevent panic. Trump has been constantly monitored and HCQ has been always on hand ready so there is no reason Trump should have gotten sick at all from Covid.

All assets are deployed and this is do or die for the deep state after all. Chemical and biological weapons are most certainly on the table for immediate deployment.

Yes. I was wondering why Trump would tell his enemies that he is sick. The Art of War came to mind.

If Covid is fake, then his enemies know he does not have Covid.

If Covid is real, but is easily neutralized by say, hydroxychloroquine and zinc, then his enemies know he does not have Covid.

Trump said he tested positive, but I do not recall him saying that he actually has it. We know there are a lot of false positives and we were told that Trump has not lied to us.

Either way, I think you are on to something. The story does not make sense, and only Trump people are getting sick.

If I'm right in my thinking, Trump had to say he was sick because his enemies KNEW he was sick.

Anonymous

Notice who else is getting sick. So far their other goal, stopping ACB confirmation hearings, has failed. What's their next move?

From the ACB shindig.

In which, they knew they wouldn't look suspicious if they declined to attend.

I personally think it's to move himself to a more secure location while the hammer drops. Those in the deep state could not have planned for his sudden "sickness" and then move to a military hospital. Trump could have had the pieces in place ahead of time at Walter Reed.

Edit: I also think it could double as an example of proper treatment of covid, using himself as the exemplar.

That was my first thought but given how many other people are getting sick all of a sudden and the fact that now is not the time to drop the hammer. That will come at or after the elections for many very good reasons.

The best time for Hammer is 6 months ago.

The 2nd best time: Now.

I think now is the time to drop the hammer because it takes elements out of play that would subvert the election. That and if Trump is able to show everyone just how corrupt our system is, MSM can't possibly censor it enough and normies will clamor to Trump even more. Plus, if the left is able to cheat most people will be on the look out for it, and would support justice to be done.

A year ago, two years ago, I wouldn't believe it.

But now the timelines are matching up with drops and dates. And that goddamn Mickey clock at 10 and 2.

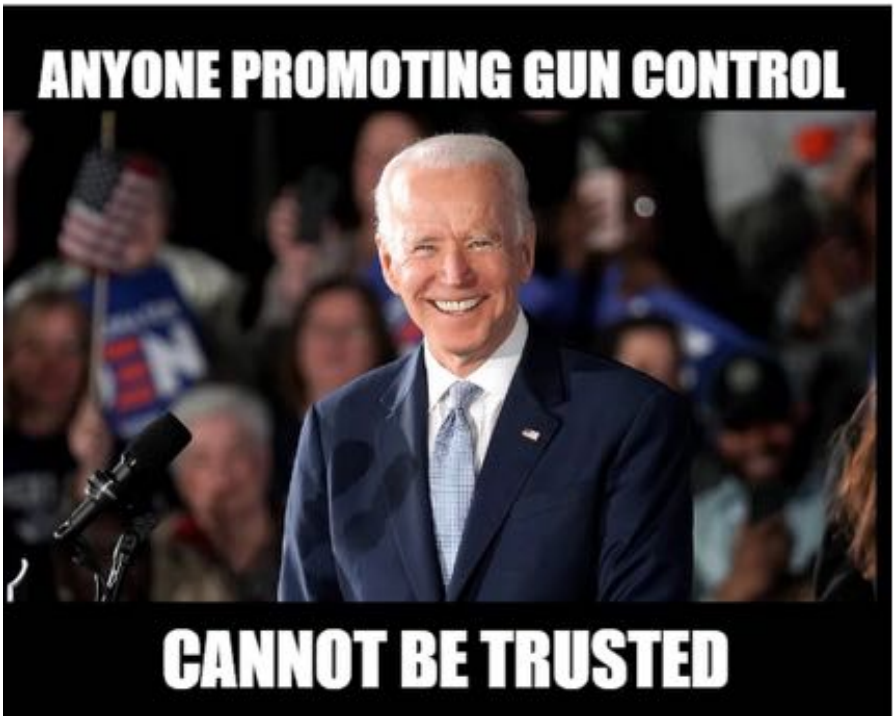

It is all theatrics. Trump has nothing. The PCR test results, even if they truly were done and were positive, are absolutely meaningless as they have never been validated against a properly purified/isolated "virus." Literally all positives are false-positives. This is either all part of a plan or we are all being played.

That's also a possibility. It's frustrating not knowing what's true and what's not. I'm just airing my thoughts and possibilities. Not like any of us can do anything one way or another anyway.

Francisco Daniel "Darry" Roxo, a legend within the Portuguese Army and SADF, was a highly decorated SF soldier who fought against communist insurgents all over Africa in span of 10 years.

He created, trained and led his own militia (Coluna Infernal) with one objective: to kill communists. The training Roxo put his men through was utterly merciless. He would shoot at their feet unexpectedly in order to not flinch under fire. He forced them to jog, climb mountains and wade upstream through rivers for hours, all while wearing backpacks filled with heavy boulders. Accidentally making a noise during practice ambushes was punished by a vicious beatdown. As a result, Roxo's men could move in complete silence, cover huge distances and still have enough energy to immediately attack the enemy upon arrival.

Roxo firmly believed in fighting fire with fire, prisoners were rarely taken and he always reminded his men "If you see anyone taking me prisoner, shoot me." He had a \$100,000 bounty on his head and only lost 3 men under his command. The Coluna Infernal would don rags or enemy uniforms and stealthily join the victims of communist mass abductions, only to later slaughter the unsuspecting terrorists in their own camps. The man himself did not miss a single chance to participate— 15 were personally killed by Roxo during one attack. His soldiers' kill-count exceeded that of all Portuguese regiments stationed in Mozambique at the time.

In 1976, during a patrol near the Okavango river, his Wolf (APC) hit a landmine and was tipped over, crushing Roxo beneath it. The rest of the crew tried to lift it free, but it was too heavy. Roxo simply lit a cigarette and smoked it until he died. Not a single moan or complaint.

MY 80 YEAR OLD FATHER CONTRACTED THE WUHAN VIRUS. HERE'S WHAT HAPPENED.

My 80-year-old father went to urgent care with all the symptoms. Sure enough, a few days later they called to say he tested positive for Wuhan. (Yes, I refuse to call it anything else.) They prescribed him nothing. NOT. A. THING. So I put him on colloidal silver 250 ppm, along with expectorant. Within a few days he was better. I'm sharing this so that if you find yourself in the same situation, you could do the same. You will want to take five full droppers three times a day for at least 7 days (even if you start feeling better sooner). Make sure that its 250 ppm and I prefer the brand Silver Wings.

Side note: I constantly get sinus infections and have been on dozens of antibiotics throughout my life - until I discovered colloidal silver. Now, I just use the nasal spray when I feel one coming on and its like magic - gone in no time.

I just did a quick search into it as I had never heard of it before. Well most of the standard health websites trash it like it was on the same level a smoking Navy Rhum marinated leaches in Hunter Biden's crack pipe. Coincidentally this is about the same thing they say about HCQ. So it must be good. I will continue to dig on it and where I might find some.

If you have a local health food store, they probably carry it. It has been a God send, truly.

Thanks for the tip. I will check mine.

It's a trick, no matter what it is. They aren't stupid, this is a very special video, and all choices (like what he's wearing) is all on purpose.

Notice how this was designed to show the "nice" side of Trump? Normally he'd attack Biden, but he held back, to make up for the perception from the debate.

Anonymous

Secondarily, he's bating SOMEONE, probably someone trying to kill him. If it looks like he's on AF1, then it's to trick someone that it is.

I noticed the other side is being spookily nice after the debate too. Suddenly Biden says he's not going to be publishing anti-trump Attack ads any longer. MSM and top Democrat talking heads are saying things like "we're praying for Trump. We wish him and his family well". From the same people who were insulting his family, saying disgusting vile things about Trump, and pushing Russiagate months earlier? I don't buy it.

The dems are at least smart enough to know Trump is up to something.

The problem for them, is that Trump is doing this to show the PUBLIC. He's demonstrating that the virus isn't harmful, and it's SO POWERFUL. I think they are freaking out.

Exactly so! My FIRST IMPULSE on hearing that Trump had tested positive for covid19 was not to pray for his healing, but to pray for exposure of the enemy plan! I knew millions would be praying for health and healing, but that there was a great need to pray that the enemy be caught.

Professor Marcus Anthony Hunter said:

“Black people’s lives have remained vulnerable and unprotected by the very government that abolished the institution of slavery. As the planter class took its last sips of power and blood, they managed to bequeath us a century and a half of debt and devastation. Racism is their lasting hex on a country that would dare to try and outlive them, an institutionally effective death spell killing black people every day.”

MAH actually believes his own lies (the narrative). One thing for sure, he expects the government, still to this day, to take care of black people because they can't take care of themselves. Supposedly, racism strips black people of self-initiative and, as a result, systematically externalizes the problems of the black community onto outside powers (white systemic racism).

White people's supposed systemic racism is treated as an actionable truth so that there is no serious consideration of its pervasive flaws and implications. In the long run it only serves to make the black community impotent. In fact, the more blacks emotionally rely on the specter of racism the more impotent they become, lost in their resentful and petulant fantasies.

**WH Team "hit" and POTUS survived assassination attempt?
Decode of WRH speech.**

The language Trump uses in his Walter Reed hospital speech makes perfect sense if he is actually referring to attempted assassination.

Excerpts from the transcript:

This sounds like normal Trump:

I came here, wasn't feeling so well. I feel much better now. We're working hard to get me all the way back. I have to be back, because

we still have to make America great again. We've done an awfully good job of that, but we still have steps to go, and we have to finish that job, and I'll be back. I think I'll be back soon, and I look forward to finishing up the campaign the way it was started, and the way we've been doing, and the kind of numbers that we've been doing.

Seems bombastic even for Trump but within normal range of grandiosity:

We've been so proud of it, but this was something that happened, and it's happened to millions of people all over the world, and I'm fighting for them. Not just in the US. I'm fighting for them all over the world.

Okay now we veer off into seemingly inappropriate word choices and something alarming. "Condolences" are for the living who suffer great loss.

I also want to thank the leaders of the world for their condolences, and they know what we're going through. They know what, as your leader, what I have to go through,

Woah Betsey! Was Trump given a command, "an offer he can't refuse"???

but I had no choice, because I just didn't want to stay in the White House.

It gets more dramatic. Was this done "at gunpoint"???

I was given that alternative. Stay in the White House, lock yourself in.

This reminds me of Charles I or Napoleon at Elba!:

Don't ever leave. Don't even go to the Oval Office. Just stay upstairs, and enjoy it. Don't see people. Don't talk to people, and just be done with it,

Trump tells "them" to go jump in a lake:

and I can't do that. I had to be out front, and this is America. This is the United States. This is the greatest country in the world. This is the most powerful country in the world. I can't be locked up in a room upstairs, and totally safe, and just say, "Hey, whatever happens, happens." I can't do that.

Leaders don't undercut their own position by complaining about some damned sniffle they might have. But they do talk about surviving close calls. All this for a virus? Or for a (barely) failed coup d'etat???:

We have to confront problems. As a leader, you have to confront problems. There's never been a great leader that would have done that, so that's where it is. I'm doing well. I want to thank everybody. Our first lady is doing very well. Melania asked me to say something as to the respect that she has for our country, the love that she has for our country, and we're both doing well.

Trump is an over-the-top personality but this seems a bit much even for him. His tone was otherwise quite normal, not "The Donald" but what you might expect from some guy named Donald Trump. Was this Trump's version of Jeremiah Denton's "Morse code" tape?

I think you're on the right track. I also took his words to mean he was given a final ultimatum from the satanists/world leaders, and he told them to shove it where the sun don't shine. Trump has always been playing for all the marbles and to end the hellish communist nightmare.

Seriously... if you are one of the dipshits getting tested for Covid when you have no symptoms, you are big part of the problem. However, I actually believe the test numbers are 100% BULLSHIT.

I'm a Senior but I would never, ever get tested. This is such a highly charged event to be tested is to hand over control of my healthcare to the State or CDC, WHO. All visits to Dr.'s get put in a National data base thanks to Obama care. We never know if the Government or CDC might intrude into our life with special demands to be court ordered quarantined centers. We know if Hillary won most of us Patriots would be in FEMA camps.

Tucker and Ingraham are marginally ok.

But they are still on a leash.

Attorney General Dana Nessel will no longer enforce Gov. Gretchen Whitmer's executive orders after the Michigan Supreme Court ruled Friday that one of the laws underpinning the orders was unconstitutional.

Nessel's decision comes as Whitmer's team has argued that her orders would stay in effect for 20 days after the ruling, a reference to a 20-day period in which parties can ask for reconsideration.

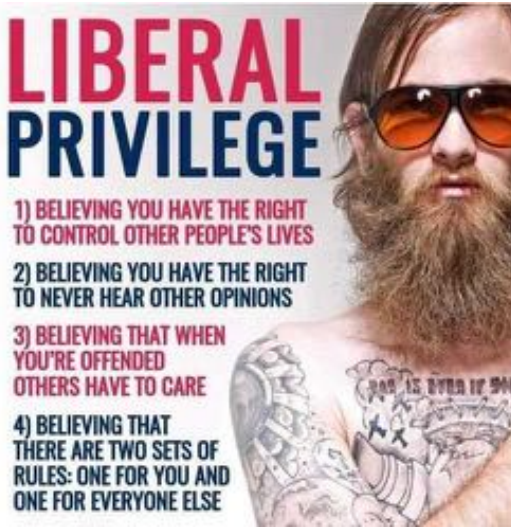

But opponents have said the 20-day rule doesn't apply to rulings issued in response to a federal certified question as was the case in Friday's Supreme Court decision.

Further, the language of the order, closely calling all orders issued after April 30 to be unconstitutional seems to support immediate effect.

Nessel's office on Sunday made clear the department "will no longer enforce the governor's executive orders through criminal prosecution."

"However, her decision is not binding on other law enforcement agencies or state departments with independent enforcement authority," said Ryan Jarvi, a spokesman for Nessel's office.

NEW PHOTO of Trump at Walter Reed! (files.catbox.moe)

Looks like a badass. And he looks pissed and someone's gonna feel the pain soon.

Yes! I think he looks better than ever. Look out world, the reckoning is coming.

That's the healthiest looking sick man I've ever seen in my life. He looks like an eagle about to make a kill. Even Lions don't look this fierce before they make a kill.

Yeah, it's like they woke the beast.

YEP, EXACTLY!

Amen!

Yeah, great pic. It sucks to be a deepstate faggot these days.
